

PERMIT REVOCATION APPLICATION

FOR ENCROACHMENTS & ENCUMBRANCES IN THE PUBLIC RIGHT-OF-WAY

If an Encroachment Permittee desires to remove an Encroachment and cancel the associated Encroachment Permit, the Permittee shall first obtain applicable permits and remove the Encroachment and restore the public Right-of-Way (ROW) to the same, or improved, condition as before the Encroachment was installed to the satisfaction of Department of Transportation and Infrastructure (DOTI). After DOTI confirms the Encroachment is removed and the ROW restored, the Encroachment Permit Revocation will be processed. Encroachment Permit Revocations will be approved by either DOTI or City Council in the same way the Encroachment Permit was originally approved. Questions on this application or the process can be sent to DOTI.ER@denvergov.org.
