6. General description of proposed ordinance including contract scope of work if applicable:

This ordinance will approve a contract amendment with West Metro Fire Protection District to provide emergency medical services for events at Red Rocks amphitheatre. West Metro provides emergency services (fire and life safety) to Red Rocks Park as part of an inter-agency agreement with the City of Denver and Denver Fire Department; given that West Metro is the closest emergency response jurisdiction to Red Rocks, it makes West Metro the most qualified service provider for the event medical service during shows. Due to the increasing number of events and attendance at Red Rocks events during 2015, which is expected to continue in 2016, it is necessary to add additional funds to the contract.
