

Denver City Council

Amendment to CB17-1396

Councilman Kevin Flynn

December 18, 2017

Mr. President: I move to amend Council Bill 17-1396 in the following particulars:

1. On Page 2, Line 40, insert the following new sentence: "Notwithstanding the foregoing, City Council does not hereby authorize the Mayor, or his duly authorized representatives, to acquire the entire Property in fee simple title from any third party (not including interests currently owned by the City); provided that authority is hereby given to acquire lesser portion(s) of the Property in fee simple title as may be necessary or desirable to provide for the Project."

Explanation: This amendment precludes the acquisition of the entire Property by fee simple title.
