Chapter 30, DRMC – Property Required to:

1. Maintain Historic and Physical Integrity
2. Meet One Designation Criterion in Two or More of the Following Categories
 - History
 - Architecture
 - Geography
3. Relate to a Historic Context or Theme

Maintain its Historic and Physical Integrity

“The ability of a structure...to convey its historic and architectural significance....recognized as belonging to its particular time and place and Denver’s history.”

- Changes
 - Minimal alterations
 - Possible replacement of windows
 - Fenestration patterns remains
- Retains Integrity
 - Design, materials, workmanship, location, setting, feeling, and association

1. History – 30 years old, and shall:

- a. Have direct association with the historical development of the city, state or nation;
- b. Be the site of a significant historic event; or
- c. **Have direct & substantial association with a person or group of persons who had influence on society.**

2. Architecture – design quality and integrity, and:

- a. **Embody distinguishing characteristics of an architectural style or type;**
- b. Be the significant work of a recognized architect or master builder;
- c. Contain elements of architectural design...which represent a significant innovation
- d. Portray the environment of a group of people or physical development of an area in an era of history characterized by a distinctive architectural style.

3. Geography:

- a. **Have a prominent location or be an established, familiar and orienting visual feature of the contemporary city;**
- b. Promote understanding and appreciation of the urban environment by means of distinctive physical characteristics or rarity;
- c. Make a special contribution to Denver’s distinctive character

1. History – 30 years old, and shall:

C. Have direct and substantial association with a person or group of persons who had influence on society

Red Rocks Amphitheater
Denver Landmark, National Register, National Historic Landmark

2. Architecture – design quality and integrity, and:

A. Embody distinguishing characteristics of an architectural style or type;

Queen Anne Style

- Steeply pitched and complex roof
- Irregular plan
- Asymmetrical façade
- Projecting or bay window
- Varying wall materials and decorative elements
 - Shingles
 - Bargeboard
 - Brackets
 - Belt courses
 - Window surrounds

3. Geography:

A. Have a prominent location or be an established, familiar and orienting visual feature of the contemporary city;

- High-style residence occupies a prominent location on an elevated rise
 - Overlooks Jefferson Park
- Steeply raised position provides views of both the park and Denver
 - Geographic point highlights structure
- Located along the West 23rd Avenue thoroughfare

Chapter 30, DRMC – Property Required to:

- Relate to a Historic context or theme
 - Late-nineteenth century, high-style Queen Anne style residence that reflects the development and growth of Denver during its early boom years

- Comments and petitions received
 - Letters and emails from the public submitted
 - 8 in support
 - 1 in opposition
 - Comments from owner’s representatives
 - Online petition
 - In support of the application
 - Owner’s presentation to LPC
 - Letter from Applicant

1. Maintain its Historic and Physical Integrity ✓
2. Meet One Designation Criterion in Two or More of the Following Categories:
 - History
 - 1c - Associated with persons who had influence on society ✓
 - Architecture
 - 2a - Embody distinguishing characteristics of an architectural style or type ✓
 - Geography
 - 3a - Have a prominent location or be an established, familiar, and orienting visual feature of the contemporary city ✓
3. Relate to a Historic Context or Theme ✓

LPC Vote: 8-0

“To recommend landmark designation based on History Criteria 1c, Architecture Criteria 2a, and Geography Criterion 3a.”

- Building and neighborhood survey meant to identify historic and architecturally significant structures citywide
- Discover Denver's mission is threefold:
 - To identify the places that matter to Denver's history
 - To share the value of these historic resources to promote public pride and awareness
 - To encourage a culture of reinvestment
- Proactively worked with RNOs in each survey area
