**6. General description/background of proposed ordinance including contract scope of work if applicable:**

Under the direct supervision of the Mayor's Office of the National Western Center (NWCO) or affiliated organization charged with overseeing the National Western Center project, SII proposes to provide continued Portfolio Integration Management services for the NWC campus development. In this capacity, given SII's extensive understanding of the NWC master plan and RTA application program components, SII will work closely with City personnel and project leadership to develop multi-year high-level strategies. These services are complementary to the program management team, including possible policy issues that City leadership and its NWC project partners will have to address for the phased redevelopment of the NWC campus.
