19 (a) Animal Protection Officers shall have the power and duty to enforce all provisions of this  
20 chapter or any other provision of this Code pertaining to animals.

21 (b) Animal Protection Officers are hereby designated as peace officers and shall be authorized

24 this chapter or other applicable law.

25 (c) It shall be lawful for an Animal Protection Officer to go upon private property to capture any  
26 animal to be impounded for, or to investigate any report of, a violation of this chapter if:

27 (1) The officer has obtained consent of the person in possession of the property;

28 (2) The officer has obtained a valid search warrant;

- 1           (3)    The officer is in pursuit of an animal which the officer has probable cause to believe
- 2                    has bitten a person; or
- 3           (4)    The officer is attempting to abate a continuing violation, involving a substantial risk to
- 4                    the health or safety of the public or of the animal, when the owner of the property is
- 5                    not available;

6           Nothing in subsections (3), or (4) of this section shall be deemed to authorize entry into any

- 12           enter and inspect the property or vehicle in or upon which the animal is kept, and may use
- 13           any reasonable means required to effect such entry and make such inspection, whether the

- 15           obtained or not. If the property or vehicle is occupied, the Animal Protection Officer shall first
- 16           present proper credentials to the owner or occupant of the property or vehicle and demand
- 17           entry, explaining his reasons therefor and the purpose of the inspection.

18   **Sec. 8-5. Animal-related nuisance.**

- 19   (a)    No person shall keep or maintain or permit the keeping of, on any premises owned,
- 20           occupied or controlled by such person, any animal otherwise permitted to be kept, which by
- 21           frequent or habitual howling, meowing, squawking or other noise, unreasonably disturbs the
- 22           peace and quiet of any neighborhood or causes discomfort or annoyance to any person.
- 23           This section shall not apply to dogs (see section 8-18).
- 24   (b)    The county court, in addition to any penalty imposed pursuant to section 1-13, may order
- 25           the owner or keeper of the animal to abate the nuisance created under subsection (a) or

9 discharge of his or her official duties. For purposes of this subsection, the term “lawful order”  
10 shall be strictly construed and shall include only such orders that relate directly to matters of  
11 substantial importance in the discharge of the official duties of Animal Protection Officers. It  
12 is an affirmative defense to this subsection that failure to obey the lawful order did not  
13 interfere with or hinder the Animal Protection Officer.

14           **Sec. 8-8. Limitation on keeping of animals.**

15           It shall be unlawful for any person to keep or house animals in violation of Denver Zoning

18           The Board is hereby authorized to establish, by rules and regulations, a reasonable amount  
19 to be assessed as the fees authorized by this chapter. The Executive Director may, in the  
20 Executive Director's discretion, waive any and all fees authorized under the provisions of this  
21 chapter, in whole or in part, where the payment of such fees is a demonstrated financial hardship,  
22 or the waiver is otherwise in the public interest. Every three years, the Board may adjust the fee  
23 structure based upon the change in the Consumer Price Index for the Denver-Boulder area.

24           **Secs. 8-10—8-15. Reserved.**

- 1 (a) It shall be unlawful for any owner or keeper of any dog to fail to prevent the same to run at  
2 large.
- 3 (b) It shall be the duty of the chief of police, and all other police officers and all Animal  
4 Protection Officers, to see that a dog found running at large is taken up and impounded in  
5 the Denver Animal Shelter, and such dog may be so taken up without the necessity of filing  
6 a complaint and shall be impounded and disposed of in accordance with provisions of article  
7 VII of this chapter.
- 8 (c) Subsection (a) of this section shall not apply if the dog is within a designated off-leash  
9 enclosure and is being supervised by an owner or keeper who is at least eighteen (18)  
10 years of age.
- 11 (d) The Executive Director may, with the concurrence and consent of the chief agency  
12 executive with control responsibility for the property involved, designate specific areas for  
13 dog off-leash enclosures. The Executive Director shall, pursuant to article VI of chapter 2 of  
14 this Code, propose to the Board rules and regulations for the construction and use of dog  
15 off-leash enclosures.

16 **Sec. 8-17. Barking dog.**

- 17 (a) It shall be unlawful for an owner or keeper of any dog to fail to prevent such dog from  
18 disturbing any person or neighborhood by loud and persistent or habitual barking, howling  
19 or yelping.
- 20 (b) An administrative citation or a summons and complaint issued for violation of this section  
21 shall be:
  - 22 (1) signed by an Animal Protection Officer that personally witnessed the violation;
  - 23 (2) supported by at least two (2) identified complaining witnesses from separate  
24 households; or
  - 25 (3) supported by one (1) complaining witness if there also exists competent evidence  
26 admissible at trial to prove a prima facie case of a violation of this section.
- 27 (c) In any prosecution for a violation of this section, the fact that any loud dog barking which  
28 disturbed any person or neighborhood occurred either:
  - 29 (1) Between the hours of 10:30 p.m. and 7:30 a.m.; or

1 (2) When none of the residents who reside at the place where the barking dog is being  
2 kept are at home;  
3 shall create a rebuttable presumption that the dog barking was unlawful.

4 **Sec. 8-18. Barking dog nuisance.**

- 5 (a) Any dog which has been allowed or permitted to persistently and chronically violate section  
6 8-17, as demonstrated by one (1) or more convictions for violating section 8-17, and the  
7 receipt of subsequent complaints from more than one (1) household, is declared to be a  
8 public nuisance and may be impounded upon compliance with the procedures outlined in  
9 subsections (b) through (g).
- 10 (b) Whenever any chronic barking dog nuisance as defined in subsection (a) of this section is  
11 found on any premises within the jurisdiction of the city, a written notice shall be given to the  
12 owner or keeper of the dog, or to the owner, occupant, person in possession, person in  
13 charge, or person in control of the premises where the dog is located, or a written notice  
14 shall be posted at such premises when none of the above people can be found at the  
15 premises. Such notice shall be signed by the director of Denver Animal Protection or their  
16 designee and shall give the person or persons to whom it is directed no less than seventy-  
17 two (72) hours (three (3) days) nor more than one hundred twenty (120) hours (five (5)  
18 days) to abate the chronic barking dog nuisance. Such notice shall also state that the dog  
19 may be impounded if the barking dog nuisance is not abated.
- 20 (c) If, after the time given to comply with the notice has passed, the barking dog nuisance has  
21 not been abated, the director of Denver Animal Protection may: (1) summarily abate the  
22 barking dog nuisance by impounding the barking dog; (2) assess the costs of such  
23 abatement against the property or owner thereof, to be collected by suit or otherwise; and  
24 (3) issue a citation for the violation of this section. The impoundment shall continue until the  
25 resolution of the citation issued in conjunction with the impoundment or, until the Executive  
26 Director or a hearing officer has conducted the administrative hearing described in this  
27 section and determined that the dog does not constitute a barking dog nuisance and should  
28 be released.
- 29 (d) At the time any dog is impounded as a barking dog nuisance, the director of Denver Animal  
30 Protection or their designee shall (1) serve a notice on the owner or keeper of the dog, or to  
31 the owner, occupant, person in possession, person in charge, or person in control of the

1 premises where the dog is located; or (2) a written notice shall be posted at such premises  
2 when none of the above people can be found at the premises. Such notice shall be signed  
3 by the director of Denver Animal Protection or their designee. Such notice shall state that  
4 the dog has been impounded as a chronic barking dog nuisance under this section; that the  
5 owners or keepers of the dog are entitled to a hearing to contest the impoundment; that to  
6 obtain such a hearing, the owner or keeper must submit a written petition for release of the  
7 dog, containing the petitioner's name and address, including mailing address, and the  
8 reason the dog should not be classified as a chronic barking dog nuisance; and that this  
9 petition must be filed with the Executive Director within five (5) days of the impoundment. If  
10 the last day of this five-day period falls on a Saturday, Sunday, or holiday, the time for filing  
11 the petition shall be extended to the next regular business day.

12 (e) When a dog has been impounded pursuant to this section, and the owner or keeper of such  
13 dog disputes the classification of such dog as a chronic barking dog nuisance, the owner or  
14 keeper of such dog may file a written petition for a hearing concerning such classification  
15 with the Executive Director no later than five (5) days after impoundment. If the last day of  
16 this five-day period falls on a Saturday, Sunday, or holiday, the time for filing the petition  
17 shall be extended to the next regular business day. Such petition shall include the  
18 petitioner's name and address, including mailing address and the reason the petitioner  
19 believes the dog should not be classified as a chronic barking dog nuisance. The petition  
20 shall be set for a hearing to be held on a date no more than twenty (20) days after the date  
21 the petition is filed. The Executive Director shall issue a notice of the hearing date by mailing  
22 a copy to the petitioner's address no later than ten (10) days prior to the date of the hearing.  
23 Where the owners or keepers of the dog fail to file a written petition with the Executive  
24 Director within five (5) days of the impoundment, excluding Saturdays, Sundays, and  
25 holidays, they shall be deemed to have waived their right to a hearing to contest the  
26 classification of the dog as a chronic barking dog nuisance.

27 (f) The hearing on the chronic barking dog classification shall be held before the Executive  
28 Director or a hearing officer designated by the Executive Director. The sole issue at the  
29 hearing shall be whether the dog constitutes a chronic barking dog nuisance as defined in  
30 subsection (a) of this section. The hearing shall not address the sufficiency of abatement or  
31 any other issues.

1 (g) It shall be unlawful to fail to comply with a notice to abate a nuisance issued as provided in  
2 subsection (b).

24 the owner or keeper of the inoculated dog or cat and to mail one (1) copy to the office of the  
25 Executive Director within five (5) days from the date of the inoculation. A third copy of the  
26 certificate shall be retained by the veterinarian. At the time of the inoculation of any dog or cat, the

18 that has not been spayed or neutered except as provided in section 8-56.

19 (b) It is the purpose of this section to promote the health, safety, and general welfare of the  
20 residents of the city by reducing the number of stray dogs and cats. The council finds that  
21 each year tens of thousands of dogs and cats are euthanized in the city because they are  
22 not wanted. It is the purpose of this section to eliminate the excessive number of unwanted  
23 animals and thereby stop the needless killing of these animals by restricting the breeding  
24 practices of pet owners and breeders through legislation that is both reasonable and  
25 enforceable.

26 **Sec. 8-56. In-tact permit requirements.**

27 The prohibition contained in section 8-55 shall not apply:

- 1 (a) If a licensed veterinarian states in writing that an animal is unfit to undergo the required  
2 surgical procedure because of an extreme health condition of the animal. Such extreme  
3 health condition shall include, but not be limited to: severe cardiovascular compromise,  
4 bleeding disorder, respiratory disease and hepatic disease. The old age of an animal shall  
5 not, of itself, constitute an extreme health condition for purposes of this section.
- 6 (b) If the owner of the animal annually obtains a permit from Denver Animal Protection to  
7 possess an animal that is not spayed or neutered. The permit shall be issued or renewed  
8 only if the department determines that the following conditions have been met:
  - 9 (1) The animal is kept current on the rabies vaccination;
  - 10 (2) The animal is not housed with another intact animal of the same species and  
11 opposite sex in the same household;
  - 12 (3) The owner has not had more than two (2) violations of the provisions of Chapter 8 of  
13 the Code in the preceding twenty-four (24) months;
  - 14 (4) The owner pays a permit fee established by the Board. The permit fee is intended to  
15 cover a portion of the cost which the city currently incurs for each unwanted animal  
16 impounded and euthanized; and
  - 17 (5) The Executive Director determines that approval of the permit is in the interests of the  
18 animal as well as the health and welfare of the public.
- 19 (c) If an animal is temporarily in the city to participate in a show or event sponsored by a  
20 sanctioned animal organization; or
- 21 (d) If an animal is owned or kept in the city for fewer than thirty (30) days in a one-year period.

22 **Sec. 8-57. Dismissal upon compliance.**

23 Notwithstanding the provisions of subsection 1-13(a), a criminal citation for violation of this  
24 division shall be dismissed if there is proof of compliance with the terms of this division within thirty  
25 (30) days of the date of the summons or impoundment.

26 **Secs. 8-58—8-60. Reserved.**

27 **DIVISION 4. – ANIMAL ATTACK OR BITE AND DANGEROUS AND POTENTIALLY**  
28 **DANGEROUS ANIMALS**

1 **Sec. 8-61. Animal attack or bite.**

- 2 (a) Any owner or keeper of an animal shall be liable pursuant to this Code for the behavior of  
3 such animal, and it shall be unlawful if such animal attacks or bites:
- 4 (1) any person or domestic animal not on the premises of such owner;
- 5 (2) any person or domestic animal upon the premises of the residence of such owner or  
6 upon the premises of any business establishment not then open to the public. It is an  
7 affirmative defense to this paragraph if such premises are previously posted at each  
8 entrance with a prominent and conspicuous sign warning all persons, in lettering not  
9 less than two (2) inches in height, of the animal and if the animal is securely confined  
10 indoors or confined in a secure enclosure as defined in section 8-2(w); or
- 11 (3) any person or domestic animal upon the premises of any business establishment that  
12 is open to the public.
- 13 (b) The fact that the animal was not in the possession of the owner or keeper at the time of the  
14 attack or bite shall not constitute a defense to this section.
- 15 (c) The provisions of this section shall not apply to any law enforcement officer who uses an  
16 animal while engaged in law enforcement activities, nor to any owner of any animal which  
17 attacks or bites a person engaged in physically attacking or striking such owner.
- 18 (d) It shall be an affirmative defense to this section that the actual or intended victim of any  
19 attack:
- 20 (1) made an unlawful entry into the dwelling of the animal's owner or keeper;
- 21 (2) made unlawful entry into a vehicle in which the animal was confined;
- 22 (3) threatened or attacked an owner or keeper of the animal;
- 23 (4) provoked, tormented, abused, or inflicted injury upon the animal in such a manner as  
24 to result in the attack or bite; or
- 25 (5) attempted to assault another person.

26 **Sec. 8-62. Dangerous animals.**

- 27 (a) *Dangerous Animal* means any animal, except an animal assisting a law enforcement officer  
28 engaged in law enforcement duties, that has:

- 1           (1)    Caused serious bodily injury to any other person or domestic animal, or behaves in a  
2                    manner that would have resulted in such serious bodily injury except for the fact that  
3                    there was physical intervention by a person;
- 4           (2)    Been previously adjudicated as a Potentially Dangerous Animal under Section 8-63,  
5                    and the owner has failed to abide by a previously issued court order issued pursuant  
6                    to this division; or
- 7           (3)    Been previously adjudicated as a Potentially Dangerous Animal under Section 8-63,  
8                    and subsequently engaged in behavior that poses a substantial threat to the public.
- 9   (b)    It is unlawful to own any Dangerous Animal within the city.
- 10   (c)    The affirmative defenses in section 8-61(d) shall also apply in this section.

11   **Sec. 8-63. Potentially dangerous animals.**

- 12   (a)    *Potentially Dangerous Animal* means any animal, except an animal assisting a law  
13            enforcement officer engaged in law enforcement duties, that may be a threat to public safety  
14            as may be demonstrated by any of the following behaviors:
  - 15            (1)    Causes any bodily injury less than serious bodily injury to any person, domestic  
16                    animal, or livestock at any place within the city;
  - 17            (2)    Without provocation, approaches any person in a menacing or terrorizing manner or  
18                    in an apparent attitude of attack, whether such person is in motion or standing still,  
19                    and whether such person is on foot, on or in a vehicle or device which allows such  
20                    person to be in motion; or
  - 21            (3)    Attacks any person, domestic animal, or livestock who is lawfully on the owner's or  
22                    keeper's property.
- 23   (b)    It is unlawful to own or keep any Potentially Dangerous Animal within the city unless:
  - 24            (1)    The owner or keeper obtains a valid Potentially Dangerous Animal permit issued  
25                    pursuant to section 8-64 and is in full compliance with all terms and conditions of  
26                    such permit; or
  - 27            (2)    Denver Animal Protection has removed the obligation of the owner or keeper to  
28                    obtain a Potentially Dangerous Animal permit pursuant to section 8-64(d).

1 After any animal has been adjudicated potentially dangerous through conviction or  
2 entry of a plea in the county court, the animal may be permitted to remain in the city  
3 if, and only if, the owner applies for and receives a Potentially Dangerous Animal  
4 permit from Denver Animal Protection. The county court shall order any such owner  
5 or keeper of a Potentially Dangerous Animal to apply for such permit within five (5)  
6 days of the date of conviction and to maintain such permit for such animal.

7 (c) The affirmative defenses in section 8-61(d) shall also apply in this section.

8 (d) For purposes of this section, a person is lawfully upon the premises of an owner or keeper  
9 when such person is on the premises in the performance of any duty imposed by law or by  
10 the express or implied invitation of the owner of such premises or the owner's agent.

11 **Sec. 8-64. Potentially dangerous animal permit.**

12 (a) Applications for Potentially Dangerous Animal permits shall include:

- 13 (1) The name and address of the applicant and of the owner or keeper of the animal;
- 14 (2) The names and addresses of two (2) persons who may be contacted in the case of  
15 emergency;
- 16 (3) An accurate description of the animal for which the permit is requested;
- 17 (4) The address or place where the animal will be located;
- 18 (5) A permit fee for the animal. In addition to the license fees provided by sections 8-48  
19 and 8-50 of this Article, the owner or keeper of a Potentially Dangerous Animal shall  
20 pay an annual permit fee as set by the Board to register and maintain registration of  
21 such owner or keeper's animal as a Potentially Dangerous Animal;
- 22 (6) Proof that the animal has had a microchip implanted;
- 23 (7) Proof that the animal has a current rabies vaccination; and
- 24 (8) Such other information as Denver Animal Protection may require.

25 (b) Conditions of a Potentially Dangerous Animal permit:

- 26 (1) Any owner or keeper of a Potentially Dangerous Animal shall be jointly and severally  
27 responsible with all other owners or keepers of such animal for compliance with the  
28 requirements of this section and the permit issued hereunder.

- 1           (2)    Any owner or keeper of any Potentially Dangerous Animal shall be allowed only one  
2                   (1) permitted Potentially Dangerous Animal, and no household within the city shall be  
3                   allowed to harbor more than one (1) permitted Potentially Dangerous Animal at any  
4                   time.
- 5           (3)    Any owner or keeper of a Potentially Dangerous Animal shall be eighteen (18) years  
6                   of age or older.
- 7           (4)    The location where the Potentially Dangerous Animal is possessed or maintained  
8                   must be kept clean and sanitary, and the animal must be provided proper and  
9                   adequate food, water, ventilation shelter, and care at all times.
- 10          (5)    Denver Animal Protection must be permitted to inspect the animal and premises for  
11                   compliance with this section at any reasonable time.
- 12          (6)    The owner or keeper of the Potentially Dangerous Animal shall microchip such  
13                   animal and shall provide proof of implantation and registration of the microchip at the  
14                   time of the permit application.
- 15          (7)    The owner or keeper of a Potentially Dangerous Animal shall notify Denver Animal  
16                   Protection in person or by telephone of any of the following occurrences within the  
17                   scheduled time frames as set forth in this subsection:
- 18                   a.     Within eight (8) hours after the animal has escaped or has otherwise ceased  
19                           to be in custody of the owner or keeper for any reason, unless the owner or  
20                           keeper knows such animal to be physically secured, restrained or confined  
21                           and to be in the custody of another adult who is competent.
- 22                   b.     Within eight (8) hours after the animal has attacked a person or another  
23                           domestic animal.
- 24                   c.     If the animal has died or if the owner or keeper of the Potentially Dangerous  
25                           Animal or the location of the Potentially Dangerous Animal's primary habitat is  
26                           changed to a person or location outside of the city, the animal owner or keeper  
27                           listed on the permit shall notify Denver Animal Protection within twenty-four  
28                           (24) hours of such change, including the name, address, and telephone  
29                           number of the new owner. If the owner or keeper of the animal or the location  
30                           of the animal's primary habitat is changed to a person or location at a different

1 address within the city, the animal owner or keeper listed on the permit shall  
2 notify Denver Animal Protection within twenty-four (24) hours of the change,  
3 including the name, address, and telephone number of the new owner, and  
4 the new owner may be permitted to modify the permit to reflect the new  
5 owner's name in the discretion of Denver Animal Protection, but such  
6 modification must be obtained within five (5) days of the change. The fee for a  
7 permit modification shall be as set by the Board.

8 (8) In the discretion of Denver Animal Protection or as ordered by the county court,  
9 Potentially Dangerous Animal permits may also contain one or more of the following  
10 conditions:

- 11 a. Except under the circumstances otherwise specifically permitted by this  
12 section, a Potentially Dangerous Animal shall at all times be maintained inside  
13 a secure enclosure.
- 14 b. The Potentially Dangerous Animal shall not be present, kept, or maintained at  
15 any location other than as specified in the permit.
- 16 c. If the Potentially Dangerous Animal is a dog, a sign with at least two-inch  
17 letters declaring "Dangerous Dog on Premises" in a visible and conspicuous  
18 location near each entrance to the property where the dog is kept which is  
19 clearly visible to the general public shall be posted on the premises where  
20 such dog is kept, warning that there is a dog on the premises which presents a  
21 potential danger to persons. Such sign shall also include a symbol sufficient to  
22 convey, without the use of words, the message that there is a dog on the  
23 premises which presents a potential danger to persons.
- 24 d. The Potentially Dangerous Animal shall not be permitted to be outside a  
25 proper enclosure on the premises named in the permit except for the purpose  
26 of obtaining supervised and attended exercise, veterinary care, being sold or  
27 given away or to comply with any provision of law or directive of an Animal  
28 Protection Officer. When outside the proper enclosure for such permitted  
29 purposes, the animal must be properly muzzled and restrained by a  
30 substantial chain or leash not to exceed six (6) feet in length under the control

1                   of a responsible adult at all times who has the physical ability to restrain the  
2                   movement of such animal.

3 (c)     Except as provided in subsection (d) below, the Potentially Dangerous Animal permit shall  
4           be renewed annually with Denver Animal Protection.

5 (d)     If a Potentially Dangerous Animal has been permitted thirty-six (36) consecutive months and  
6           there have been no complaints or reports of behavior indicating that the animal continues to  
7           be a threat to public safety, the owner or keeper may make a written request to Denver  
8           Animal Protection to remove the animal’s classification as a Potentially Dangerous Animal.  
9           The declassification of a Potentially Dangerous Animal is in the sole discretion of Denver  
10          Animal Protection. If the animal’s classification is removed, the owner is no longer required  
11          to maintain a valid Potentially Dangerous Animal permit.

12 **Sec. 8-65. Dangerous and potentially dangerous animal hearing.**

13           Upon motion by the city, the county court may determine *ex parte* whether reasonable  
14          grounds exist to find that an animal may constitute a danger to any person or persons if not  
15          impounded. If the court finds that reasonable grounds exist, the court may enter orders to have the  
16          animal seized and impounded or to extend the impoundment, until the completion of all legal  
17          proceedings to determine whether a violation of sections 8-61, 8-62, or 8-63 has occurred. If an  
18          animal is ordered to be impounded pursuant to this subsection, the owner or keeper of the animal  
19          shall have fourteen (14) days to a request a hearing in the county court to review the order. The  
20          hearing shall be set within fourteen (14) days of the owner or keeper’s hearing request.

21 **Sec. 8-66. Supplemental remedies.**

22           The county court, in addition to any penalty imposed pursuant to section 1-13 of this Code,  
23          may order a person convicted of sections 8-61, 8-62, or 8-63 to confine the animal immediately  
24          and continuously so as to prevent the animal from attacking or biting any person or animal; remove  
25          and maintain the animal outside of the city; or other dispositive action, including disposition of the  
26          animal or surrender of ownership of the animal, as deemed necessary by the court. Failure to  
27          comply with any such order shall be deemed a violation of this section.

28 **Sec. 8-67. Pit bulls prohibited.**

29 (a)     It shall be unlawful for any person to own or keep any pit bull within the city.

- 1 (b) Exceptions. The prohibition in subsection (a) of this section shall not apply in the following  
2 enumerated circumstances. Failure by the owner to comply and remain in compliance with  
3 all of the terms of any applicable exception shall subject the pit bull to immediate  
4 impoundment and disposal pursuant to subsection (d) of this section, and shall operate to  
5 prevent the owner from asserting such exception as a defense in any prosecution under  
6 subsection (a).
- 7 (1) The owner of a pit bull, who has applied for and received a dog license for such pit  
8 bull at the Denver Animal Shelter on or before the date of publication of the  
9 ordinance enacting this section [August 7, 1989], who has applied for and received a  
10 pit bull license in accordance with subsection (c) of this section, and who maintains  
11 the pit bull at all times in compliance with the pit bull license requirements of  
12 subsection (c) of this section and all other applicable requirements of this chapter,  
13 may keep a pit bull within the city.
- 14 (2) Denver Animal Protection may temporarily harbor and transport any pit bull for  
15 purposes of enforcing the provisions of this chapter.
- 16 (3) Any humane society operating an animal shelter which is registered and licensed by  
17 the city may temporarily hold any pit bull that it has received or otherwise recovered,  
18 but only for so long as it takes to contact Denver Animal Protection and either turn  
19 the pit bull over to Denver Animal Protection employees or receive permission to  
20 destroy or have destroyed the pit bull pursuant to the provisions of subsection (d).
- 21 (4) A person may temporarily transport into and hold in the city a pit bull only for the  
22 purpose of showing such pit bull in a place of public exhibition, contest or show  
23 sponsored by a dog club association or similar organization. However, the sponsor of  
24 the exhibition, contest, or show must receive written permission from the Executive  
25 Director, must obtain any other permits or licenses required by city ordinance, and  
26 must provide protective measures adequate to prevent pit bulls from escaping or  
27 injuring the public. The person who transports and holds a pit bull for showing shall,  
28 at all times when the pit bull is being transported within the city to and from the place  
29 of exhibition, contest, or show, keep the pit bull confined in a secure temporary  
30 enclosure as defined in section 8-2(x).

1           (5)    Except as provided in subdivision (b)(4), above, the owner of a pit bull may  
2                   temporarily transport through the city a pit bull only if such owner has obtained a valid  
3                   transport permit from the Executive Director. Upon request, the Executive Director  
4                   shall issue such permits only upon a showing by the owner that the pit bull is being  
5                   transported either from a point outside the city to a destination outside the city, or  
6                   from a point outside the city to an airport, train station or bus station within the city. In  
7                   the latter case, such owner must provide evidence of an intent to send or take the pit  
8                   bull outside of the city by producing an airline, train or bus ticket, or other equivalent  
9                   document, showing a departure time within six (6) hours of the time of the transport.  
10                  At all times when the pit bull is being transported within the city, it must be kept  
11                  confined in a secure temporary enclosure as defined in section 8-2(x) of this section.  
12                  In all cases before issuing a transport permit, the Executive Director must find that  
13                  the transport would not constitute an unnecessary or undue danger to the public  
14                  health, welfare or safety, and shall not issue the permit where the Executive Director  
15                  cannot so find. All transport permits issued shall only be valid for the time, date and  
16                  pit bull specified on the permit, and shall not be construed to permit any activity  
17                  otherwise prohibited.

18   (c)    The owner of any pit bull which had been licensed pursuant to section 8-46 on or before the  
19                  date of publication of the ordinance enacting this section (Ordinance No. 404, Series of  
20                  1989) shall be allowed to keep such pit bull within the city upon compliance with the terms  
21                  of the exception contained in subdivision (b)(1) of this section only if the owner applies for  
22                  and receives an annual pit bull license on or before January 1, 1990. As a condition of  
23                  issuance of a pit bull license, the owner shall at the time of application comply with or  
24                  otherwise provide sufficient evidence that the owner is in compliance with *all* of the following  
25                  regulations:

26           (1)    The owner of the pit bull shall provide proof of rabies vaccination and shall pay the  
27                   annual pit bull license fee of fifty dollars (\$50.00).

28           (2)    The owner of the pit bull shall keep current the license for such pit bull through  
29                   annual renewal. Such license is not transferable and shall be renewable only by the  
30                   holder of the license or by a member of the immediate family of such licensee. A pit  
31                   bull license tag will be issued to the owner at the time of issuance of the license.  
32                   Such license tag shall be attached to the pit bull by means of a collar or harness and

1 shall not be attached to any pit bull other than the pit bull for which the license was  
2 issued. If the pit bull tag is lost or destroyed, a duplicate tag may be issued upon the  
3 payment of a two-dollar fee.

4 (3) The owner must be at least twenty-one (21) years of age as of January 1, 1990.

5 (4) The owner shall present to the Executive Director proof that the owner has procured  
6 liability insurance in the amount of at least one hundred thousand dollars  
7 (\$100,000.00), covering any damage or injury which may be caused by a pit bull  
8 during the twelve-month period covered by the pit bull license. The policy shall  
9 contain a provision requiring the insurance company to provide written notice to the  
10 Executive Director not less than fifteen (15) days prior to any cancellation,  
11 termination, or expiration of the policy.

12 (5) The owner shall, at the owner's own expense, have the pit bull spayed or neutered  
13 and shall present to the Executive Director documentary proof from a licensed  
14 veterinarian that this sterilization has been performed.

15 (6) The owner shall bring the pit bull to the Denver Animal Shelter where a person  
16 authorized by the Executive Director shall cause a registration number assigned by  
17 the department to be tattooed or otherwise marked on the pit bull. The Executive  
18 Director shall maintain a file containing the registration numbers and names of the pit  
19 bulls and the names and addresses of the owners. The owner shall notify the  
20 Executive Director of any change of address.

21 (7) At all times when a pit bull is at the property of the owner, the owner shall keep the pit  
22 bull securely confined indoors or confined in a secure enclosure as defined in section  
23 8-2(w). At all times when a pit bull is away from the property of the owner, the owner  
24 shall keep the pit bull either securely leashed and muzzled or in a secure temporary  
25 enclosure as that term is defined in section 8-2(x).

26 (8) The owner shall not sell or otherwise transfer the pit bull to any person except a  
27 member of the owner's immediate family who will then become the owner and will be  
28 subject to all of the provisions of this section. The owner shall notify the Executive  
29 Director within five (5) days in the event that the pit bull is lost, stolen, dies, or has a  
30 litter. In the event of a litter, the owner must deliver the puppies to the Denver Animal  
31 Shelter for destruction or permanently remove the puppies from Denver and provide

1 sufficient evidence of such removal by the time the puppies are weaned, but in no  
2 event shall the owner be allowed to keep in Denver a pit bull puppy born after the  
3 date of publication of Ordinance No. 404, Series 1989, that is more than eight (8)  
4 weeks old. Any pit bull puppies kept contrary to the provisions of this subdivision are  
5 subject to immediate impoundment and disposal pursuant to subsection (d) of this  
6 section.

7 (9) The owner shall have posted at each possible entrance to the owner's property  
8 where the pit bull is kept a conspicuous and clearly legible pit bull sign. Such pit bull  
9 sign must be at least eight (8) inches by ten (10) inches in rectangular dimensions  
10 and shall contain only the words "PIT BULL DOG" in lettering not less than two (2)  
11 inches in height.

12 (d) Notwithstanding the provisions of Article VII of this chapter, the Executive Director is  
13 authorized to immediately impound any pit bull found in the City and County of Denver  
14 which does not fall within the exceptions listed in subsection (b), above, and the Denver  
15 Animal Shelter may house or dispose of such pit bull in such manner as the Executive  
16 Director may deem appropriate, except as the procedures in subsection (e), below,  
17 otherwise require.

18 (e) When the Executive Director has impounded any pit bull dog pursuant to this section, and  
19 the owner of such dog disputes the classification of such dog as a pit bull, the owner of such  
20 dog may file a written petition with the Executive Director for a hearing concerning such  
21 classification no later than five (5) days after impoundment. Such petition shall include the  
22 name and address, including mailing address, of the petitioner. The Executive Director will  
23 then issue a notice of hearing date by mailing a copy to the petitioner's address no later  
24 than ten (10) days prior to the date of the hearing. Where no written request from the owner  
25 for a hearing is received by the Executive Director within five (5) days of impoundment, the  
26 pit bull shall be destroyed.

27 The hearing, if any, will be held before the Executive Director or a hearing officer designated  
28 by the Executive Director. Any facts which the petitioners wishes to be considered shall be  
29 submitted under oath or affirmation either in writing or orally at the hearing. The Executive Director  
30 or hearing officer shall make a final determination whether the dog is a pit bull as defined in section

1 8-2(u). Such final determination shall be considered a final order of the Executive Director subject  
2 to review under Rule 106(a)(4) of the state rules of civil procedure.

3 If the dog is found to be a pit bull, it shall be destroyed, unless the owner produces evidence  
4 deemed sufficient by the Executive Director that the pit bull is to be permanently taken out of  
5 Denver and the owner pays the cost of impoundment. If the dog is found not to be a pit bull, the
