

**REQUEST FOR VACATION ORDINANCE**

**TO:** Karen Walton, City Attorney's Office  
**FROM:** Robert J. Duncanson, P.E.,  
Manager 2, Development Engineering Services  
**ROW #:** 2012-0486-05  
**DATE:** April 7, 2014  
**SUBJECT:** Request for an Ordinance to vacate five areas in the South Sloan's Lake redevelopment area, with reservations.

It is requested that the above subject item be placed on the next available Mayor Council Agenda.

This office has investigated the request of Laura Aldrete of Parsons Brinckerhoff, on behalf of EFG South Sloan's Lake LLC, for granting of the above requested vacation. This matter has been field inspected and has been coordinated with Asset Management; Colorado Department of Transportation [if State Highway]; Comcast Corporation; Commission for People with Disabilities; Community Planning & Development - Building Inspections, Planning and Zoning; Councilperson; Fire Department; Metro Wastewater Reclamation District; Office of Emergency Management; Office of Telecommunications; Parks & Recreation; Public Works - DES - Construction Engineering, DES Engineering - Transportation & Wastewater, DES Survey, IPP Infrastructure Engineering and Street Maintenance; Qwest Corporation; Regional Transportation District; Denver Water Department; Xcel Energy, all of whom have returned our questionnaires indicating their agreement.

Therefore, you are requested to initiate Council action to vacate the following area:

**INSERT PARCEL DESCRIPTION ROW 2012-0486-05-004 HERE**  
**INSERT PARCEL DESCRIPTION ROW 2012-0486-05-005 HERE**

The following information, pertinent to this request action, is submitted:

1. The width of the areas varies – there are five locations.
2. Transportation connectivity is preserved so that there will be minimal impacts to the transportation system.
3. The area is open and is minimally being used.
4. **Seven** buildings abut said area.
5. The owner of the contiguous area would benefit by being able to make more effective use of their ground; the City would benefit by reduced maintenance responsibility.
6. Grades and drainage are not adversely affected by this action.
7. Replacement area will not be required.
8. **SEVEN** vacating notices **were** posted on March 13, 2014, and the 20-day period for protest has expired.
9. Adjoining Neighbor and Registered Neighborhood Organization notification **was** sent on March 13, 2014.
10. No protests have been filed.
11. Ordinance action by the City Council is considered to be necessary because the Council is the only City body authorized by the Charter to dispose of City property.
