RE: Montbello 20/20 Support of the Parkfield Rezoning

Dear Denver City Council Members:

On behalf of the Board of Directors and the membership of the neighborhood organization, Montbello 20/20, I am pleased to support the Parkfield Rezoning from industrial to light commercial/multi-family housing. This is an important step to securing a neighborhood model that supports a sustainable and walk able community. If you would like more information or have questions, please do not hesitate to contact me at 303-375-1633. Thank you for your consideration.

Sincerely,
