5. General description or background of proposed request. Attach executive summary if more space needed:

The Healthy Food for Denver’s Kids Initiative’s purpose is to provide funding to non-profit, schools and agencies of local government for food and food-based education. After a competitive selection process in 2020, DPS Career and College Success department was chosen for a project at Bruce Randolph School to build a hydroponic farm in a classroom. The hydroponic farm will ensure students recognize food justice and insecurity, understand health and nutrition, actively engage in STEM education and build a pathway to future income-- all while providing fresh and affordable produce to both students and their community through urban farming, food preparation and food preservation. This request is a continuation of the current project.
