6. **General description of proposed ordinance including contract scope of work if applicable:**

This contract is for the Capital Improvement Project for the Warning Siren Replacement System, this covers the cash portion (non-financed portion) and is split between the CIP fund, 911 fund, and the DIA fund. The purpose of this project is to upgrade the City's outdoor warning siren system, used to notify the public of tornadoes or other emergencies that require immediate sheltering. 56 obsolete sirens will be replaced with modern sirens, and 21 existing sirens (including nine at DIA) will be upgraded to be compatible with the new system.

**\*\*Please complete the following fields:** *(Incomplete fields may result in a delay in processing. If a field is not applicable, please enter N/A for that field – please do not leave blank.)*

- a. **Contract Control Number:**
- b. **Duration:** 2012 - 2015
- c. **Location:** Throughout City and County of Denver
- d. **Affected Council District:** All
- e. **Benefits:** This project will significantly improve Denver's ability to notify the populace of an emergency event that requires immediate sheltering, such as a tornado. The new system will be more disaster-resilient, easier to maintain, will provide 2-way user feedback, and will eliminate current gaps in siren coverage. The new system will also be compliant with recent FCC regulations.
- f. **Costs:** \$611,577.00

7. **Is there any controversy surrounding this ordinance?** *(Groups or individuals who may have concerns about it?)* Please explain. No
