GRANT FUNDING

1988	Principal Investigator Home Visitation for Very Low Birth Weight Infants Sigma Theta Tau Research Award (Beta Mu) University of Arizona \$500
1991	Co-Investigator Principal Investigator: Gonzalez, I. Effect of formula temperature on feeding tolerance in very low birth weight infants California Pacific Medical Center \$3,000
1992	Co-Investigator Principal Investigator: Hirata, T Home visit follow up of extremely low birth weight infants California Pacific Medical Center \$30,000
1996	Principal Investigator Home visitation for mothers with a history of substance abuse during their pregnancies and their infants Dean’s Research Award. University of Arizona \$1,745
1997	Co-Investigator Principal Investigator: Sherwood, G. Pain management with Hispanic populations (part 1) The University of Texas-Houston Health Science Center Television \$9,750
1998	Co-Investigator Principal Investigator: Sherwood, G. Pain management for the Hispanic patient (part 2) The University of Texas-Houston Health Science Center Television \$8,700

- 2001 Co-Investigator
Principal Investigator: Haack, M.
Defining the role of nursing in the Newark family drug treatment court
The Robert Wood Johnson Foundation
\$49,824
- 2002 Consultant
Principal Investigator: Plowden, K.
HIV and substance abuse prevention among Black MSM commercial sex workers
Substance Abuse and Mental Health Administration
\$119,930
- 2003 Fellow
Principal Investigator: Peragallo, N.
SEPA RO1-NR04746-01
Examining the relationship between violence and substance abuse
HIV Risk Reduction among Latinas: Project SEPA
\$50,000
- 2003 Co-Investigator
Principal Investigator: Plowden, K.
Sociostructural factors associated with high-risk behavior and substance use among post-incarcerated men
University of Maryland-Baltimore, School of Nursing
\$5,000
- 2004 Minority Fellow
Principal Investigator: Mitrani, V.
Family therapy mechanisms in HIV+ women in drug recovery
National Institute of Drug Abuse
\$254,273
- 2006 Co-Investigator
Principal Investigator: Peragallo, N.
Project D.Y.V.A. (Drugs and Violence in the Americas) Proyecto D.Y.V.A. (Drogas y
Violencia en las Americas)
Inter-American Drug Abuse Control Commission (CICAD)
\$50,000
- 2007 Principal Investigator
Project VIDA: Violence, intimate relationships, and drugs among Latinos
P20: El Centro: National Center of Minority Health and Health Disparities (NIH)
\$51,160
- 2007 Principal Investigator
Packaging proven HIV behavioral interventions for use with women at highest risk of
acquiring HIV
CDC H62 PS000781-01
\$422,344

- 2010 - 2013 Principal Investigator
 Hispanic Health Disparities Research Center
 National Center on Minority Health and Health Disparities
 (P20MD002287)
 Funding period 2008-2013
 \$6,767,616
- 2011 - 2012 Principal Investigator
 Project VIDA II: Violence, intimate relationships, and drugs among Latinas/os
 Hispanic Health Disparities Research Center
 National Center on Minority Health and Health Disparities
 (P20MD002287)
 \$75,000
- 2011 - 2013 Principal Investigator
 Environmental Health Disparities
 Hispanic Health Disparities Research Center
 National Center on Minority Health and Health Disparities
 (P20MD002287-0551)
 \$752,795
- 2012 - 2016 Principal Investigator
 STaR (Successful Transition and Retention) Program
 US Labor Department
 \$3,991,880
- 2017 - 2018 Co-Investigator
 Principal Investigator: Stout, R.
 Nursing and Allied Health - Building Simulation and Skills Lab Capacity
 The Texas Higher Education Coordinating Board
 \$114,702

RESEARCH ACTIVITY

- 1996 Consultant
 Principal Investigator: Ferris, M.
 Achieving successful outcomes in drug and alcohol exposed infants and their families
 University of Texas-Houston
- 1996 Consultant
 Principal Investigator: Sevier, N.
 Comparison of intrauterine cocaine exposed infants with and without renal anomalies.
 University of Texas-Houston
- 1999 Consultant
 Principal Investigator: Clark, B.
 Healthy children, happy children: A parenting education program for substance abusing
 mothers in residential treatment
 University of Texas-Houston

- 2000 Consultant
Principal Investigator: Alemi, F.
Reimbursement policy for online substance abuse treatment
Robert Wood Johnson Foundation
- 2004 Consultant
Principal Investigator: Perry, M.
Building success in low-income teen mothers
NIH, NINR R15NR08802-01A1
