On-Call Parks Installation, Maintenance, Rehabilitation and Restoration Services
- Services Fact Sheet**

Department of Parks & Recreation Division of Planning, Design & Construction (PDC) - Contracts

PDC is seeking to establish a group of qualified on-call contractors available to respond to proposal bidding request for the execution of service work for the city's infrastructure.

Purpose and Use of Agreements:

The purpose of these on-call contracts is to establish and maintain a pool of qualified on-call contractors to install a variety of park projects for DPR. They will be available to respond to requests for proposals in the execution of PDC's work plan. These contracts are related to planning, design, and project implementation oversight. Each contract is led by a firm with a M/WBE requirement of at least 21% of the work of this contract.

The on-call installation, maintenance, rehabilitation and restoration services contract will be utilized for city-wide and site specific park improvements, walks, trails, landscape installation, irrigation installation, and general contracting work to improve parks throughout the city. The variety of work is typical for city parks and recreation infrastructure.

Procurement:

Eight (8) firms were selected based on qualified submittals and scoring.

Contracts Description:

Each contract has a three (3) year term and a capacity of \$15,000,000. The firms selected for these agreements are listed alphabetically.

- Ash & White Construction
- CTM
- ECI Site Construction Management
- Interlock Construction Corp
- Krische Construction Inc (KCI)
- Spectrum General Contractors
- T2 Construction
- Western States Reclamation

These contracts do not commit funds, nor do they guarantee any amount to the firms. These contracts are not an authorization of work. Authorization of work and commitment of funds are made via work order on an as needed basis.
