- Location
 - Approx. 10,591 square feet or 0.24 acres
 - Two contributing structures to the Clements Historic District
- Proposal
 - Rezoning from PUD 194 & 369 to G-MU-3 UO-3 with waivers
 - Waiver to allow a manager to live on site or adjacent to the subject sites.

Proposed Waiver

Section 12.4.10.6 of the DZC enables official map amendment applicants to request a waiver of certain rights or obligations under the proposed zone district. This application includes a request for one waiver, as detailed in the attached application and which would read as follows:

Waive the provision in DZC 9.4.4.8.F.1 that “The applicant for establishment of the bed and breakfast lodging use is the owner of record and uses the structure as his/her principal residence,” and instead, a manager or operator of the bed and breakfast lodging use, who may or may not be the property owner, shall use a structure located at either 2137, 2147 or 2151 Tremont Place as his/her principal residence. The intent of the waiver is to remove the UO-3 requirement that the owner of the structure housing the bed and breakfast use that same structure as their principal residence and instead require a business manager or operator, who may or may not be the property owner, to live on site or adjacent to the permitted bed and breakfast lodging use
