5. General description or background of proposed request. Attach executive summary if more space needed:

On 9/1/23, Solid Waste Management (SWM) entered into a contract with Salva Terra Holdings, LLC to provide two transfer station facilities for SWM to off-load City collected residential municipal solid waste material (trash, recycling, compost). Once the City off-loads the materials at the two transfer stations, Salva Terra Holdings, LLC is responsible for hauling materials to the City's current contracted processing facilities. The utilization of the two transfer stations has allowed increased efficiency of the SWM's weekly residential collection routes. In addition, since these stations complete the transfer of materials to the processing facilities, SWM staff and trucks have been optimized to ensure on-time collection.

This second amendment shall extend the term of the contract by one year and add \$1,500,000.00 of capacity.

6. City Attorney assigned to this request (if applicable): Jacob Crawford

7. City Council District: Citywide
