**5. General description or background of proposed request. Attach executive summary if more space needed:**

The proposed ordinance authorizes the issuance of up to \$465 million of City and County of Denver, General Obligation Bonds, Series 2020A-B. The Series 2020A Bonds will fund approximately \$170 million of Elevate Denver bond projects approved by Denver voters in November 2017. The Series 2020B Bonds in a par amount up to \$295 million will refund all existing Series 2010B Better Denver General Obligation Bonds to achieve interest cost savings. There will be no change to the original maturity of the Series 2010B Bonds, and based on current market rates, the refunding is expected to generate approximately \$57 million or 19.7% of net present value savings.

The Series 2020A-B Bonds will be issued as fixed-rate, tax-exempt obligations with a term not to exceed 20 years. The final rate and par amount will be determined on the day of pricing and costs associated with the transaction will be paid for by the proceeds of the bonds.

The Bonds will be a General Obligation of the City, secured by the full faith and credit of the City, and are payable from general ad valorem taxes on all the taxable property within the City without limitation as to rate and in an amount sufficient to pay the principal of and interest on the Bonds when due, except to the extent other legally available funds are applied for such purpose.
