

SUBAWARD AGREEMENT HOPWA

THIS SUBAWARD AGREEMENT (“Agreement”) is made between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (the “City”) and **VIVENT HEALTH, INC.**, a foreign nonprofit corporation whose address is 648 North Plankinton Av Ste 200, STE 200, Milwaukee, WI 53203 (the “Subrecipient”), individually a “Party” and jointly the “Parties.”

RECITALS

WHEREAS, the City desires to provide funding to the Contractor for the Contractor to provide Short Term Rent, Mortgage, and Utility Assistance and Supportive Services to low-income individuals and families affected by HIV/AIDS; and

WHEREAS, the Contractor is ready, willing and able to provide such services.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties incorporate the recitals set forth above and agree as follows:

1. **COORDINATION AND LIAISON**: The Subrecipient shall fully coordinate all services under the Agreement with the Executive Director (“Director”) of the Department of Housing Stability (“Agency” or “HOST”) or the Director’s designee.
2. **GRANT AWARD**: This Agreement is funded by, subject to, and entered into pursuant to the AIDS Housing Opportunity Act, codified, as amended, at 42 U.S.C. §§ 12901-12912 and is subject to the applicable annual appropriations act; and all applicable federal laws, regulations, and policies, and any special conditions attached hereto and incorporated herein. The Subrecipient agrees that it shall be bound by the terms and conditions of the grant agreement between the funding entity and the City, attached hereto and incorporated herein as **Exhibit C**, and such other rules, regulations, or requirements as the United States Department of Housing and Urban Development (“HUD”) may reasonably impose. The Subrecipient acknowledges and agrees that this Agreement is contingent upon an allocation and receipt of Program funds from HUD and the authorization given to the City to use a portion of its allocation in the amount set forth in this Agreement to reimburse the Subrecipient for the provision of its services under this Agreement. The Subrecipient’s failure to perform, as required, may, in addition to other remedies set forth in this Agreement, result in readjustment of the amount of funds the City is otherwise obligated to pay to the Subrecipient pursuant to the terms hereof.
3. **SERVICES TO BE PERFORMED**: As the Director directs, the Subrecipient shall diligently undertake, perform, and complete all of the services and produce all the deliverables set forth in **Exhibit A**, Scope of Work, to the City’s satisfaction. The Subrecipient is ready, willing, and able to provide the services required by this Agreement. The Subrecipient shall faithfully perform the services in accordance with the standards of care, skill, training, diligence, and judgment provided by highly competent individuals performing services of a similar nature to those described in the Agreement and in accordance with the terms of the Agreement. The Subrecipient agrees to follow the City’s referral policies, including adherence to rules addressing services to clients who are denied due to ineligibility. All records, data, specifications, and documentation prepared by the Subrecipient under this Agreement, when delivered to and accepted by the Director, shall become the property of the City.
4. **TERM**: The Agreement will commence on January 1, 2023 and will expire, unless sooner terminated, on December 31, 2023 (the “Term”). Subject to the Director’s prior written authorization, the Subrecipient shall complete any work in progress as of the expiration date and the Term will extend until the work is completed or earlier terminated by the Director.

5. COMPENSATION AND PAYMENT

- 5.1. Budget:** The City shall pay, and the Subrecipient shall accept as the sole compensation for services rendered and costs incurred and paid under the Agreement payment not to exceed the line budget amounts set forth in **Exhibit A**. The Subrecipient certifies the budget line items in **Exhibit A** contain reasonable allowable direct costs and allocable indirect costs in accordance with 2 C.F.R. 200, Subpart E. The City shall not allow claims for services furnished by the Subrecipient that are not specifically authorized by this Agreement.
- 5.2. Reimbursable Expenses:** There are no reimbursable expenses allowed under the Agreement. All the Subrecipient's expenses are contained in the budget in **Exhibit A**. The City is not obligated to pay the Subrecipient for any other fees, costs, expenses, or charges of any nature that may be incurred and paid by the Subrecipient in performing services under this Agreement including but not limited to personnel, benefits, contract labor, overhead, administrative costs, operating costs, supplies, equipment, and out-of-pocket expenses.
- 5.3. Invoicing:** The Subrecipient shall provide the City with a monthly invoice in a format and with a level of detail acceptable to the City. Invoices shall be accompanied by documentation of expenses for which reimbursement is sought as well as other supporting documentation required by the City. The City's Prompt Payment Ordinance, §§ 20-107 to 20-118, D.R.M.C., applies to invoicing and payment under this Agreement. Funds will be disbursed in appropriate monthly increments, upon receipt and approval of Subrecipient's monthly invoices and any City required budget documents or reports. The Subrecipient's invoices will include all appropriate supporting documentation that may be pertinent to the services performed or expenses incurred and paid under this Agreement. The Subrecipient's invoices must identify costs and expenses incurred and paid in accordance with the budget contained in **Exhibit A**. Funds payable by the City hereunder shall be distributed to the Subrecipient on a reimbursement basis only for work performed and expenses incurred and paid during the prior month. Invoices submitted for payment must be received by the Agency as detailed in the attached **Exhibit A** or as directed. Invoices submitted for services rendered that are submitted after such deadline are untimely and must be submitted separately to be considered for payment. Payment for such late-submitted invoices shall be made only upon a showing of good cause for the late submission.
- 5.4. Timesheets:** If applicable, timesheets must reflect the amount of time, as directed by the City, attributable to each activity performed under this Agreement. The Subrecipient must not allocate costs billed to this Agreement to another federal award unless the City notifies the Subrecipient in writing that the City has shifted costs that are allowable under two or more federal awards in accordance with existing federal statutes, regulations, or the terms and conditions of an applicable federal award. Each invoice requesting payment under this Agreement will contain all necessary attestations as directed by the City.
- 5.5. Maximum Contract Amount**
- 5.5.1.** Notwithstanding any other provision of the Agreement, the City's maximum payment obligation will not exceed ONE MILLION ONE HUNDRED AND SIXTY-FIVE HUNDRED THOUSAND ONE HUNDRED AND SIXTY DOLLARS (\$1,165,160.00) (the "Maximum Contract Amount"). The City is not obligated to execute an Agreement or any amendments for any further services, including any services performed by the Subrecipient beyond that specifically described in **Exhibit A**. Any services performed beyond those in **Exhibit A** or performed outside the Term are performed at the Subrecipient's risk and without authorization under the Agreement.
- 5.5.2.** The City's payment obligation, whether direct or contingent, extends only to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of the Agreement. The City does not by this Agreement

irrevocably pledge present cash reserves for payment or performance in future fiscal years. The Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

6. PROGRAM RESTRICTIONS

- 6.1. Funding Contingency:** If federal funds or non-City funds constitute all or some of the funding under this Agreement, the City's obligation to pay the Subrecipient shall be contingent upon such non-City funding continuing to be made available for payment. Payments to be made pursuant to this Agreement shall be made only from non-City grant funds, and the City's liability for such payments shall be limited to the amount remaining of such grant funds. If state, federal, or other funds are not appropriated, or otherwise become unavailable to fund this Agreement, the City may, upon written notice, terminate this Agreement, in whole or in part, without incurring further liability. The City will, however, pay for services and goods that are delivered and accepted prior to the effective date of notice of termination, and this termination shall otherwise be treated as if this Agreement were terminated in the public interest.
- 6.2. Recovery of Incorrect Payments:** If, because of any audit or program review relating to the performance of the Subrecipient or its officers, agents or employees under this Agreement, there are any irregularities or deficiencies in any audit or review, then the Subrecipient will, upon notice from the City, correct all identified irregularities or deficiencies within the time frames designated in the City's written notice. If corrections are not made by such date, then the final resolution of identified deficiencies or disputes shall be deemed to be resolved in the City's favor unless the Subrecipient obtains a resolution in its favor from the responsible official conducting the audit or review. In any event, the Subrecipient shall be responsible to indemnify and save harmless the City, its officers, agents and employees, from and against all disallowed costs. The foregoing in no way limits the Subrecipient's obligation to reimburse the City for any costs or expenses paid under this Agreement that have been determined to be unallowable or disallowed by the federal government of the United States, the State of Colorado, or the City in accordance with applicable federal laws, state, and local laws. The closeout of a federal award does not affect the right of the federal agency, the State of Colorado, or the City to disallow costs and recover funds because of a later audit or other review.
- 6.3. Matching Funds:** As may be required by federal, state, or local law, the Subrecipient shall provide eligible matching funds or in-kind contributions as provided in **Exhibit A**. Prior to using federal funds as a source of matching funds, the Subrecipient shall require approval from the City and the applicable awarding agency. The Subrecipient shall report in writing to the City all contributions to be applied toward any non-federal match required under this Agreement ("Match Report(s)"). Match Reports shall be submitted every four (4) months from the Term start date and attached to that month's invoice. The Subrecipient shall be responsible for documenting and maintaining accurate records to the reasonable satisfaction of the City and provide documentation that supports the match consistent with the federal guidelines found in 24 C.F.R. 578, *et seq.* Such contributions shall be recorded on a Match Report and submitted to the City and shall be available along with back up documentation for review at the request of the City. Match Reports shall list all contributions provided by the Subrecipient toward the match requirement and shall list the total amount of contributions made as of the date of the Match Report. The City reserves the right to withhold, adjust and/or reallocate final payments under this Agreement if it determines that the required match is not being met to the City's satisfaction or the current spending is inconsistent with amounts of non-federal match contributions. The Subrecipient's Match Report shall be certified to be correct by an authorized representative of the Subrecipient and shall reference the Agreement number as designated below on the City's signature page.

- 6.4. Closeout Procedures:** The Subrecipient shall comply with all contract closeout procedures directed by the City under this Agreement for final reimbursement, including but not limited to final review of payments, invoices, referrals, and required reporting documents, including closeout signature. To complete closeout, the Subrecipient shall timely provide the City with all deliverables, including documentation, and the Subrecipient final reimbursement request or invoice.
- 6.5. Client Records:** The use or disclosure by any party of any information concerning a client for any purpose not directly connected with the administration of the applicable award or this Agreement is prohibited except upon written consent of the client, their attorney, or guardian.
- 6.6. Pass-Through Provisions Required:** If the Subrecipient enters into any subcontracts or subgrants with other individuals or entities and pays those individuals or entities for such goods or services with federal or state funds, the Subrecipient shall include provisions in its subcontracts regarding the federal and state laws identified or referenced in this Agreement. The Subrecipient retains full responsibility for complying with the terms of this Agreement, whether the services are provided directly or by a third party, and for including all relevant terms in its subcontracts.
- 6.7. Grievance Policy:** The Parties desire to ensure that clients are being adequately informed over pending actions concerning their continued participation in the program or activity provided by the Subrecipient. Also, clients must be allowed adequate opportunity to communicate dissatisfaction with the facilities or services offered by the Subrecipient. To satisfy this requirement, the Subrecipient agrees to provide a written “Grievance Policy” as a mechanism to provide opportunities for the City and its clients to meaningfully communicate problems, dissatisfaction, and concerns and to establish procedures for resolution of grievances. The policy must be communicated to clients upon their initial receipt of services. The Subrecipient agrees that a formal “Grievance Policy” will be adopted by its governing body and submitted to the Director for approval at the City’s discretion on or before the commencement of the term of this Agreement. Failure to provide an acceptable Grievance Policy shall constitute a material breach of this Agreement.
- 6.8. Obligations Pursuant to The Applicant Verification Statute:** This Agreement is subject to C.R.S. § 24-76.5-101 and any rules adopted pursuant thereto (together the “Applicant Verification Statute”). As required by law, the Parties will cooperate to verify the lawful presence in the United States, of each natural person eighteen (18) years of age or older (the “Applicant”), who applies for federal, state or local public benefits conferred pursuant to this Agreement. This section shall be enforced without regard to race, religion, gender, ethnicity, or national origin. Verification of lawful presence in the United States is not required for any purpose for which lawful presence in the United States is not required by law, ordinance, or rule. Any expenditure by the Subrecipient in violation of the Applicant Verification Statute, or any related federal or state laws, rules, or regulations are unauthorized expenditures subject to reimbursement.
- 6.9. Political Activity:** The Subrecipient agrees that political activities are prohibited under this Agreement and further agrees that no funds paid by the City hereunder will be used to provide transportation to polling places or to provide any other services in connection with elections or political activities.
- 6.10. Non-Discrimination:** The Subrecipient agrees to comply with all federal and state statutes relating to nondiscrimination, including but not limited to, Title VI of the Civil Rights Act of 1964, Pub. L. 88-352, which prohibits discrimination on the basis of race, color or national origin; Title IX of the Education Amendments of 1972, 20 U.S.C. §§ 1681-1683 and 1685- 1686, which prohibits discrimination on the basis of sex; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps and the Americans with Disabilities Act of 1990; the Age Discrimination Act of 1974, 42 U.S.C. §§ 6101-6107, which

prohibits discrimination on the basis of age; the Drug Abuse Office and Treatment Act of 1972, Pub. L. 92-255, relating to nondiscrimination on the basis of drug abuse; the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, Pub. L. 91-616, relating to the nondiscrimination on the basis of alcohol abuse or alcoholism; §§ 523 and 527 of the Public Health Service Act of 1912, 42 U.S.C. 290, *et seq.*, relating to confidentiality of alcohol and drug abuse patient records; Executive Order 11246; the Vietnam Era Veterans' Readjustment Assistance Act of 1974, 38 U.S.C. § 4212, relating to nondiscrimination of protected veterans; Title VIII of the Civil Rights Act of 1968, 42 U.S.C. § 3601, *et seq.*, relating to nondiscrimination in the sale, rental or financing of housing; all regulations and administrative rules established pursuant to the foregoing laws; any additional nondiscrimination provision in any specific statute applicable to any federal or state funding for this Agreement; and the requirements of any other nondiscrimination statutes which may apply.

7. **EXAMINATION OF RECORDS AND AUDITS:** Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access, and the right to examine, copy and retain copies, at City's election in paper or electronic form, any pertinent books, documents, papers and records related to the Subrecipient's performance pursuant to this Agreement, provision of any goods or services to the City, and any other transactions related to this Agreement. The Subrecipient shall cooperate with City representatives and City representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of five (5) years after the final payment under the Agreement or expiration of the applicable statute of limitations. When conducting an audit of this Agreement, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audits pursuant to this paragraph shall require the Subrecipient to make disclosures in violation of state or federal privacy laws. The Subrecipient shall at all times comply with D.R.M.C. 20-276.
8. **REPORTS:** The Subrecipient shall provide the Agency with the reports described in **Exhibit A** in such a format as may be designated by the City. Reports may be submitted electronically by disk or e-mail, followed by hard copy transmittal. In addition, the Subrecipient shall disclose, in a timely manner, in writing to the City and the federal or state awarding agency, all violations of federal or state criminal law involving fraud, bribery, or gratuity violations potentially affecting the applicable award. The City, the State of Colorado, or any relevant federal agency may impose penalties for noncompliance allowed under 2 C.F.R. Part 180, 2 C.F.R. § 200.338, and 31 U.S.C. 3321, which may include, without limitation, suspension, or debarment.
9. **PERFORMANCE MONITORING/INSPECTION:** The Subrecipient shall permit the Director to monitor and review the Subrecipient's performance under this Agreement. The Subrecipient shall make available to the City for inspection all files, records, reports, policies, minutes, materials, books, documents, papers, invoices, accounts, payrolls and other data, whether in hard copy or electronic format, used in the performance of any of the services required hereunder or relating to any matter covered by this Agreement to coordinate the performance of services by the Subrecipient in accordance with the terms of this Agreement. All such monitoring and inspection shall be performed in a manner that will not unduly interfere with the services to be provided under this Agreement. The Subrecipient agrees that the reporting and record keeping requirements specified in this Agreement are a material element of performance and that if, in the opinion of the City, the Subrecipient's record keeping practices and/or reporting to the City are not conducted in a timely and satisfactory manner, the City may withhold part or all payments under this Agreement until such deficiencies have been remedied. In the event of a withheld payment, the City agrees to notify the Subrecipient of the deficiencies that must be corrected to bring about the release of the withheld payment.

10. STATUS OF SUBRECIPIENT: The Subrecipient, as defined in 2 C.F.R. Part 200, *et seq.*, is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the Subrecipient nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever. Any reference in this Agreement to “subcontractors” shall also mean subgrantees or third parties performing hereunder.

11. TERMINATION

11.1. The City has the right to terminate the Agreement with cause upon written notice effective immediately, and without cause upon ten (10) days prior written notice to the Subrecipient. However, nothing gives the Subrecipient the right to perform services under the Agreement beyond the time when its services become unsatisfactory to the Director.

11.2. Notwithstanding the preceding paragraph, the City may terminate the Agreement if the Subrecipient or any of its officers or employees are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with the Subrecipient’s business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

11.3. The City is entering into this Agreement to serve the public interest. If this Agreement ceases to further the City’s public interest, the City, in its sole discretion, may terminate this Agreement, in whole or in part, for convenience by giving written notice to the Subrecipient.

11.4. Upon termination of the Agreement, with or without cause, the Subrecipient shall have no claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in the Agreement.

11.5. If the Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools, and facilities it owns that are in the Subrecipient’s possession, custody, or control by whatever method the City deems expedient. The Subrecipient shall deliver all documents in any form that were prepared under the Agreement and all other items, materials and documents that have been paid for by the City to the City. These documents and materials are the property of the City. The Subrecipient shall mark all copies of work product that are incomplete at the time of termination “DRAFT-INCOMPLETE.”

11.6. If the funding agreement between the City and the applicable state or federal funding entity is terminated for any reason, the total amount of compensation to be paid to the Subrecipient under this Agreement shall be reduced effective as of the date of termination of the funding agreement.

12. REMEDIES FOR NONCOMPLIANCE: If the Subrecipient does not correct an identified default within the specified timeframe, then the City may impose any or all the following remedial actions, in addition to all other remedial actions authorized by law:

12.1. Withhold any or all payments to the Subrecipient, in whole or in part, until the necessary services or corrections in performance are satisfactorily completed during the authorized period to cure default;

12.2. Deny all requests for payment and/or demand reimbursement from the Subrecipient of all payments previously made to the Subrecipient for those services or deliverables that have not been satisfactorily performed and which, due to circumstances caused by or within the control of the Subrecipient, cannot be performed or if performed would be of no value to the Program. Denial of requests for payment and demands for reimbursement shall be reasonably related to the amount of work or deliverables lost to the City;

12.3. Deny in whole or in part any application or proposal from the Subrecipient for funding

of the Program for a subsequent program year regardless of source of funds;

12.4. Reduce any application or proposal from the Subrecipient for refunding for the Program for a subsequent program year by any percentage or amount that is less than the total amount of compensation provided in this Agreement regardless of source of funds;

12.5. Refuse to award the Subrecipient, in whole or in part, all additional funds for expanded or additional services under the Program;

12.6. Deny or modify any future awards, grants, or contracts of any nature by the City regardless of funding source for the Subrecipient;

12.7. Modify, suspend, remove, or terminate the Agreement, in whole or in part. If the Agreement, or any portion thereof, is modified, suspended, removed, or terminated, the Subrecipient shall cooperate with the City in the transfer of the services as reasonably designated by the City; and/or

12.8. If this Agreement is terminated as a result of a default by the Subrecipient, the City may procure, upon such terms and conditions as the City deems appropriate, services similar to those terminated, and the Subrecipient shall be liable to the City for any damages arising from obtaining similar services.

13. WHEN RIGHTS AND REMEDIES NOT WAIVED: In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Subrecipient. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

14. INSURANCE

14.1. General Conditions: The Subrecipient agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. The Subrecipient shall keep the required insurance coverage in force at all times during the term of the Agreement, including any extension thereof, and during any warranty period. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-VIII" or better. Each policy shall require notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices Section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, the Subrecipient shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices Section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's contract number. The Subrecipient shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Subrecipient. The Subrecipient shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

14.2. Proof of Insurance: The Subrecipient may not commence services or work relating to this Agreement prior to placement of coverages required under this Agreement. The Subrecipient certifies that the certificate of insurance attached as **Exhibit B**, preferably an ACORD form, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the certificate of insurance. The City's acceptance of a

certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of the Subrecipient's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

14.3. Additional Insureds: For Commercial General Liability, Auto Liability and Excess Liability/Umbrella (if required), the Subrecipient and subcontractor's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees, and volunteers as additional insured.

14.4. Waiver of Subrogation: For all coverages required under this Agreement, with the exception of Professional Liability – if required, the Subrecipient's insurer shall waive subrogation rights against the City.

14.5. Subcontractors and Subconsultants: The Subrecipient shall confirm and document that all subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) procure and maintain coverage as approved by the Subrecipient and appropriate to their respective primary business risks considering the nature and scope of services provided.

14.6. Workers' Compensation and Employer's Liability Insurance: The Subrecipient shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims.

14.7. Commercial General Liability: The Subrecipient shall maintain a Commercial General Liability insurance policy with minimum limits of \$1,000,000 for each bodily injury and property damage occurrence, \$2,000,000 products and completed operations aggregate (if applicable), and \$2,000,000 policy aggregate. Policy shall not contain an exclusion for sexual abuse, molestation, or misconduct.

14.8. Automobile Liability: The Subrecipient shall maintain Automobile Liability with minimum limits of \$1,000,000 combined single limit applicable to all owned, hired, and non-owned vehicles used in performing services under this Agreement.

14.9. Professional Liability (Errors & Omissions): The Subrecipient shall maintain minimum limits of \$1,000,000 per claim and \$1,000,000 policy aggregate limit. The policy shall be kept in force, or a Tail policy placed, for three (3) years for all contracts except construction contracts for which the policy or Tail shall be kept in place for eight (8) years.

14.10. Cyber Liability: The Subrecipient shall maintain Cyber Liability coverage with minimum limits of \$1,000,000 per occurrence and \$1,000,000 policy aggregate covering claims involving privacy violations, information theft, damage to or destruction of electronic information, intentional and/or unintentional release of private information, alteration of electronic information, extortion and network security. If Claims Made, the policy shall be kept in force, or a Tail policy placed, for three (3) years.

15. DEFENSE AND INDEMNIFICATION

15.1. The Subrecipient agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement ("Claims"), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of the Subrecipient or its subcontractors either passive or active, irrespective

of fault, including City's concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

15.2. The Subrecipient's duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. The Subrecipient's duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City's negligence or willful misconduct was the sole cause of claimant's damages.

15.3. The Subrecipient shall defend any and all Claims which may be brought or threatened against City and shall pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City will be in addition to any other legal remedies available to City and will not be the City's exclusive remedy.

15.4. Insurance coverage requirements specified in this Agreement in no way lessen or limit the liability of the Subrecipient under the terms of this indemnification obligation. The Subrecipient is responsible to obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

15.5. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

16. COLORADO GOVERNMENTAL IMMUNITY ACT: In relation to the Agreement, the City is relying upon and has not waived the monetary limitations and all other rights, immunities and protection provided by the Colorado Governmental Act, C.R.S. § 24-10-101, *et seq.*

17. TAXES, CHARGES AND PENALTIES: The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Subrecipient shall promptly pay when due, all taxes, bills, debts, and obligations it incurs performing the services under the Agreement and shall not allow any lien, mortgage, judgment, or execution to be filed against City property.

18. ASSIGNMENT; SUBCONTRACTING: The Subrecipient shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without obtaining the Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void and will be cause for termination of this Agreement by the City. The Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Subrecipient shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any subconsultant, subcontractor, or assign.

19. INUREMENT: The rights and obligations of the Parties to the Agreement inure to the benefit of and shall be binding upon the Parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.

20. NO THIRD-PARTY BENEFICIARY: Enforcement of the terms of the Agreement and all rights of action relating to enforcement are strictly reserved to the Parties. Nothing contained in the Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Subrecipient receiving services or benefits pursuant to the Agreement is an incidental beneficiary only.

21. NO AUTHORITY TO BIND CITY TO CONTRACTS: The Subrecipient lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to

obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

- 22. SEVERABILITY:** Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the Parties can be fulfilled.

23. CONFLICT OF INTEREST

23.1. No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement. The Subrecipient shall not hire, or contract for services with, any employee or officer of the City that would be in violation of the City's Code of Ethics, D.R.M.C. § 2-51, *et seq.*, or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

23.2. The Subrecipient shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Subrecipient represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Subrecipient by placing the Subrecipient's own interests, or the interests of any party with whom the Subrecipient has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement if it determines a conflict exists, after it has given the Subrecipient written notice describing the conflict.

- 24. 25. NO EMPLOYMENT OF A WORKER WITHOUT AUTHORIZATION TO PERFORM WORK UNDER THIS AGREEMENT

25.1. This Agreement is subject to Division 5 of Article IV of Chapter 20 of the Denver Revised Municipal Code, and any amendments (the "Certification Ordinance").

25.2. The Subrecipient certifies that:

25.2.1. At the time of its execution of this Agreement, it does not knowingly employ or contract with a worker without authorization who will perform work under this Agreement, nor will it knowingly employ or contract with a worker without authorization to perform work under this Agreement in the future.

- 25.2.2.** It will participate in the E-Verify Program, as defined in § 8-17.5-101(3.7), C.R.S., and confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.
- 25.2.3.** It will not enter into a contract with a subconsultant or subcontractor that fails to certify to the Subrecipient that it shall not knowingly employ or contract with a worker without authorization to perform work under this Agreement.
- 25.2.4.** It is prohibited from using the E-Verify Program procedures to undertake pre-employment screening of job applicants while performing its obligations under this Agreement, and it is required to comply with any and all federal requirements related to use of the E-Verify Program including, by way of example, all program requirements related to employee notification and preservation of employee rights.
- 25.2.5.** If it obtains actual knowledge that a subconsultant or subcontractor performing work under this Agreement knowingly employs or contracts with a worker without authorization, it will notify such subconsultant or subcontractor and the City within three (3) days. The Subrecipient shall also terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with the worker without authorization, unless during the three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with a worker without authorization.
- 25.2.6.** It will comply with a reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S., or the City Auditor, under authority of D.R.M.C. 20-90.3.
- 25.3.** The Subrecipient is liable for any violations as provided in the Certification Ordinance. If the Subrecipient violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of this Agreement. If this Agreement is so terminated, the Subrecipient shall be liable for actual and consequential damages to the City. Any termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying the Subrecipient from submitting bids or proposals for future contracts with the City.
- 26. DISPUTES:** All disputes between the City and the Subrecipient arising out of or regarding the Agreement will be resolved by administrative hearing pursuant to the procedure established by D.R.M.C. § 56-106(b)-(f). For the purposes of that administrative procedure, the City official rendering a final determination shall be the Director as defined in this Agreement.
- 27. GOVERNING LAW; VENUE:** The Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, which are expressly incorporated into the Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to the Agreement will be in the District Court of the State of Colorado, Second Judicial District (Denver District Court).
- 28. NO DISCRIMINATION IN EMPLOYMENT:** In connection with the performance of work under the Agreement, the Subrecipient may not refuse to hire, discharge, promote, demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, ethnicity, citizenship, immigration status, gender, age, sexual orientation, gender identity, gender expression, marital status, source of income, military status, protective hairstyle, or disability. The Subrecipient shall insert the foregoing provision in all subcontracts.
- 29. NO DISCRIMINATION IN PROGRAM ASSISTANCE:** In connection with the performance of work under the Agreement, the Subrecipient may not, in providing program assistance, discriminate

against a program beneficiary or prospective program beneficiary on the basis of race, color, religion, national origin, ancestry, gender, age, military status, sexual orientation, gender identity or gender expression, marital or domestic partner status, political beliefs or affiliation, familial or parental status—including pregnancy, medical condition, military service, protective hairstyle, genetic information, or disability. The Subrecipient shall insert the foregoing provision in all subcontracts.

30. **LIMITED ENGLISH PROFICIENCY**: Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, states national origin discrimination includes discrimination based on limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, the Subrecipient must reasonably ensure that LEP persons have meaningful access to its programs, services, and activities. The Subrecipient shall not charge program participants for the use of an oral or written translator or interpretation services. The Subrecipient shall comply with the City's requirements concerning the provision of interpreter services under this Agreement.
31. **FAITH BASED ORGANIZATIONS AND SECTARIAN ACTIVITIES**: The Subrecipient shall not engage in inherently religious activities, such as worship, religious instruction, or proselytizing as part of the programs or services funded under this Agreement.
32. **COMPLIANCE WITH ALL LAWS**: The Subrecipient shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations and codes of the United States, the State of Colorado; and with the Charter, ordinances, rules, regulations and Executive Orders of the City and County of Denver.
33. **LEGAL AUTHORITY**: The Subrecipient represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate, and official motion, resolution or action passed or taken, to enter into the Agreement. Each person signing and executing the Agreement on behalf of the Subrecipient represents and warrants that he has been fully authorized by the Subrecipient to execute the Agreement on behalf of the Subrecipient and to validly and legally bind the Subrecipient to all the terms, performances and provisions of the Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate the Agreement if there is a dispute as to the legal authority of either the Subrecipient or the person signing the Agreement to enter into the Agreement.
34. **NO CONSTRUCTION AGAINST DRAFTING PARTY**: The Parties and their respective counsel have had the opportunity to review the Agreement, and the Agreement will not be construed against any Party merely because any provisions of the Agreement were prepared by a particular Party.
35. **ORDER OF PRECEDENCE**: In the event of any conflicts between the language of the Agreement and the exhibits, the language of the Agreement controls—except for certain federal and state terms and conditions.
36. **INTELLECTUAL PROPERTY RIGHTS**: The City and the Subrecipient intend that all property rights to any and all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information created by the Subrecipient and paid for by the City pursuant to this Agreement, in preliminary or final form and on any media whatsoever (collectively, "Materials"), shall belong to the City. The Subrecipient shall disclose all such items to the City and shall assign such rights over to the City upon completion of the Project. To the extent permitted by the U.S. Copyright Act, 17 USC § 101, *et seq.*, the Materials are a "work made for hire" and all ownership of copyright in the Materials shall vest in the City at the time the Materials are created. To the extent that the Materials are not a "work made for hire," the Subrecipient (by this Agreement) sells, assigns and transfers all right, title and interest in and to the Materials to the City, including the right to secure copyright, patent, trademark, and other intellectual property rights throughout the world and to have and to hold such

rights in perpetuity. The Parties agree that all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information of the Subrecipient made available, directly or indirectly, by the Subrecipient to the City as part of the Scope of Services (collectively, "Subrecipient Materials"), are the exclusive property of the Subrecipient or the third parties from whom the Subrecipient has secured the rights to use such product. Subrecipient Materials, processes, methods, and services shall at all times remain the property of the Subrecipient; however, the Subrecipient hereby grants to the City a nonexclusive, royalty free, perpetual, and irrevocable license to use Subrecipient Materials. The Subrecipient shall mark or identify all such Subrecipient Materials to the City. The Subrecipient acknowledges that pursuant to law, the federal or state government may reserve ownership or a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, all copyrighted material and all material which can be copyrighted under this Agreement.

37. SURVIVAL OF CERTAIN PROVISIONS: The terms of the Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of the Agreement survive the Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Subrecipient's obligations to provide insurance and to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

38. ADVERTISING AND PUBLIC DISCLOSURE: The Subrecipient shall not include any reference to the Agreement or to services performed pursuant to the Agreement in any of the Subrecipient's advertising or public relations materials without first obtaining the written approval of the Director. Any oral presentation or written materials related to services performed under the Agreement will be limited to services that have been accepted by the City. The Subrecipient shall notify the Director in advance of the date and time of any presentation. Nothing in this provision precludes the transmittal of any information to City officials.

39. CONFIDENTIAL INFORMATION

39.1. "Confidential Information" means all information or data disclosed in written or machine recognizable form and is marked or identified at the time of disclosure as being confidential, proprietary, or its equivalent. Each of the Parties may disclose (a "Disclosing Party") or permit the other Party (the "Receiving Party") access to the Disclosing Party's Confidential Information in accordance with the following terms. Except as specifically permitted in this Agreement or with the prior express written permission of the Disclosing Party, the Receiving Party shall not: (i) disclose, allow access to, transmit, transfer or otherwise make available any Confidential Information of the Disclosing Party to any third party other than its employees, subcontractors, agents and consultants that need to know such information to fulfil the purposes of this Agreement, and in the case of non-employees, with whom it has executed a non-disclosure or other agreement which limits the use, reproduction and disclosure of the Confidential Information on terms that afford at least as much protection to the Confidential Information as the provisions of this Agreement; or (ii) use or reproduce the Confidential Information of the Disclosing Party for any reason other than as reasonably necessary to fulfil the purposes of this Agreement. This Agreement does not transfer ownership of Confidential Information or grant a license thereto. The City will retain all right, title, and interest in its Confidential Information.

39.2. The Subrecipient shall provide for the security of Confidential Information and information which may not be marked, but constitutes personally identifiable information, HIPAA, CJIS, or other federally or state regulated information ("Regulated Data") in accordance with all applicable

laws, rules, policies, publications, and guidelines. If the Subrecipient receives Regulated Data outside the scope of the Agreement, it shall promptly notify the City.

39.3. Confidential Information that the Receiving Party can establish: (i) was lawfully in the Receiving Party's possession before receipt from the Disclosing Party; or (ii) is or becomes a matter of public knowledge through no fault of the Receiving Party; or (iii) was independently developed or discovered by the Receiving Party; or (iv) was received from a third party that was not under an obligation of confidentiality, shall not be considered Confidential Information under this Agreement. The Receiving Party will inform necessary employees, officials, subcontractors, agents, and officers of the confidentiality obligations under this Agreement, and all requirements and obligations of the Receiving Party under this Agreement shall survive the expiration or earlier termination of this Agreement.

39.4. Nothing in this Agreement shall in any way limit the ability of the City to comply with any laws or legal process concerning disclosures by public entities. The Parties understand that all materials exchanged under this Agreement, including Confidential Information, may be subject to the Colorado Open Records Act, § 24-72-201, *et seq.*, C.R.S., (the "Act"). In the event of a request to the City for disclosure of confidential materials, the City shall advise the Subrecipient of such request in order to give the Subrecipient the opportunity to object to the disclosure of any of its materials which it marked as, or otherwise asserts is, proprietary or confidential. If the Subrecipient objects to disclosure of any of its material, the Subrecipient shall identify to the City the legal basis under the Act for any right to withhold. In the event of any action or the filing of a lawsuit to compel disclosure, the Subrecipient agrees to intervene in such action or lawsuit to protect and assert its claims of privilege against disclosure of such material or waive the same. If the matter is not resolved, the City will tender all material to the court for judicial determination of the issue of disclosure. The Subrecipient further agrees to defend, indemnify and save and hold harmless the City, its officers, agents and employees, from any claim, damages, expense, loss or costs arising out of the Subrecipient's intervention to protect and assert its claim of privilege against disclosure under this Article, including but not limited to, prompt reimbursement to the City of all reasonable attorney fees, costs, and damages that the City may incur directly or may be ordered to pay.

40. PROTECTED INFORMATION AND DATA PROTECTION

40.1. Compliance with Data Protection Laws: The Subrecipient shall comply with all applicable international, federal, state, local laws, rules, regulations, directives, and policies relating to data protection, use, collection, disclosures, processing, and privacy as they apply to the Subrecipient under this Agreement, including, without limitation, applicable industry standards or guidelines based on the data's classification relevant to the Subrecipient's performance hereunder and, when applicable, the most recent iterations of § 24-73-101, *et seq.*, C.R.S., IRS Publication 1075, the Health Information Portability and Accountability Act (HIPAA), the U.S. Department of Justice, Federal Bureau of Investigation, Criminal Justice Information Services Security Policy for all Criminal Justice Information, the Colorado Consumer Protection Act, and the Payment Card Industry Data Security Standard (PCI-DSS), (collectively, "Data Protection Laws"). If the Subrecipient becomes aware that it cannot reasonably comply with the terms or conditions contained herein due to a conflicting law or policy, the Subrecipient shall promptly notify the City.

40.2. Safeguarding Protected Information: "Protected Information" means data, regardless of form, that has been designated as private, proprietary, protected, or confidential by law, policy, or the City. Protected Information includes, but is not limited to, employment records, protected health information, student records, education records, criminal justice information, personal financial records, research data, trade secrets, classified government information, other regulated

data, and personally identifiable information as defined by §§ 24-73-101(4)(b) and 6-1-716(1)(g)(I)(A), C.R.S., as amended. Protected Information shall not include public records that by law must be made available to the public pursuant to the Colorado Open Records Act § 24-72-201, *et seq.*, C.R.S. To the extent there is any uncertainty as to whether data constitutes Protected Information, the data in question shall be treated as Protected Information until a determination is made by the City or an appropriate legal authority. Unless the City provides security protection for the information it discloses to the Subrecipient, the Subrecipient shall implement and maintain reasonable security procedures and practices that are both appropriate to the nature of the Protected Information disclosed and that are reasonably designed to help safeguard Protected Information from unauthorized access, use, modification, disclosure, or destruction. Disclosure of Protected Information does not include disclosure to a third party under circumstances where the City retains primary responsibility for implementing and maintaining reasonable security procedures and practices appropriate to the nature of the Protected Information, and the City implements and maintains technical controls reasonably designed to safeguard Protected Information from unauthorized access, modification, disclosure, or destruction or effectively eliminate the third party's ability to access Protected Information, notwithstanding the third party's physical possession of Protected Information. If the Subrecipient has been contracted to maintain, store, or process personal information on the City's behalf, the Subrecipient is a "Third-Party Service Provider" as defined by § 24-73-103(1)(i), C.R.S.

40.3. Data Access and Integrity: The Subrecipient shall implement and maintain all appropriate administrative, physical, technical, and procedural safeguards necessary and appropriate to ensure compliance with the standards, guidelines, and Data Protection Laws applicable to the Subrecipient's performance hereunder to ensure the security and confidentiality of all data. The Subrecipient shall protect against threats or hazards to the security or integrity of data; protect against unauthorized disclosure, access to, or use of any data; restrict access to data as necessary; and ensure the proper use of data. The Subrecipient shall not engage in "data mining" except as specifically and expressly required by law or authorized in writing by the City. All data and Protected Information shall be maintained and securely transferred in accordance with industry standards. Unless otherwise required by law, the City has exclusive ownership of all data it discloses under the Agreement, and the Subrecipient shall have no right, title, or interest in data obtained in connection with the services provided herein.

40.4. Data Retention, Transfer, Litigation Holds, and Destruction: Using appropriate and reliable storage media, the Subrecipient shall regularly backup data used in connection with this Agreement and retain such backup copies consistent with the Subrecipient's data retention policies. Upon termination of the Agreement, the Subrecipient shall securely delete or securely transfer all data, including Protected Information, to the City in an industry standard format as directed by the City; however, this requirement shall not apply to the extent the Subrecipient is required by law to retain data, including Protected Information. Upon the City's request, the Subrecipient shall confirm the data disposed of, the date disposed of, and the method of disposal. With respect to any data in the Subrecipient's exclusive custody, the City may request that the Subrecipient preserve such data outside of its usual record retention policies. The City will promptly coordinate with the Subrecipient regarding the preservation and disposition of any data and records relevant to any current or anticipated litigation, and the Subrecipient shall continue to preserve the records until further notice by the City. Unless otherwise required by law or regulation, when paper or electronic documents are no longer needed, the Subrecipient shall destroy or arrange for the destruction of such documents within its custody or control that contain Protected Information by shredding, erasing, or otherwise modifying the Protected Information in the paper or electronic documents to make it unreadable or indecipherable.

- 40.5. Software and Computing Systems:** At its reasonable discretion, the City may prohibit the Subrecipient from the use of certain software programs, databases, and computing systems with known vulnerabilities to collect, use, process, store, or generate data and information, with Protected Information, received as a result of the Subrecipient's services under this Agreement. The Subrecipient shall fully comply with all requirements and conditions, if any, associated with the use of software programs, databases, and computing systems as reasonably directed by the City. The Subrecipient shall not use funds paid by the City for the acquisition, operation, or maintenance of software in violation of any copyright laws or licensing restrictions. The Subrecipient shall maintain commercially reasonable network security that, at a minimum, includes network firewalls, intrusion detection/prevention, enhancements, or updates consistent with evolving industry standards, and periodic penetration testing.
- 40.6. Background Checks:** The Subrecipient will ensure that, prior to being granted access to Protected Information, the Subrecipient's agents, employees, subcontractors, volunteers, or assigns who perform work under this Agreement have all undergone and passed all necessary criminal background screenings, have successfully completed annual instruction of a nature sufficient to enable them to effectively comply with all data protection provisions of this Agreement and Data Protection Laws, and possess all qualifications appropriate to the nature of the employees' duties and the sensitivity of the data.
- 40.7. Subcontractors and Employees:** If the Subrecipient engages a subcontractor under this Agreement, the Subrecipient shall impose data protection terms that provide at least the same level of data protection as in this Agreement and to the extent appropriate to the nature of the services provided. The Subrecipient shall monitor the compliance with such obligations and remain responsible for its subcontractor's compliance with the obligations of this Agreement and for any of its subcontractors acts or omissions that cause the Subrecipient to breach any of its obligations under this Agreement. Unless the Subrecipient provides its own security protection for the information it discloses to a third party, the Subrecipient shall require the third party to implement and maintain reasonable security procedures and practices that are appropriate to the nature of the Protected Information disclosed and that are reasonably designed to protect it from unauthorized access, use, modification, disclosure, or destruction. Any term or condition within this Agreement relating to the protection and confidentiality of any disclosed data shall apply equally to both the Subrecipient and any of its subcontractors, agents, assigns, employees, or volunteers. Upon request, the Subrecipient shall provide the City copies of its record retention, data privacy, and information security policies.
- 40.8. Security Breach:** If the Subrecipient becomes aware of an unauthorized acquisition or disclosure of unencrypted data, in any form, that compromises the security, access, confidentiality, or integrity of Protected Information or data maintained or provided by the City ("Security Breach"), the Subrecipient shall notify the City in the most expedient time and without unreasonable delay. The Subrecipient shall fully cooperate with the City regarding recovery, lawful notices, investigations, remediation, and the necessity to involve law enforcement, as determined by the City and Data Protection Laws. The Subrecipient shall preserve and provide all information relevant to the Security Breach to the City; provided, however, the Subrecipient shall not be obligated to disclose confidential business information or trade secrets. The Subrecipient shall indemnify, defend, and hold harmless the City for any and all claims, including reasonable attorneys' fees, costs, and expenses incidental thereto, which may be suffered by, accrued against, charged to, or recoverable from the City in connection with a Security Breach or lawful notices.
- 40.9. Request for Additional Protections and Survival:** In addition to the terms contained herein, the City may reasonably request that the Subrecipient protect the confidentiality of certain

Protected Information or other data in specific ways to ensure compliance with Data Protection Laws and any changes thereto. Unless a request for additional protections is mandated by a change in law, the Subrecipient may reasonably decline the City's request to provide additional protections. If such a request requires the Subrecipient to take steps beyond those contained herein, the Subrecipient shall notify the City with the anticipated cost of compliance, and the City may thereafter, in its sole discretion, direct the Subrecipient to comply with the request at the City's expense; provided, however, that any increase in costs that would increase the Maximum Contract Amount must first be memorialized in a written amendment complying with City procedures. Obligations contained in this Agreement relating to the protection and confidentiality of any disclosed data shall survive termination of the Agreement, and the Subrecipient shall continue to safeguard all data for so long as the data remains confidential or protected and in the Subrecipient's possession or control.

- 41. DATA PROTECTION:** The Subrecipient shall comply with all applicable international, federal, state, local laws, rules, regulations, directives, and policies relating to data protection, use, collection, disclosures, processing, and privacy as they apply to the Subrecipient under this Agreement, including, without limitation, applicable industry standards or guidelines based on the data's classification relevant to the Subrecipient's performance hereunder. The Subrecipient shall maintain security procedures and practices consistent with §§ 24-73-101 *et seq.*, C.R.S., and shall ensure that all regulated or protected data, provided under this Agreement and in the possession of the Subrecipient or any subcontractor, is protected and safeguarded, in a manner and form acceptable to the City and in accordance with the terms of this Agreement, including, without limitation, the use of appropriate technology, security practices, encryption, intrusion detection, and audits.
- 42. TIME IS OF THE ESSENCE:** The Parties agree that in the performance of the terms, conditions, and requirements of this Agreement, time is of the essence.
- 43. PARAGRAPH HEADINGS:** The captions and headings set forth herein are for convenience of reference only and shall not be construed to define or limit the terms and provisions hereof.
- 44. CITY EXECUTION OF AGREEMENT:** The Agreement will not be effective or binding on the City until it has been fully executed by all required signatories of the City and County of Denver, and if required by Charter, approved by the City Council.
- 45. AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS:** The Agreement is the complete integration of all understandings between the Parties as to the subject matter of the Agreement. No prior, contemporaneous, or subsequent addition, deletion, or other modification has any force or effect, unless embodied in the Agreement in writing. No oral representation by any officer or employee of the City at variance with the terms of the Agreement or any written amendment to the Agreement will have any force or effect or bind the City.
- 46. USE, POSSESSION OR SALE OF ALCOHOL OR DRUGS:** The Subrecipient shall cooperate and comply with the provisions of Executive Order 94 and its Attachment A concerning the use, possession or sale of alcohol or drugs. Violation of these provisions or refusal to cooperate with implementation of the policy can result in contract personnel being barred from City facilities and from participating in City operations.
- 47. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS:** The Subrecipient consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature under the Agreement, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the

ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.
