0368 Center's designated education access channel provider from Denver  
Media Services.

Routine, non-controversial requests for ordinances that are not substantive policy changes may be placed on Consent Agendas for Council Committees each week with the approval of Committee chairs. Councilmembers receive the consent agendas for review and have until Thursday at noon to request that an item be scheduled for Committee discussion. If approved, items are placed on the Mayor-Council agenda the following week. This document outlines the items that were placed on consent agendas this week.
