## EXECUTIVE SUMMARY

The purpose of the resolution is to set a public hearing to approve an amendment to the Welton Corridor Urban Redevelopment Plan for the 2801 Welton Street Project.

The Denver City Council approved the Welton Corridor Urban Redevelopment Plan (“Plan”) in September, 2012. The general objectives of the Plan are to reduce or eliminate blighted conditions as well as to stimulate growth and development in the Urban Redevelopment Area. The Plan also established the framework for future City Council approval of public improvement projects and private redevelopment projects and the use of Property and/or Sales Tax Increment for the approved projects.

The 2801 Welton Street Project is the redevelopment of an existing vacant building into mixed-use space consisting of ground floor retail and second floor office space. The Denver Urban Renewal Authority is seeking to amend the Plan to create a sales tax increment area and property tax increment area to provide funding assistance in the form of incremental sales and property taxes. The City’s Manager of Finance and DURA are drafting an Ordinance to amend the Plan and a Cooperation Agreement for the creation of the 2801 Welton Street Sales Tax Increment Area and Property Tax Increment Area and the use of Sales and Property Tax Increment Financing (TIF) by DURA. State law requires a public hearing be held to amend an Urban Renewal Plan with 30 days notice. It is anticipated that this hearing would be conducted on January 12, 2015.

DURA will be asking Council Committee to approve the resolution at their meeting on November 18, 2014.
