District 8 NorthEast Congregate Shelters

Shelter System Well-Being Assessment

Bayaud Community Enterprises Congregate Shelters

Social Impact Measurement & Score on behalf of Councilwoman Shontel Lewis & Partnering Council Members of Denver

*Property of **KONNECTED TECHNOLOGIES INC.***

EXECUTIVE SUMMARY

ASSESSMENT OVERVIEW

Overall Score: 68%

Classification: Developing

Response Rate: 44%

KEY FINDINGS

- Limited case management access (48%)
- High zero-income rates (69-81%)
- Strong satisfaction when services available
- Infrastructure improvements needed

CRITICAL OPPORTUNITIES

- Expand case management
- Launch mental health services
- Improve transportation access
- Enhance workforce development

“I have a place to stay which offers much more stability and they feed us which has been good for me to be able to get healthy and gain weight, and I am way less stressed out.”

How do we determine

RESIDENT SUCCESS™

MANAGEMENT

MAINTENANCE

NEIGHBORHOOD

EDUCATION

WELL-BEING

Scores **between 0% and 35%** indicate ***hazard*** conditions.

Scores **between 36% and 65%** signify ***distressed*** conditions.

Scores **between 66% and 85%** denote ***developing*** conditions.

Scores **86% and above** denote ***success*** conditions.

METHODOLOGY

- Overall B-K scores are derived from scores for Social Determinants of Health categories. (0-100)
- Questions are weighted into Social Determinate of Health categories to give a finer-grained picture of performance.
- Management, Maintenance, Neighborhood, Education, and Well-Being scores were generated for this project.

BAYAUD ENTERPRISES OPERATIONS

Radisson Motel and Stay Inn Understanding Social Impact in Denver's Shelter Programs

Bayaud Enterprises operates two shelters in Denver—Radisson Motel and Stay Inn. Denver's City Council Person Shontel Lewis's District 8, has engaged B-Konnected, LLC to evaluate the social impact of its shelter program investments, focusing on Bayaud Enterprises' operations within Districts 8 & 5 through guest surveys. This collaboration includes working closely with Bayaud Enterprises to assess and improve the effectiveness of Radisson Motel and Stay Inn operations, programming on the guests they service.

Sample Information

- Population: Bayaud Shelter Guests
- Response Rate: 44% of Total Guests
- Time Period: Point-in-Time Snapshot
- Locations: Radisson & Stay Inn

Stay-Inn Micro-Community 12033 E 38th Ave Denver, CO 80239

The Radisson Motel- Non-Congregate 4849 Bannock St, Denver, CO 80216

RESIDENT SUCCESS™ SCORE

With an overall BK Certified Impact Score of 68%, Bayaud Enterprises is **Developing**.

 Personal Well-Being
 Property Management
 Social
 Services

Current Performance

Personal Well-Being

Property Management

Social

Services

ECONOMIC STABILITY

SOCIAL DETERMINANTS OF HEALTH ANALYSIS: ECONOMIC STABILITY

“It’s harder to get around. We are in the middle of nothing and nowhere...”

CRITICAL CONCERNS

- High zero-income rates (69-81%)
- Low monthly income (\$90-456)
- Limited workforce development opportunities
- Transportation barriers to employment

INVESTMENT NEEDS

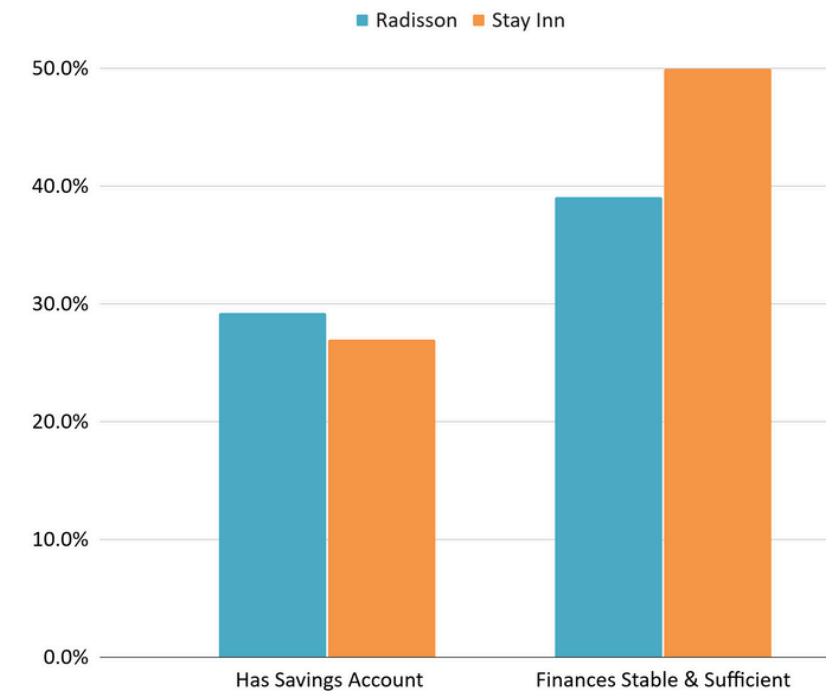

- Job training programs
- Transportation assistance
- Employment partnerships
- Financial literacy services

Monthly Household Income:

- Radisson: \$456.53
- Stay Inn: \$90.74

Percent of guests at zero monthly income:

- Radisson: 69%
- Stay Inn: 81%

SERVICES

Guests report **Case Management Services** and **Staff** are helpful.

- Radisson: 73% and 69%
- Stay Inn: 96% and 96%

Less than half of guests report having case management services.

Guests reported significant difficulty accessing reliable transportation.

EXPECTED IMPACT

- Reduce zero income rate to 25% within 12 months
- Increase average monthly income to \$1,200
- Achieve 100% transportation access for job seekers
- Maintain 95%+ service satisfaction

IMMEDIATE ACTIONS (0-30 DAYS)

- Launch emergency transportation program & Increase Eco-Passes
- Expand case management to 100%
- Begin benefits navigation support
- Establish employer partnerships

DEVELOPMENT (30-90 DAYS)

- Implement job training programs
- Create financial literacy workshops
- Develop transportation network
- Launch employment support services

SUSTAINABILITY (90+ DAYS)

- Career development program
- Savings program implementation
- Permanent transport solutions
- Long-term employer partnerships

HEALTH & WELL-BEING

SOCIAL DETERMINANTS OF HEALTH ANALYSIS: HEALTH & WELL-BEING

“My stress level has significantly gone down. I am no longer afraid to sleep at night. I feel safer. I get to eat 3 meals a day vs. not knowing if I will eat at all. Just in every way. I'm no longer embarrassed to bathe every day.”

Guests report being able to maintain good hygiene:

- Radisson: 73%
- Stay Inn: 89%

Guests mostly report getting adequate nutrition:

- Radisson: 75%
- Stay Inn: 92%

Guests experiencing domestic violence stalking abuse:

- Radisson: 16%
- Stay Inn: 8%

Guests reporting substance abuse in building:

- Radisson: 41%

- Illegal Activity Reports: 74%
- Maintenance Response Score: 3.4/5

"I don't have to worry about constant police harassment and them taking all my belongings. I also don't have to worry about someone walking by stealing my belongings. I can take a shower everyday and take care of the frostbite on my feet. I also have access to do laundry when ever I need to. The only problem I face here is that it is so far from my regular community and all the places I volunteer at and am familiar with."

PATH TO SUCCESS: STRATEGIC INVESTMENTS & IMPACT

DENVER SHELTER SYSTEM IMPROVEMENT ACCELERATOR

Continued Partnership Benefits: Measuring Success Through Data Value of Ongoing B-K Assessment

B-K's proprietary Resident Success™

Framework provides unique advantages for continuous improvement:

1. Real-Time Guest Experience Tracking

- Continuous monitoring of guest satisfaction and needs
- Early identification of emerging challenges
- Ability to make rapid program adjustments
- Direct feedback loops from guests to operators

2. Operational Excellence Measurement

- Clear metrics for service delivery effectiveness
- Staff performance and capacity tracking
- Resource utilization optimization
- Maintenance and facility response monitoring

3. Data-Driven Decision Making

- Evidence-based program improvements
- Resource allocation guidance
- Impact validation
- Success pattern identification

4. Targeted Investment Impact

- Track ROI on program investments
- Measure intervention effectiveness
- Guide funding allocations
- Demonstrate program value

Benefits to Stakeholders

For Guests:

- Better-tailored services
- Faster response to needs
- More effective support
- Clearer pathways to housing

For Operators:

- Clear performance metrics
- Operational insights
- Staff capacity optimization
- Resource maximization

For City Council:

- Transparent accountability
- Impact verification
- Data-backed decisions
- Progress tracking

Looking Forward

- Continuing partnership with B-K enables:
- Progression from Developing (68%) to Success (84%+)
- Sustained improvement in guest outcomes
- Optimized operational efficiency
- Evidence-based program evolution
- Live Data dashboards for real-time monitoring & intervention

THROUGH ONGOING ASSESSMENT AND MONITORING, B-K PROVIDES THE TOOLS AND INSIGHTS THROUGH KONNECTED IMPACT™. THAT WILL CREATE LASTING POSITIVE CHANGE IN DENVER'S SHELTER SYSTEM WHILE ENSURING INVESTMENTS DELIVER MAXIMUM IMPACT FOR GUESTS AND OPERATORS ALIKE.

**THANK YOU, COUNCIL MEMBER LEWIS, BAYAUD ENTERPRISES
AND GREATER COMMUNITY!**
