5. General description or background of proposed request. Attach executive summary if more space needed:

Through the community led efforts of Ms. Lorraine Granado, she was able to turn a devastating toxic spill in to a community amenity in a neighborhood that is historically underserved with open space. Her work to obtain a grant allowed for land acquisition. Additional funding was donated by Ms. Granado for materials and playground equipment. She was integral in engaging community in the design process of the park.

The Denver Parks and Recreation Advisory Board held two public hearings – one in the November meeting, the second in December. Family members spoke in favor of the proposed name change at both hearings. Councilwoman CdeBaca, who represents Council District 9, spoke in favor of the proposal in the December hearing. PRAB approved the motion unanimously. Swansea Neighborhood Park sits between E. 52nd Avenue and E. 51st Avenue, bordering private property on the east and N. Steele St. on the west side of the park.
