5. General description or background of proposed request. Attach executive summary if more space needed:

The Colorado Department of Local Affairs (DOLA) with funding from (HB22-1304), is providing grant funds (through the Strong Communities Infrastructure Grant Program) to the City and County of Denver for infrastructure work associated with the construction of The Denverado at Welton. The Denverado at Welton will create sixty-two (62) affordable condominium housing units located at 2907 and Welton St. The units will provide affordable housing to households at or below 80% Area Median Income (AMI). The units will remain affordable for a minimum of 99 years.

The Infrastructure and Strong Communities Grant Program provides Grant Funds to eligible local governments to enable their investment in infill infrastructure projects that support affordable housing. The Strong Communities Planning Grant Program provides planning grants to help communities align policies and regulations to locate affordable housing in infill locations near jobs, transit, and everyday services; ensure new neighborhoods have housing of all types, sizes, and price points; and direct housing to areas with access to multimodal transportation options. The Strong Communities Infrastructure Grant Program provides grants to local governments for infrastructure projects to develop community benefit-driven infill affordable housing that meets critical housing needs as identified by the local government. Funding for Strong Communities is appropriated from the Affordable Housing and Home Ownership Cash Fund which originated from the Federal Coronavirus State Fiscal Recovery Fund (also referred to as State and Local Fiscal Recovery Funds, or SLRF).
