Focused Data Insights

OVERALL COUNTS:

- Since January 2024, **303 people** have received Intensive Case Management (ICM), services, or both through Roads to Recovery.
- 77% received ICM, 79% received services, 55% received both.
- Clients fell into these groups non-randomly, which makes statistical evaluation challenging.

Focused Data Insights

JAIL/BOOKINGS:

- Across all groups, both **bookings and jail days have decreased**, a trend which is **consistent across the Roads to Recovery population**.
- Bookings per person per year decreased by 2.2 bookings after Roads enrollment.
- Jail days per person per year decreased by 30 days after enrollment.
- Average days between bookings have increased by 83 days after enrollment.
- **27% of Roads clients still haven't been in jail since enrolling in Roads—this subset had an average of 83 days in jail per year before Roads.**

Focused Data Insights

HOUSING & SHELTERING:

- At the time of Roads CM intake, **48% were unsheltered and 21% were incarcerated.**
- At the most recent CM contact, **61% were indoors and 18% were in residential treatment.**
- Over 40% of Roads clients' days indoors were at AIMH sites.

Focused Data Insights

SERVICES:

- Roads to Recovery has worked with over 80 service providers to make **420 service connections**.
- WellPower, Hazelbrook, Ananeo, and Denver Health are among our most frequent providers of services, all with more than 20 service connections each.
- We have found lots of success working with smaller organizations serving fewer people. 62 providers have worked with <4 clients.
- **96 people have been connected to multiple services, and almost all of those were ICM clients.**

AIMH Site Service Delivery Updates

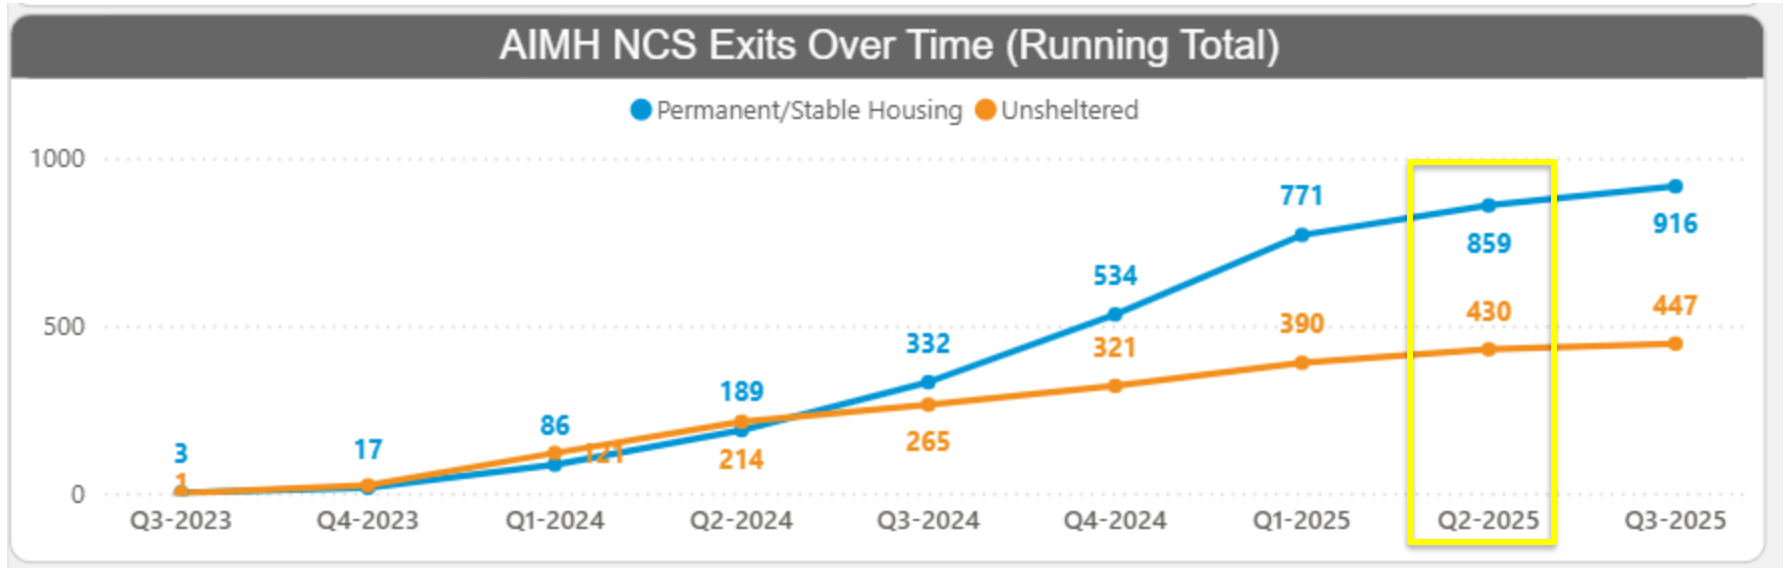

Inter-agency coordination

The following agencies are working within a coordinated Homelessness Response System focused on connecting people from the streets to shelter, housing, and long-term services to end the cycle of street homelessness in Denver.

Service Type	Housing	Health	Employment / Income	Real Estate	Site Support	Public Safety
Lead City Agency	HOST	DDPHE	DEDO	DOF	GS	DOS Agencies
Core Services	Outreach Shelter Ops Intake/ Referrals Navigation Stabilization	Case Mgmt; Behavioral Health; MAT/ MOUD; Physical Health; Dental Health	Employment Coaching and Workforce Training targeted to those placed in RRH through CTI	Leases (leased and owned)	Repair, maintenance, security	Priority response

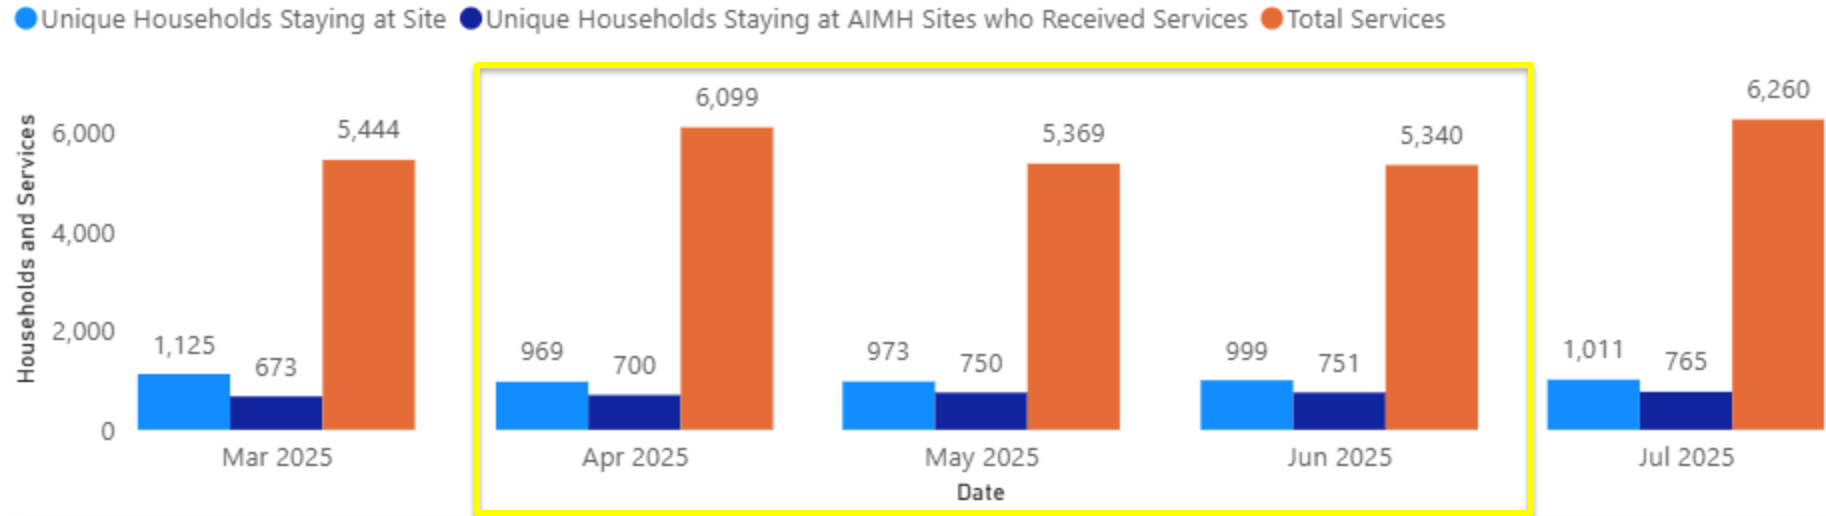

AIMH Sites Housing Exits by Quarter

Exits to Housing continue to outpace exits to the streets.

AIMH NCS Service Delivery Data

Households Staying at AIMH Sites with # of Services Provided

Average Length of Stay by site ranges from 117 days to 257 days.

DDPHE: Behavioral Health Service Updates

Process Improvements

Developed virtual “intake” form for CMs at the sites to get people into services with CCH

Space Upgrades

Deployed a consultation and waiting room for CCH at The Aspen

Staffing Efficiencies

Working on staffing plan with CCH to address client needs at other AIMH locations

Data Collection

Regular service delivery data is available, detailed de-identifiable data sharing is in progress without a needed data sharing agreement, will pursue agreement if identifiable data becomes necessary

Denver Workforce Development Programs and Services

Denver Workforce Development serves as a free, comprehensive employment and training resource for jobseekers and employers throughout Denver. Along with a strong collaboration with contractors, DWS connects jobseekers with needed skills to secure sustainable employment, and connects employers with a trained and ready workforce.

For example, in 2024 alone, Denver Workforce Development:

- Served **20,252 jobseekers**
- Provided staff-assisted **services to 7,557**
- Served **1,040 employers**
- Posted **162,442 jobs**
- Held **424** recruitment/connection events
- Managed **\$17M+** in workforce development contracts (**24 unique providers**, many of whom are deeply embedded in the Denver community).
 - For example: Denver Public Schools; Urban Peak; Centro De Los Trabajadores ;African American Trade Association ;Construction Education Foundation; Collaborative Healing Initiatives Within Communities; Mile High Youth Corps; Second Chance Center; Work Options; Jewish Family Services; Prodigy Ventures; Servicios de La Raza; Mi Casa Resource Centers; Denver Housing Authority; Center for Employment Opportunities; Gang Reduction Initiative of Denver; Activate Work; Cross Purpose

Anyone in Denver can access our programs, and can call, click, or come in. While our programs serve everyone, **we place additional emphasis on serving people with disabilities, youth, older adults, veterans, newcomers, and people experiencing homelessness.**

As a reminder, [please watch this Denver Workforce Development Overview presentation from November 2024 provided to Councilmembers at the Business, Arts, Workforce, Climate & Aviation Services Committee.](#)

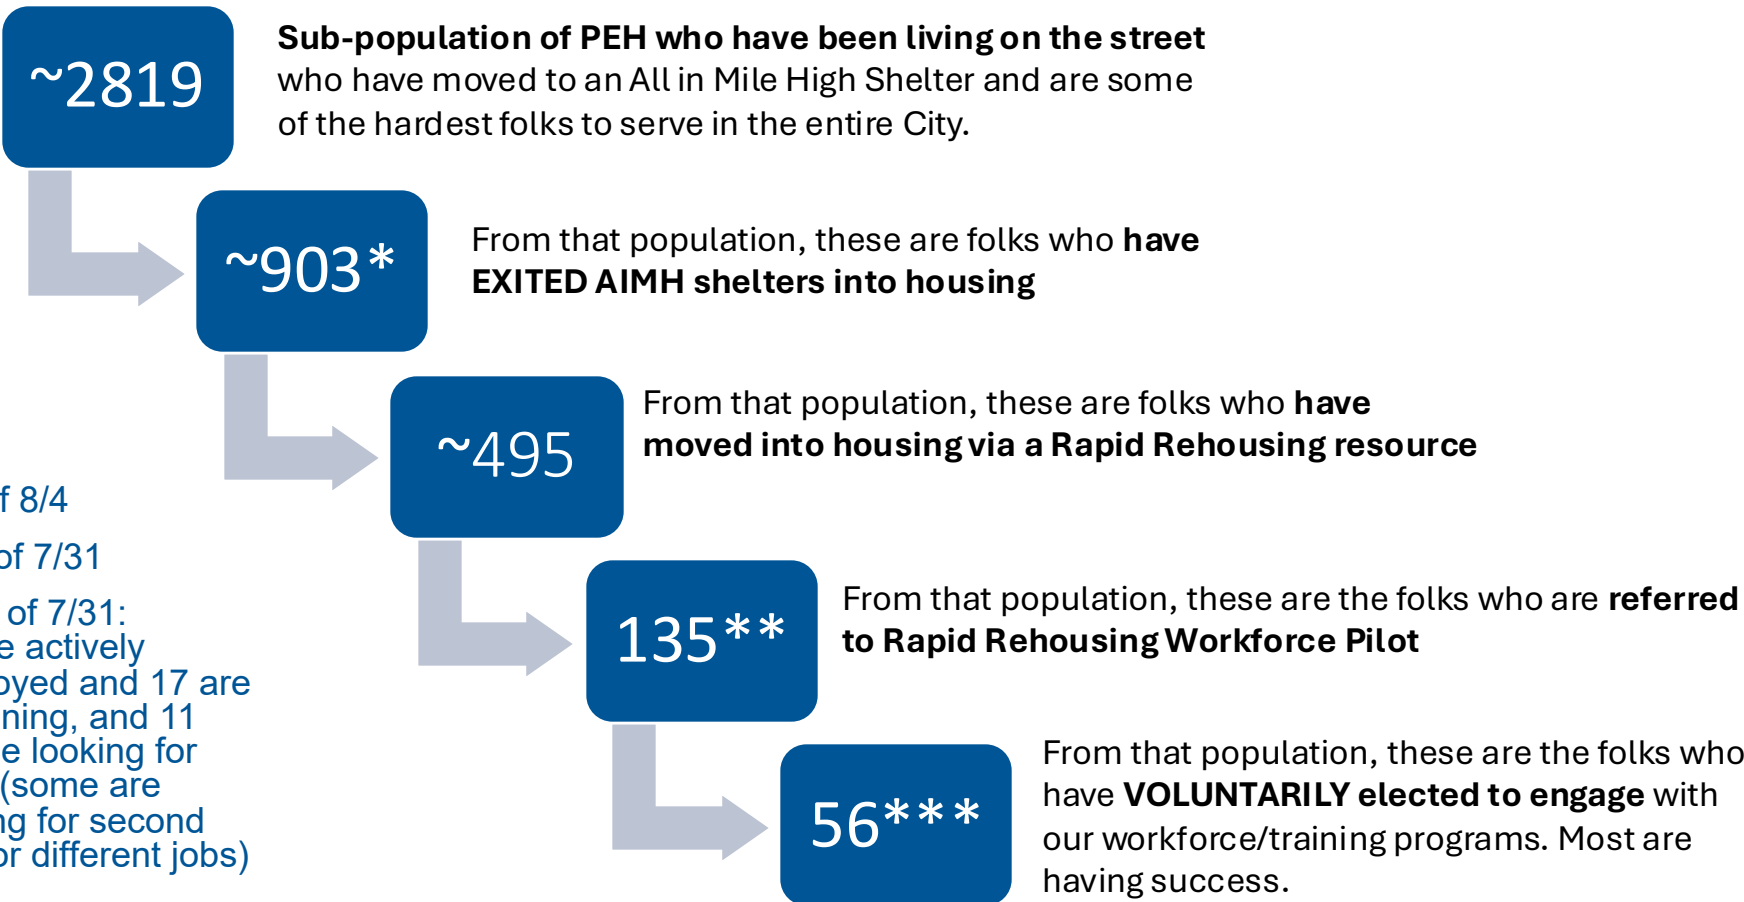

Rapid Rehousing Workforce Pilot (AIMH Specific)

- I. This pilot began on 1/1/25 and is **serving people who have exited All in Mile High Shelters, who are living in a rapid rehousing unit, and who have been referred to DEDO for workforce services**
- II. Once referred, participants who want to voluntarily participate are triaged based on their desire for **training and employment or solely employment.**
 - I. Participants who are **interested in training** either receive a Workforce Innovation and Opportunity Act (WIOA) referral, a referral to a contracted partner or a nonprofit providing the type of training they are interested in
 - II. Examples: High School Diploma/GED, Construction Apprenticeships, digital skills training, Forklift, Arborist
- I. **Participants who would like to go straight to employment** receive *1:1 Coaching*
 - I. Participants have access to one-on-one career coaching sessions and support from the Denver Workforce Centers after training to help them transition smoothly into employment
 - I. Resume review/development, Career coaching, understanding the job search process, Skills assessment, Interview skills, Job search support, Application support, Education on training opportunities and Registered Apprenticeship Programs, Transportation assistance, Resources to reduce barriers, Navigating the job search process with a background
 - II. Examples: Security, Warehouse, U-Haul, Denver Parks and Rec, United Airlines, Bayaud, Home Depot, Walgreens, Day Labor, Restaurants

Data: Rapid Rehousing Workforce Pilot

Please consider that we are serving a sub-population of a sub-population:

*As of 8/4

**As of 7/31

***As of 7/31:
31 are actively employed and 17 are in training, and 11 people looking for work (some are looking for second jobs or different jobs)

Appendix

Key Evolutions for Addressing Street Homelessness in 2025

- Initial focus on Large Encampments evolving to a focus on real time coordination of street engagement services to meet the needs of individuals on the streets;
- Focus on evaluating individuals arriving at AIM sites and charting pathways for their successful exit;
- Enhanced housing, behavioral health, and workforce service delivery through our shelter sites;
- Moving investments from short term shelters towards permanent housing resources
