6. **General description of proposed ordinance including contract scope of work if applicable:**

The Office of Emergency Management and Homeland Security (OEMHS), in consultation with Denver Health and Hospital Authority, seeks to transfer ownership and responsibility of three 24ft medical surge supply trailers to DHHA, Rural Metro Fire, and Englewood Fire Department. These trailers and supplies were purchased by the Colorado Department of Public Health and Environment (CDPHE) for regional medical response in 2006 and have been owned and maintained by OEMHS since that time. However, recent changes to Denver metro area medical response plans have led to a consensus among regional emergency management, medical, and public health agencies that dispersal of these trailers throughout the metro area is better aligned with current medical response strategies. OEMHS, DHHA, and CDPHE all support the ownership transfer of these trailers from the City and County of Denver to the aforementioned regional partner agencies.

*****Please complete the following fields: (Incomplete fields may result in a delay in processing. If a field is not applicable, please enter N/A for that field – please do not leave blank.)***

a. **Contract Control Number:** N/A

b. **Duration:** N/A

c. **Location:** N/A

d. **Affected Council District:** N/A

e. **Benefits:** Will increase flexibility of emergency medical supply deployment in Denver metro area by spreading the supplies and trailers to the north and south of Denver, as well as keeping one of the trailers based in Denver with DHHA. Additionally, this will save the City the cost of maintaining these trailers.

f. **Costs:** No cost

7. **Is there any controversy surrounding this ordinance? (Groups or individuals who may have concerns about it?) Please explain.**

SIRE Tracking Number: _____

Date Entered: _____

No. This transferring of ownership of these trailers is keeping with the spirit of the original granting of the trailers by the Colorado Department of Public Health and Environment, which was to expand regional medical surge capacity. CDPHE has given their blessing to OEMHS in donating the trailers to partner agencies.
