**ARTICLE IV
USE OF PROCEEDS**

27 **Section 401. Disposition of Proceeds.** The proceeds of the Interim Note, upon receipt
28 thereof, shall be deposited in the following accounts and applied for purposes thereof:

29 A. **Interim Note Cost of Issuance Account.** First, to the Project Fund to a
30 special and separate subaccount hereby created therein and designated as the "City
31 and County of Denver, Colorado, for and on behalf of its Department of Aviation, Interim

1 Note Cost of Issuance Account" (the " Interim Note Cost of Issuance Account"), such
2 amount as the Treasurer determines to be necessary for the payment of the Costs of
3 the incurrence of the Interim Note Subordinate Obligation, the issuance of the Interim
4 Note, and the execution and delivery of the Note Purchase Agreement.

5 B. Approved Project Account. Second, to the Project Fund in amounts
6 determined by the Treasurer for credit to the special and separate subaccount hereby
7 created therein and designated as the "City and County of Denver, Colorado, for and on
8 behalf of its Department of Aviation, Interim Note Project Account" (the "Interim Note
9 Project Account") for the payment of Costs of Approved Projects determined by Bond
10 Counsel to be eligible to be paid from proceeds of the Interim Note.

11 **Section 402. Other Transfers.** Notwithstanding the provisions of Section 401 hereof,
12 the Treasurer is authorized to supplement and amend the application of proceeds of the
13 Interim Note provided in Section 401 and create additional accounts and subaccounts all in a
14 manner consistent with the objectives of this Supplemental Subordinate Ordinance and not
15 inconsistent with the General Subordinate Bond Ordinance.

16 **ARTICLE V**
17 **MISCELLANEOUS**

18 **Section 501. Tax Covenants.** In furtherance of Section 1013 of the General
19 Subordinate Bond Ordinance, the City, for and on behalf of the Department, represents and
20 specifically agrees as follows:

21 A. General Covenants. (1) The City hereby covenants that it shall not
22 (i) make any use of the proceeds of the Interim Note, any funds reasonably expected to
23 be used to pay the principal of or interest on the Interim Note, or any other funds of the
24 City; or (ii) take (or omit to take) any other action with respect to the Interim Note, the
25 proceeds thereof, or otherwise, if such use, action or omission would, under the Tax
26 Code, cause the interest on the Interim Note to be included in gross income for federal
27 income tax purposes.

28 (2) In particular, without limitation, the City hereby covenants that it shall not
29 take (or omit to take) or permit or suffer any action to be taken if the result of the same

1 causes the Interim Note to be "arbitrage bonds" within the meaning of § 148 of the Tax
2 Code.

3 B. Rebate. (1) Except as otherwise expressly provided therein, the City shall
4 pay to the United States in accordance with the requirements of § 148(f) of the Tax
5 Code an amount equal to the sum of (i) the excess of the amount earned on all
6 nonpurpose investments allocable to the Interim Note (other than investments
7 attributable to such excess) over the amount that would have been earned if such
8 nonpurpose investments were invested at a rate equal to the yield on the Interim Note,
9 plus (ii) any income attributable to such excess.

10 (2) The City shall maintain within the Airport System Fund a special and
11 separate account hereby created and to be known as the "City and County of Denver,
12 Colorado, for and on behalf of its Department of Aviation, Interim Note Rebate Fund"
13 (the "Interim Note Rebate Fund"). The City shall maintain within the Interim Note
14 Rebate Fund such subaccounts as may be necessary, and the City shall deposit to the
15 credit of, and make disbursements to the United States and otherwise from, the Note
16 Purchase Agreement Rebate Fund such amounts, at such times, as shall be necessary
17 hereunder.

18 (3) Any amounts so deposited to the credit of the Note Purchase Agreement
19 Rebate Fund shall be derived from the Net Revenues of the Airport System or from
20 such other legally available sources as the City may determine; provided, however, that
21 the accumulation and application of Net Revenues for such purpose shall be
22 subordinate in priority to payment of principal of and interest on, when due, the Interim
23 Note.

24 (4) Notwithstanding any provision of this Section 501B, if the Treasurer shall
25 obtain an opinion of an attorney or firm of attorneys whose experience in matters
26 relating to the issuance of obligations by states and their political subdivisions is
27 nationally recognized that any action required under this Section 501B is no longer
28 required or that some further action is required to maintain the exclusion from federal
29 income tax of interest on the Interim Note, the City may rely conclusively on such
30 opinion in complying with the requirements of this Section 501B, and the covenants
31 contained herein shall be deemed to be modified to that extent.

1 C. Tax Certificate. The Treasurer is hereby authorized to execute one or
2 more tax certificates on behalf of the City in implementation of the covenants and
3 agreements set forth in this Section 501, or to make any election permitted by the Tax
4 Code and determined by the Treasurer to be to the advantage of the City; and the
5 representations, agreements, and elections set forth therein shall be deemed the
6 representations, agreements, and elections of the City, as if the same were set forth
7 herein.

8 **Section 502.** Preservation of Enterprise Status. The City hereby covenants that it shall
9 not take (or omit to take) any action with respect to the Department that would cause the
10 Department to lose its status as an "enterprise" within the meaning of Section 20, Article X,
11 State Constitution.

12 **Section 503.** Applicability of General Subordinate Bond Ordinance. Except as
13 otherwise provided herein, the provisions of the General Subordinate Bond Ordinance govern
14 the Interim Note Subordinate Obligation, the Interim Note, the Approved Projects, and the Note
15 Purchase Agreement. The rights, undertakings, covenants, agreements, obligations,
16 warranties, and representations of the City with respect to Subordinate Obligations set forth in
17 the General Subordinate Bond Ordinance shall in respect of the Interim Note Subordinate
18 Obligation be deemed the rights, undertakings, covenants, agreements, obligations, warranties,
19 and representations of the City for and on behalf of the Department.
