CONTRACT DESCRIPTION

● DENVER

- This is a contract amendment to an Other Transaction Agreement between the CCD and the TSA, entered into on April 26, 2012.
- The original Agreement was to design and make improvements to the seven TSA Checked Baggage Resolution Areas (CBRA's) within the Jeppesen terminal.
- The Amendment is to have the design and subsequent construction work focus on consolidating the seven current locations into two locations.
- The Agreement and the Amendment are 100% reimbursable by the TSA for the design and the construction of the final agreed design.

2

CONTRACT TERMS

● DENVER

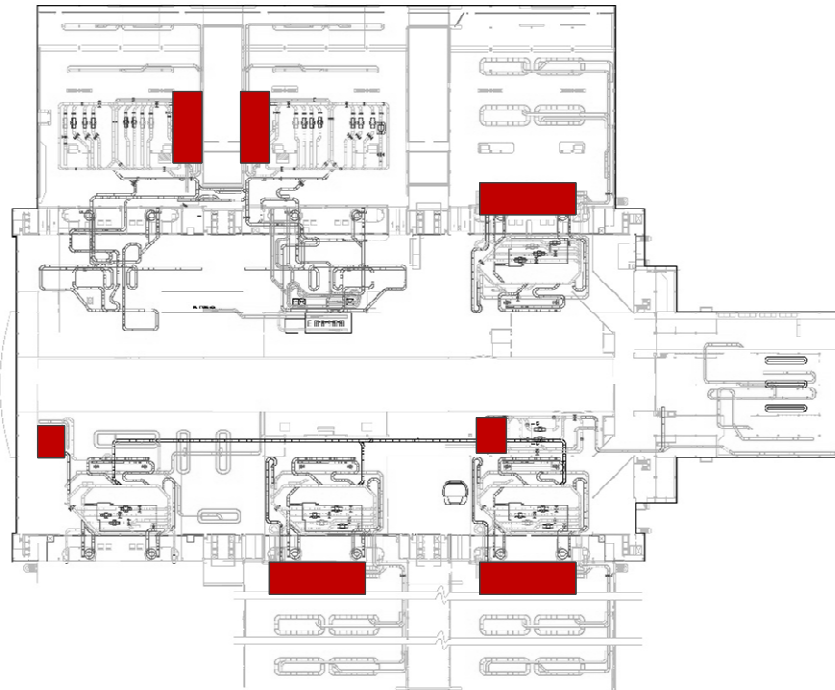

- The project is in the design phase.
- The City will complete design which will be reviewed and accepted by the TSA.
- Once accepted, construction of the design will be procured through normal City practices including the appropriate Disadvantaged Business goals.
- This results in local jobs.

CBRA LOCATIONS

DENVER

Seven Current CBRA Locations

Two Central CBRA Locations

BENEFITS TO DEN

DENVER

This project will allow TSA to manage its staff more efficiently

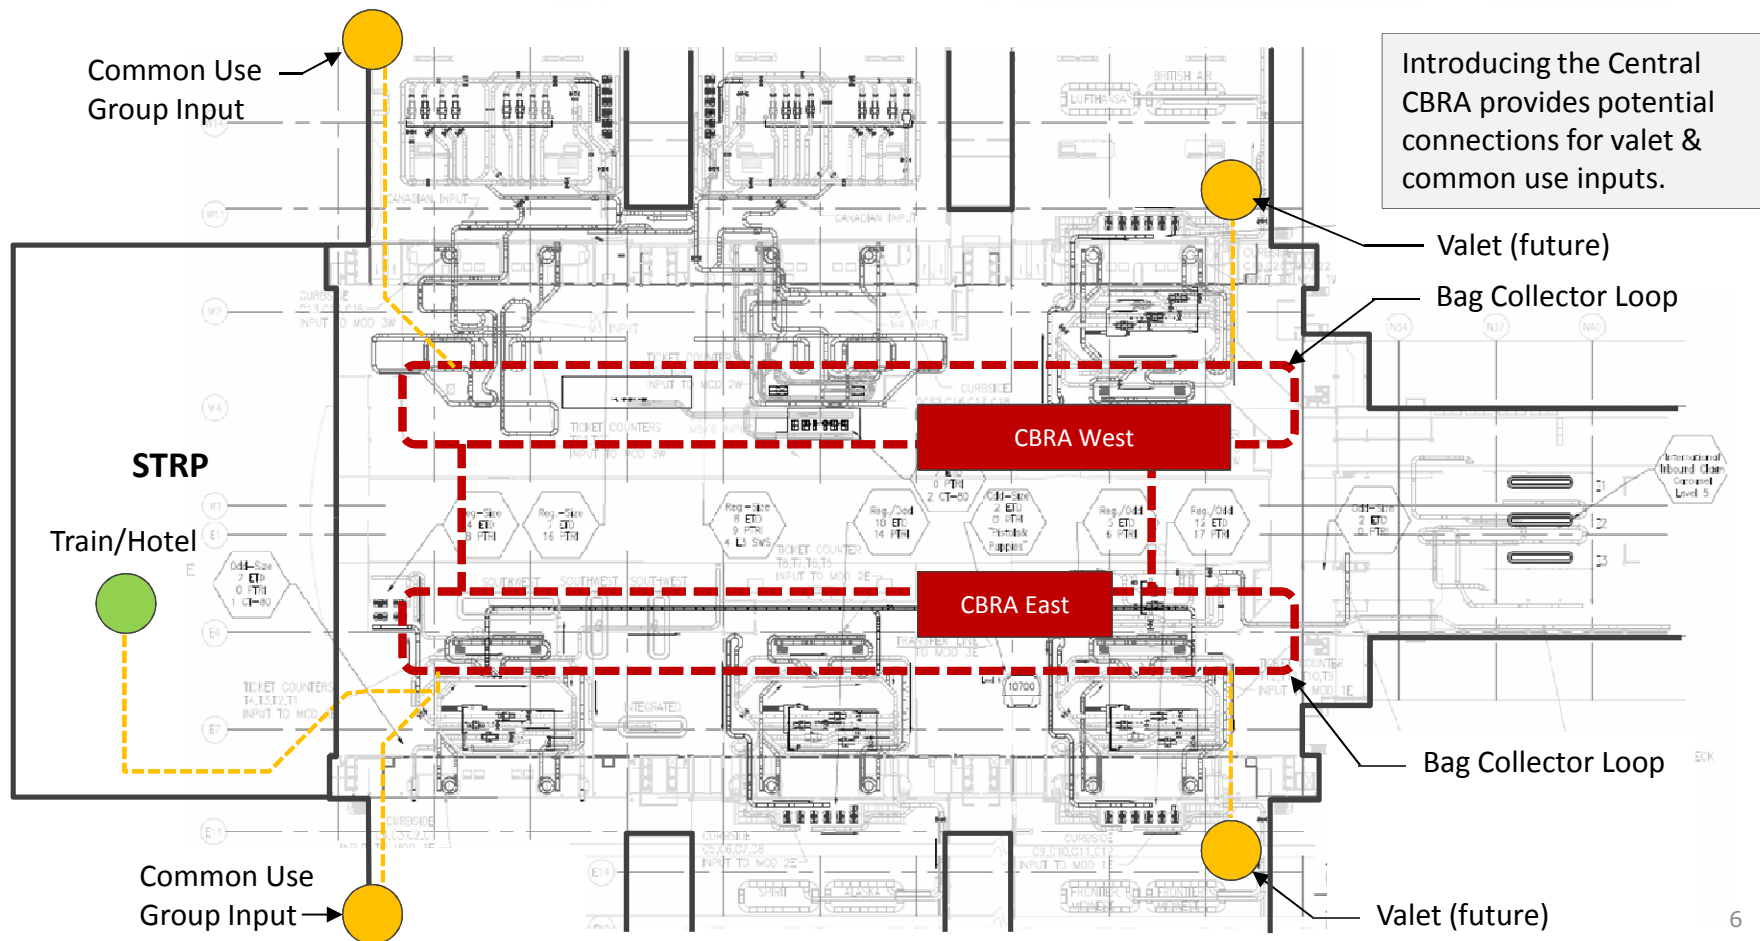

- Reduce staffing without impacting service
- Save staff costs to help address budget constraints

This project provides the Airport with a baggage collection system that, once connected to, will allow bags to be entered into the system from:

- The train station and hotel
- Valet parking
- New common user bag drop and group curbside locations

CONSOLIDATED CBRA OVERVIEW

Introducing the Central CBRA provides potential connections for valet & common use inputs.
