- Dedicated professional with a diverse academic background and proven expertise across multiple disciplines. I hold a Bachelor's degree in Foreign Languages from Universidad del Atlántico and a Professional degree in Finance and International Business from Fundación Universitaria del Área Andina, graduating with honors and receiving recognition from the Colombian Ministry of Education for top performance in the State Examination of Higher Education Quality in Colombia.
- I also hold a Master's degree in Applied Linguistics for Teaching English as a Second Language from Universidad Europea del Atlántico, with a dual degree in Teaching English as a Foreign Language from Universidad Internacional Iberoamericana de Puerto Rico. Additionally, I earned a Master's degree in International Relations and Foreign Trade from Universidad Americana de Europa, with a dual degree from Grupo IOE.
- Proficient in Spanish (C2), English (C1, TOEFL), and French (B2) according to the Common European Framework of Reference. Experienced in integrating technological solutions and innovative pedagogical strategies to optimize learning outcomes, I excel in leveraging information and communication technologies (ICT), social networks, and office software, honed through virtual and distance education.
- To finish on a high note, I am deeply passionate about communication and currently immersed in advancing my studies in this dynamic field. Exploring its multifaceted dimensions fuels my drive for understanding and shaping impactful narratives in today's interconnected world.
