**6. General description/background of proposed ordinance including contract scope of work if applicable:**

The City and The Greenway Foundation have a long and successful history of partnering on projects that advance the Foundation's mission of reclaiming, redeveloping and protecting the South Platte River (and surrounding tributaries) as a unique environmental, recreational, cultural, scientific and historical amenity. Through this contract, the departments of Public Works, Parks and Recreation and Environmental Health negotiate individual task orders for tasks including, but not limited to, advocacy, lobbying and fundraising on behalf of projects related to water quality, ecosystem restoration, flood risk reduction and recreation along the South Platte River and surrounding tributaries. The Department of Finance manages the contract for the purpose of authorizing work performed, tracking budget capacity, keeping a master calendar and coordinating/avoiding duplication of services between user agencies.
