This ordinance approves a Cooperation Agreement between the City and County of Denver and the Denver Urban Renewal Authority (DURA) for the 29th and Welton Property Tax Increment Area and Sales Tax Increment Area within the Welton Corridor Urban Redevelopment Area (Area"). The Area is centered around Welton Street and is generally bounded by Broadway Street on the west, Glenarm Place and 24th Avenue on the south, Downing Street on the east, and on the north either by California Street or the alley between Welton and California Streets. The 29th & Welton Project ("Project") will redevelop a 0.43-acre parcel located at the northwest corner of 29th Street and Welton Street. The site is currently owned by the Regional Transportation District ("RTD") and used for surface parking. The Project will provide 62 affordable, for-sale residential condos, approximately 6,950 square feet or commercial space and 33 surface parking spaces.

DURA, in coordination with the city, is seeking to establish a Property Tax Increment Area and Sales Tax Increment Area to support redevelopment through an amendment to the Welton Corridor Urban Redevelopment Plan. Staff with the City and DURA have agreed to an Urban Redevelopment Plan Amendment and Cooperation Agreement for the creation of the 29th and Welton Property Tax Increment Area and Sales Tax Increment Area and the use of TIF by DURA, subject to Denver City Council approval.

The Cooperation Agreement establishes the parameters for property and sales tax increment financing for the purpose of financing the Project for the benefit of the Area following approval by City Council. This action will be at FinGov on August 27, 2024.
