The City shall purchase one or more of the goods/services by issuing a written purchase order(s) or similar appropriate written document ("Order"), each of which will be deemed incorporated into this Master Purchase Order for purposes of such Order only.

3. Pricing:

The pricing/rates for the goods/services is contained on Exhibit A in line with Omnia Cooperative Contract Number 001299.

4. Term/Renewal:

The term of this Agreement shall be from date of city signature, to and including May 31, 2028. It is also a specific provision of this Master Purchase Order that the City and the vendor may mutually agree to renew and continue this Purchase Order for additional periods of one year at the same terms and conditions. However, no more than two (2) yearly extensions shall be made to the original Master Purchase Order, not to exceed January 31, 2030.

5. Non-Exclusive:

This Master Purchase Order is non-exclusive. City does not guarantee any minimum purchase other than as provided herein.

6. Inspection and Acceptance:

Vendor shall perform any services in accordance with the standard of care exercised by highly competent vendors who perform like or similar services. City may inspect all goods/services prior to acceptance. Payment does not constitute acceptance. City's failure to accept or reject goods/services shall not relieve Vendor from its responsibility for such goods/services that are defective or do not meet specifications nor impose liability on City for such goods/services. If any part of the goods/services are not acceptable to City, City may, in addition to any other rights it may have at law or in equity: (1) make a warranty claim; (2) repair and/or replace the goods or substitute other services at Vendor's expense; or (3) reject and return the goods at Vendor's cost and/or reject the services at Vendor's expense for full credit. Any rejected goods/services are not to be replaced without written authorization from City, and any such replacement shall be on the same terms and conditions contained in this Purchase Order.

7. Shipping, Taxes and Other Credits and Charges:

All pricing is F.O.B. destination unless otherwise specified. Shipments must be marked with Vendor's name, the Master Purchase Order number, and contain a delivery or packing slip. Vendor shall not impose any charges for boxing, crating, parcel post, insurance, handling, freight, express or other similar charges or fees. Vendor shall notify City in writing of any price decreases immediately, and City shall receive the benefit thereof on all unshipped items. Vendor shall comply with any additional delivery terms specified herein. Vendor shall be responsible for the cleanup and reporting of any contamination (environmental or otherwise) or spillage resulting from the delivery and/or unloading of goods within twenty-four (24) hours of the contamination or spillage or sooner if required by law. Vendor shall procure all permits and licenses; pay all charges, taxes and fees; and give all notices necessary and incidental to the fulfillment of this

Master Purchase Order and all cost thereof have been included in the prices contained herein. City shall not be liable for the payment of taxes, late charges, or penalties of any nature, except as required by D.R.M.C. § 20-107, et seq. The price of all goods/services shall reflect all applicable tax exemptions. City's Federal Registration No. is 84-6000580 and its State Registration No. is 98-02890. Vendor shall pay all sales and use taxes levied by City on any tangible personal property built into the goods/services. Vendor shall obtain a Certificate of Exemption from the State of Colorado Department of Revenue prior to the purchase of any materials to be built into the goods/services and provide a copy of the Certificate to City prior to final payment.

8. Risk of Loss:

Vendor shall bear the risk of loss, injury, or destruction of goods prior to delivery to City. Loss, injury, or destruction shall not release Vendor from any obligation hereunder.

9. Invoice:

Each invoice shall include: (i) the Purchase Order number; (ii) individual itemization of the goods/services; (iii) per unit price, extended and totaled; (iv) quantity ordered, back ordered and shipped; (v) an invoice number and date; (vi) ordering department's name and "ship to" address; and (vii) agreed upon payment terms set forth herein.

10. Payment:

Payment shall be subject to City's Prompt Payment Ordinance D.R.M.C. § 20-107, et-seq., after City accepts the goods/services. Any other provision of this Master Purchase Order notwithstanding, in no event shall the City be liable for aggregate payments under this Master Purchase Order in excess of One Million Dollars and Zero Cents (\$1,000,0000). Vendor acknowledges that any goods/services provided beyond those specifically described in **Exhibit A** are performed at Vendor's risk and without authorization from the City. City's payment obligations hereunder, whether direct or contingent, shall extend only to funds appropriated by the Denver City Council for the purpose of this Master Purchase Order, encumbered by the City after receipt of Vendor's invoice and paid into the Treasury of City. Vendor acknowledges that: (i) City does not by this Master Purchase Order, irrevocably pledge present cash reserves for payments in future fiscal years; and (ii) this Master Purchase Order is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of City. City may setoff against any payments due to Vendor any claims and/or credits it may have against Vendor under this Master Purchase Order.

11. Amendments/Changes:

Only the Executive Director of General Services or his/her delegate is authorized to change or amend this Master Purchase Order by a formal written change order. Any change or amendment that would cause the aggregate payable under this Master Purchase Order to exceed the amount appropriated and encumbered for this Master Purchase Order is expressly prohibited and of no effect. Vendor shall verify with the City that the amount appropriated and encumbered is sufficient to cover any increase in cost due to changes or amendments. Goods/services provided without such verification are provided at Vendor's risk. Vendor has no authority to bind City on any contractual matters.

12. Warranty:

Vendor warrants and guarantees to City that all goods furnished under this Master Purchase Order are free from defects in workmanship and materials are merchantable. **Any defects need to be repaired / replaced under the uniform advantage program**

Vendor shall indemnify and hold harmless City (including but not limited to its employees, elected and appointed officials, agents and representatives) against any and all losses (including without limitation, loss of use and costs of cover), liability, damage, claims, demands, actions and/or proceedings and all costs and expenses connected therewith (including without limitation attorneys' fees) that arise out of or relate to any claim of infringement of patent, trademark, copyright, trade secret or other intellectual property right related to this Master Purchase Order or that are caused by or the result of any act or omission of Vendor, its agents, suppliers, employees, or representatives. Vendor's obligation shall not apply to any liability or damages which result solely from the negligence of City. City shall not be liable for any consequential, incidental, indirect, special, reliance, or punitive damages or for any lost profits or revenues, regardless of the legal theory under which such liability is asserted. In no event shall City's aggregate liability exceed the agreed upon cost for those goods/services that have been accepted by City under this Master Purchase Order up to the total Master Purchase Order Amount. Notwithstanding anything contained in this Master Purchase Order to the contrary, City in no way limits or waives the rights, immunities and protections provided by C.R.S. § 24-10-101, et seq.

14. Termination:

City may terminate this Master Purchase Order, in whole or in part, at any time and for any reason immediately upon written notice to Vendor. In the event of such a termination, City's sole liability shall be limited to payment of the amount due for the goods/services accepted by City. Vendor acknowledges the risks inherent in this termination for

convenience and expressly accepts them. Termination by City shall not constitute a waiver of any claims City may have against Vendor.

15. Interference:

Vendor shall notify the Director of Purchasing immediately of any condition that may interfere with the performance of Vendor's obligations under this Master Purchase Order and confirm such notification in writing within twenty-four (24) hours. City's failure to respond to any such notice shall in no way act as a waiver of any rights or remedies City may possess.

16. Venue, Choice of Law and Disputes:

Venue for all legal actions shall lie in the District Court in and for City and County of Denver, State of Colorado, and shall be governed by the laws of the State of Colorado as well as the Charter and Revised Municipal Code, rules, regulations, Executive Orders, and fiscal rules of City. All disputes shall be resolved by administrative hearing, pursuant to the procedure established by D.R.M.C. § 56-106. Director of Purchasing shall render the final determination.

17. Assignment/No Third Party Beneficiary:

Vendor shall not assign or subcontract any of its rights or obligations under this Master Purchase Order without the written consent of the Executive Director of General Services or his/her delegate. In the event City permits an assignment or subcontract, Vendor shall continue to be liable under this Master Purchase Order and any permitted assignee or subcontractor shall be bound by the terms and conditions contained herein. This Master Purchase Order is intended solely for the benefit of City and Vendor with no third-party beneficiaries.

18. Notice:

Notices shall be made by Vendor to the Director of Purchasing and by City to Vendor at the addresses provided herein, in writing sent registered, return receipt requested.

19. Compliance With Laws:

Vendor shall observe and comply with all federal, state, county, city, and other laws, codes, ordinances, rules, regulations, and executive orders related to its performance under this Master Purchase Order. City may immediately terminate this Master Purchase Order, in whole or in part, if Vendor or an employee is convicted, pleads nolo contendere, or admits culpability to a criminal offense of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature.

20. Insurance:

Vendor agrees to secure, at or before the time of execution of this Master Purchase Order, the following insurance covering all operations, goods or services provided pursuant to this Master Purchase Order. Vendor shall keep the required insurance coverage in force at all times during the term of the Master Purchase Order, including any extension thereof, and during any warranty period. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-VIII" or better. Each policy shall require notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Master Purchase Order. Such notice shall reference the Master Purchase Order listed on the signature page of this Master Purchase Order. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, Vendor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's Master Purchase Order. Vendor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Master Purchase Order are the minimum requirements, and these requirements do not lessen or limit the liability of Vendor. Vendor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Master Purchase Order.

Vendor may not commence services or work relating to this Master Purchase Order prior to placement of coverages required under this Master Purchase Order. The City requests that the City's contract number be referenced on the certificate of insurance. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Master Purchase Order shall not act as a waiver of Vendor's breach of this Master Purchase Order or of any of the City's rights or remedies under this Master Purchase Order. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements. For Commercial General Liability, Auto Liability, and Excess Liability/Umbrella (if required), Vendor and sub-contractor's insurer(s) shall include the City and County of Denver, its elected and appointed officials,

employees and volunteers as additional insured. For all coverages required under this Master Purchase Order, Vendor's insurer shall waive subrogation rights against the City. Vendor shall confirm and document that all subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Master Purchase Order) procure and maintain coverage as approved by Vendor and appropriate to their respective primary business risks considering the nature and scope of services provided. Vendor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims. Vendor shall maintain a Commercial General Liability insurance policy with minimum limits of \$1,000,000 for each bodily injury and property damage occurrence, \$2,000,000 products and completed operations aggregate (if applicable), and \$2,000,000 policy aggregate. Vendor shall maintain Automobile Liability with minimum limits of \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Master Purchase Order.

21. Severability:

If any provision of this Master Purchase Order, except for the provisions requiring appropriation and encumbering of funds and limiting the total amount payable by City, is held to be invalid, illegal or unenforceable by a court of competent jurisdiction, the validity of the remaining portions or provisions shall not be affected if the intent of City and Vendor can be fulfilled.

22. Survival:

All terms and conditions of this Master Purchase Order which by their nature must survive termination/expiration shall so survive. Without limiting the foregoing, Vendor's insurance, warranty, and indemnity obligations shall survive for the relevant warranty or statutes of limitation period plus the time necessary to fully resolve any claims, matters or actions begun within that period.

23. No Construction Against Drafting Party:

No provision of this Master Purchase Order shall be construed against the drafter.

24. Status of Vendor/Ownership of Work Product:

Vendor is an independent contractor retained on a contractual basis to perform services for a limited period of time as described in Section 9.1.1E(x) of the Charter of City. Vendor shall cooperate with City representatives and City representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of three (3) years after the final payment under the Master Purchase Order or expiration of the applicable statute of limitations. When conducting an audit of this Master Purchase Order, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audits pursuant to this paragraph shall require Vendor to make disclosures in violation of state or federal privacy laws. Vendor shall at all times comply with D.R.M.C. 20-276.

26. Remedies/Waiver:

No remedy specified herein shall limit any other rights and remedies of City at law or in equity. No waiver of any breach shall be construed as a waiver of any other breach.

Vendor shall cooperate and comply with the provisions of Executive Order 94. Violation may result in City terminating this Master Purchase Order or barring Vendor from City facilities or from participating in City operations.

29. Conflict of Interest:

No employee of City shall have any personal or beneficial interest in the goods/services described in this Master Purchase Order; and Vendor shall not hire or contract for services any employee or officer of City which would be in violation of City's Code of Ethics, D.R.M.C. §2-51, et seq. or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

30. Advertising and Public Disclosure:

Vendor shall not include any reference to the Master Purchase Order or to services performed or goods purchased pursuant to the Master Purchase Order in any of Vendor's advertising or public relations materials without first obtaining the written approval of the Director of Purchasing.

EXHIBIT "A"

Vendor: CINTAS Corporation
 Solicitation/ Award Title: Uniform Rental & Laundering for City-wide
 Fleet Maintenance Employees
 Solicitation No. /Internal File Reference Location: 0036A

It is recommended that you use your Supplier Contract No. SC-00010021, in all future correspondence and/or other communications.

Description of the goods and services related thereto being purchased and associated pricing, this City Master Purchase Order describes the requirements of a comprehensive uniform program. The program shall consist of:

- Rental and Laundering: The City rents selected uniforms and the Supplier shall pick up and return garments weekly for cleaning and maintaining.
- Advantage Program(s): Transportation & Infrastructure (DOTI) Fleet Management and Denver Police Department Fleet Maintenance (DPDFM) reserve the right to opt in or opt out of Advantage based on perceived value.

The Supplier is to furnish, clean, press and maintain uniforms for Maintenance personnel currently located at Fleet Operations at various locations. The number of employees receiving rental/laundered uniforms is constantly changing, the employees at the various locales requiring the program are approximately 120 (refer to list below).

The Supplier and the authorized and designated City uniform supervisory staff are to work together to determine which uniform method will best meet the needs of the City, the employee for which they supervise and the Supplier. It is anticipated that the noted methods identified above may be utilized at the same location.

A.1 RENTAL GARMENT PROGRAM UNIFORMS:

The uniform allotment (quantity and type of garment) is to be agreed upon by the City authorized uniform supervisory staff. The garments designated under this program are typically for maintenance and mechanic personnel who routinely soil the garments. The garments will be cleaned and pressed on a weekly basis.

A.2 LAUNDERING GARMENTS:

Garment laundering is part of the rental program, the garments cleaned by the Supplier are subject to being replaced under the selected Advantage Program, and part of the rental agreement. The charges for garments identified as being part of this program are to be a weekly charge. Garments that are identified as such are to be replaced when deemed necessary by the City uniform supervisory staff. It is anticipated these garments should only be replaced once per year under the annual replacement requirement, but may be replaced more often due to need as determined by the City.

A.3 DELIVERY:

Transportation & Infrastructure (DOTI) Fleet Management and Denver Police Department Fleet Maintenance (DPDFM) require that the Supplier designate a minimum of one (1) day for pick-up delivery per week. Delivery is to occur on a predetermined day. If the Supplier fails to deliver all of the required uniforms on the regular delivery day, they will make a special delivery of any missing uniforms no later than the next business day after the regularly scheduled delivery day. For those weeks in which the pick-up/delivery day occurs on an official City holiday, arrangements are to be made for deliveries to occur the day before the holiday or on a pre-approved date. When garments are delivered for employees, garments are to be hung on hangers. Supplier is to hang the appropriate garment in the assigned locker slot. The Supplier will be responsible for pick-up of excess wire hangers at all sites for recycling through their firm.

A.4 SERVICE LEVEL:

The acceptable level of service for this contract will be a 95% performance of each delivery and invoicing to each department. Satisfactory performance will include no shortages, loss/damage replacements, clean and pressed uniforms, etc. All incidents of unsatisfactory service will be addressed by the supervisor responsible for the section of employees. The service will be measured by the duration it takes the Supplier to correct the issue and the number of times the incident continues to occur. This will be measured in the Supplier Performance Management Program.

A.5 LOCKERS:

The lockers are to be provided at NO EXPENSE to the City. Locker maintenance and repairs are to be performed by the Supplier's representative. If the damage or reason for repair is the result of City abuse the City may be liable for the repair charges. Lockers are not to be provided for employees that are part of the Garment Management Program.

The Supplier is to supply approximately 125 lockers for TRANSPORTATION & INFRASTRUCTURE (DOTI) FLEET MANAGEMENT and DPDFM into which the clean uniforms are to be hung. These lockers are to be placed in a restricted area and are to look professional at all times. Lockers will need to be provided for Transportation & Infrastructure (DOTI) Fleet Management and Denver Police Department Fleet Maintenance at multiple locations (listed below).

Due to the finite space available for the lockers the City has developed these specifications for the lockers. The banks of lockers are to be comprised of eight (8) individual "lockers" that are to be no less than 39" high X 6" wide. The locker shall allow the employee to hang his/her own combination locking mechanism from the front, but the Supplier and authorized TRANSPORTATION & INFRASTRUCTURE (DOTI) FLEET MANAGEMENT officials shall have the key (s) to allow for back entrance.

The lockers that are currently supplied are 7' high by 21" deep and 26" wide, are front opening and have combination locks (no keys to get lost), 8 units per locker. This is preferred type as there is no room available for rear access of the locker. Transportation & Infrastructure (DOTI) Fleet Management Fleet Maintenance (TRANSPORTATION & INFRASTRUCTURE (DOTI) FLEET MANAGEMENT) group requires approximately six (6) banks of lockers at 5440 Roslyn Building C Door 6 and Building D, and five (5) banks of lockers at Central Platte Facility 2000 W. 3rd Ave. for uniforms. The Denver Police Department Fleet Maintenance (DPDFM) group will require up to four (4) banks of lockers at 5440 Roslyn Building A, and up to two (2) banks of lockers at the Police Service Center at 2100 31st Street. Lockers for the other listed sites will be determined in coordination with the authorized City uniform supervisor. Parks and Recreation co-locates 5 technicians at the Huron location. Explanation of Advantage Program Costs:

Uniform Advantage*: This covers any damage to the garments. Traditionally, if a garment is damaged past standard wear and tear the customer would have to pay a replacement cost. This advantage cost added to the garment provides consistent week to week billing.

Prep Advantage*: This covers the set-up cost of new employees. Traditionally, when an employee is started there is cost/labor that goes into setting up the garments. This advantage cost added to the garment also provides consistent week to week billing because there will not be a spike when a new employee is started.

Emblem Advantage*: This covers the set-up cost of emblems when a new shirt/jacket is started (whether a size change, replacement, or new hire). This also provides consistent week to week billing which allows easier budgeting and forecast of costs.

*** The **Advantages** are not a requirement for the program, but a significant decrease in annual costs can be achieved by choosing to participate in the advantage. The Advantages can be cancelled by written request of the City's authorized uniform supervisor if they are not deemed valuable.
