

**Amendment to 16-0626 related to creation of a permanent fund for
affordable housing programs.**

Mr. President,

I move that **CB 16-0626** be amended in the following particulars:

- 1) On page 17, strike line 4 and substitute the following language:

“(5) Non-profit affordable housing developer.”

Explanation of Amendment

This amendment would change the composition of the Affordable Housing Advisory Committee. The change would remove one of the mayor’s appointments to the advisory committee from an “at large” appointment to a requirement that the appointment be a non-profit affordable housing developer, thus resulting in two slots on the committee for non-profit developers in order to equal the number of for-profit housing developers on the committee.
