At their own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the Consultant will procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

**5.09 Defense and Indemnification:**

- (a) Consultant hereby agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement (“Claims”), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Consultant or its subcontractors either passive or active, irrespective of fault, including City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.
- (b) Consultant’s duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. - (c) Consultant will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. The Consultant shall obtain, at its own expense, any additional insurance that it deems necessary for the City’s protection.
- (e) This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

- (b) The Consultant shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Consultant represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would

affect the judgment, actions or work of the Consultant by placing the Consultant's own interests, or the interests of any party with whom the Consultant has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement if it determines a conflict exists, after it has given the Consultant written notice describing the conflict.

  - (5) If it obtains actual knowledge that a subconsultant or subcontractor performing work under the Agreement knowingly employs or contracts with an illegal alien, it will notify such subconsultant or subcontractor and the City within three (3) days. The Consultant will also then terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with the illegal alien, unless during such three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with an illegal alien.

Without limiting the generality of this provision, the Consultant's obligations to provide insurance and to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

**5.25 Advertising and Public Disclosure.** The Consultant shall not include any reference to the Agreement or to services performed pursuant to the Agreement in any of the Consultant’s advertising or public relations materials without first obtaining the written approval of the Executive Director. ## CHARLIE TUCKER, LSI / RAILROAD LIAISON

Mr. Tucker is a highly skilled surveyor and railroad specialist, possessing 37 years of experience. Charlie specializes in railroad surveying and records research. If it exists, Charlie can find it. His research has uncovered numerous errors in surveys and boundary lines, which have helped public and private entities properly establish their ownership. Clients often utilize Charlie to find evidence that protects the public's interest. Railroad companies regularly seek his expertise to establish their corridors, which can require researching long-time abandoned lines and century-old records. Charlie served as office engineer, field engineer and roadmaster for BNSF predecessor Santa Fe Railway for many years and was roadmaster for AT & SF when the RTD LRT southwest corridor was designed and built. He understands railroad lease and contract along with the permitting and approval process which is not the mystery that many make it out to be. He teaches railroad fundamentals to other professionals.

If you are negotiating with a railroad, or are constructing near a railroad, you want Charlie on your team. He can perform research that no one else can get to and he also knows all the ins and outs of ownership tracking and allowable activities. Charlie helps in the safety training of all of our staff and serves on multiple AREMA committees.
