The City also may declare a default if any warranty, representation or statement made or furnished to the City by or on behalf of Borrower in connection with this Loan proves to have been false in any material respect when made or furnished. Upon the existence of a default (and Borrower's failure to cure following receipt of written notice as set forth herein), including non-monetary default, and thereafter without necessity of notice, presentment, demand, protest, or notice of protest of any kind, all of which are expressly waived by the Borrower, the City shall have the right to accelerate any outstanding obligations of the Borrower, which shall be immediately due and payable, including payments under the Promissory Note, to foreclose upon the Property, and to enforce or assign its rights under the Deed of Trust. 10. EXPENSES: The Borrower agrees to pay all direct costs, expenses, and attorney fees reasonably incurred by the City in connection with the Borrower's breach or default of this Loan Agreement, the Promissory Note, or Deed of Trust. The Borrower agrees to pay reasonable costs

12. EXAMINATION OF RECORDS: The Borrower agrees that the Comptroller General of the United States, the U. S. Department of Housing and Urban Development ("HUD") the City or any of their duly authorized representatives shall, until the expiration of three (3) years after the final payment under this Loan Agreement, have access to and the right to examine any directly pertinent books, documents, papers and records of the Borrower involving transactions related to this Loan Agreement.

This Loan Agreement is also subject to the City's Charter and Revised Municipal Code, as the same may be amended from time to time. This Loan Agreement is also subject to the terms and conditions set forth in **Part II**, attached hereto and incorporated herein by this reference.

14. ASSIGNMENT: The City is not liable under this Loan Agreement to any party other than the Borrower. The Borrower shall not assign its interest in this Loan Agreement except upon prior written consent of the City.

This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Borrower or its subcontractors either passive or active, irrespective of fault, including City's concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

B. Borrower's duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. Borrower's duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City's negligence or willful misconduct was the sole cause of claimant's damages.

C. Borrower will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City's exclusive remedy.

D. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Borrower under the terms of this indemnification obligation. The Borrower shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

E. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

17. WAIVER: No waiver of any breach or default under this Loan Agreement shall be held to be a waiver of any other or subsequent breach or default. All remedies afforded in this Loan Agreement shall be construed as cumulative, in addition to every other remedy provided herein or by law.

18. NO DISCRIMINATION IN EMPLOYMENT: In connection with the performance of work under this contract, the Borrower agrees not to refuse to hire, discharge, promote or demote, or to discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, marital status, or physical or mental disability; and the Borrower further agrees to insert the foregoing provision in all subcontracts hereunder.

19. BINDING EFFECT: This Loan Agreement shall be binding upon the parties and shall inure to the benefit of their respective successors, assigns, representatives, and heirs.

20. COMMERCIAL TRANSACTION: Borrower agrees and warrants that this Loan

Agreement and the obligations created herein constitute a commercial transaction and is not a consumer obligation or consumer related loan or obligation.

21. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION:

A. The Contractor represents and warrants that it and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency.

B. The Contractor will not enter into any lower tier transaction with a person who is debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in a covered transaction unless authorized by the federal agency from which the transaction originated.

D. The Contractor will immediately notify OED in writing if at any time it learns that it failed to disclose that it or any of its principals were excluded at the time the parties executed this contract if due to changed circumstances the Contractor or any of its principals have subsequently been excluded by a federal agency.

22. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS: Contractor consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature hereunder, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

ARTICLE II **DISBURSEMENTS AND ACCOUNTING**

Sec. 201. Eligible and Ineligible Costs. Costs under this Agreement are governed by OMB Circular A-87 or A-122 as applicable. All costs incurred by the Contractor using monies under this Agreement must be reasonable and relate clearly to the specific purposes and end product of the Agreement. To be eligible for reimbursement, expenditures must: (1) Be necessary and reasonable for proper and efficient performance of the contractual requirements and in accordance with the approved budget; (2) Be allocable to Federal awards under the provisions of OMB Circular A-87; (3) Be authorized or not prohibited under State or local laws or regulations; (4) Conform to any limitations or exclusions set forth in the4se principles, Federal laws, terms and conditions of the Federal award, or other governing regulations as to types of amounts of cost items; (5) Be consistent with policies, procedures and practices applied uniformly to activities of the City, both Federally assisted and non-Federally assisted; (6) Be accorded consistent treatment—a cost may not be assigned to a Federal award as a direct cost if any other cost incurred for the same purpose in

like circumstances has been allocated to the Federal award as an indirect cost: (7) Be determined in accordance with generally accepted accounting principles; (8) Not be allocable to or included as a cost of any other Federally financed program; (9) Be net of all applicable credits, such as purchase discounts, rebates or allowances, sales of publications or materials, or other income or refunds; and (10) Be fully documented.

The following costs or expenditures by the Contractor are specifically ineligible for reimbursement: bad debts, contingency reserves, contributions and donations, entertainment and fines and penalties.

Sec. 202. Documentation of Costs. All costs must be supported by properly executed payrolls, time records, invoices, contracts or vouchers, or other documentation evidencing in proper detail the nature and propriety of the charges. All checks, payrolls, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Agreement shall be clearly identified and readily accessible.

Sec. 203. Charges Against Project Account.

A. Payments under the Agreement shall be made on an actual basis for services that are performed and fully documented as having been performed. The City shall not reimburse or pay any expenditures, costs or payments that are inconsistent with the last approved budget. The budget for this Agreement may be revised upon written request of the Contractor, and written approval from OED.

B. At any time prior to final payment, the City may have the invoices and statements of costs audited. Each payment shall be subject to reduction for amounts which are found by the City not to constitute allowable costs. Any payment may be reduced for overpayments, or increased for underpayments, on preceding invoices or vouchers.

C. In the absence of error or manifest mistake, all payments when approved shall be evidence of the services performed, except that all payments made by the City to the Contractor are subject to correction in accordance with the audit findings of the City or HUD. The Contractor shall promptly repay the City the amounts determined to be due on the basis of such audit.

D. Prior to final payment, the Contractor shall first furnish the City evidence in affidavit form that all claims, liens, or other obligations incurred by it and all of its subcontractors or agents in connection with the performance of their services have been properly paid and settled.

E. Contract funds remaining unspent by the Contractor at the termination of the Agreement for any cause shall be returned to the City within the time specified by the City. Interest shall accrue in the favor of the City at the rate of eight percent (8%) per annum on such funds thereafter.

Sec. 204. Method of Payment and Disbursements. The Contractor must submit properly executed invoices and requests for payment to OED. The City agrees to establish a payment procedure that will provide funds in a timely and regular manner, and which will include, among other things, the requirement for a ten percent (10%) retainage by the City where funds are disbursed for construction. The Contractor agrees to disburse funds within seventy-two (72) hours of receiving payment from the City.

Sec. 205. Travel Expenses. Reimbursement for travel and related subsistence, local mileage and parking, is limited to those costs and amounts for which the City reimburses City employees for official travel. First class air-fare is not allowable. Any travel outside of the Denver metropolitan area must be specifically authorized in advance by the City.

Sec. 206. Designation of Depository. The Contractor shall designate a commercial bank which is a member of the Federal Deposit Insurance Corporation for deposit of funds under this Agreement. Any balance deposited in excess of FDIC insurance coverage must be collaterally secured. The Contractor is encouraged to use minority or female-owned banks.

Sec. 207. Refunds. The Contractor agrees to refund to the City any payment or portions of payments which HUD and/or the City determine were not properly due to the Contractor.

ARTICLE III **CONSTRUCTION CONTRACTS AND LABOR STANDARDS**

Sec. 301. Lead-Based Paint Hazards. The construction or rehabilitation of residential structures with assistance provided under this Agreement is subject to the HUD Lead-Based Paint Regulations, 24 C.F.R. 570.608. The Contractor is responsible for the inspections and certifications required.

Sec. 302. Davis-Bacon Act. Except for the rehabilitation of residential property that contains not less than eight (8) units, the Contractor and all subcontractors hired under contracts for more than \$2,000.00 for the construction or repair of any building or work financed in whole or in part with assistance provided under this Agreement, shall comply with the Davis-Bacon Act, 40 U.S.C. 276a to 276a-7, and applicable regulations of the Department of Labor under 29 C.F.R. Part 5, requiring the payment of wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor. The current Davis-Bacon wage rate schedule must be included in all bid and contract documents, as well as the “Federal Labor Standards Provisions”, Form HUD-4010, by one of the following methods contained in the Labor Relations Letter No. LR 2006-03 at <http://www.hud.gov/offices/olr/library.cfm>.

\$100,000.00 must comply with the Contract Work Hours and Safety Standards Act of 1962 (40 U.S.C. 327 et seq.).

Sec. 304. Anti-Kickback Act. If this Agreement involves construction or repair, then it is subject to the Copeland “Anti-Kickback” Act of 1934 (40 U.S.C. 276c) and Department of Labor regulations (29 C.F.R. Part 3), prohibiting and prescribing penalties for “kickbacks” of wages. Wages must be paid in accordance with the requirements of 29 C.F.R. Part 3 and 29 C.F.R. 5.5.

Sec. 305. Equal Employment Opportunity Under Executive Order No. 11246, as Amended. If this Agreement involves a federally assisted construction project in excess of \$10,000.00 then it is subject to Executive Order No. 11246, as amended by Executive Orders 11375 and 12086, HUD regulations at 24 C.F.R. Part 130, and the Department of Labor Regulations at 41 C.F.R. Chapter 60.

The Contractor agrees that it will be bound by the equal opportunity clause set forth below and other provisions of 41 C.F.R. Chapter 60, with respect to its own employment practices when it participates in federally assisted construction work, provided that if the Contractor so participating is a State or local government, the equal opportunity clause set forth below is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Agreement.

The Contractor agrees that it will incorporate into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 C.F.R. Chapter 60, which is paid for in whole or in part with funds obtained pursuant to this Agreement, the following equal opportunity clause:

“During the performance of this Agreement, the Contractor agrees as follows:

- (1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- (2) The Contractor will, in all solicitations or advertisements for employees placed by or on

behalf of the Contractor, state that all employment is without regard to race, color, religion, sex or national origin.

(3) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement, or other contract or understanding, a notice to be provided by the Contract Compliance Officer advising the said labor union or workers' representatives of the Contractor's commitment under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The Contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and the rules, regulations and relevant orders of the Secretary of Labor.

(5) The Contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the Department and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

(6) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations or orders, this Agreement may be cancelled, terminated or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contract procedures authorized in Executive Order No. 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

(7) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions or paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The subcontract or purchase orders shall include such terms and conditions as the Department may direct as a means of enforcing such provisions including sanctions for non-compliance; provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Department, the Contractor may request the United States to enter into such litigation to protect the interest of the United States.

The Contractor further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work; provided, that if the Contractor so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government, which does not participate in work on or under the Agreement.

The Contractor agrees that it will assist and cooperate actively with the Department and the Secretary

of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations and relevant orders of the Secretary of Labor; that it will furnish the Department and the Secretary of Labor such information as they may require for the supervision of such compliance; and that it will otherwise assist the Department in and the discharge of its primary responsibility for securing compliance.

The Contractor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order No. 11246 of September 24, 1965, with a contractor debarred from or who has not demonstrated eligibility for Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontracts by the Department or the Secretary of Labor pursuant to Part II, Subpart D, of the Executive Order. In addition, the Contractor agrees that if it fails or refuses to comply with the requirements hereof, the City may take any or all of the following actions: Cancel, terminate or suspend, in whole or in part this grant, contract, agreement or loan; refrain from extending any further assistance to the Contractor under the program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received from such Contractor; and refer the case to the Department of Justice for appropriate legal proceedings.”
