

ORDINANCE/RESOLUTION REQUEST

Please email requests to the Mayor’s Legislative Team

at [MileHighOrdinance@DenverGov.org](mailto: MileHighOrdinance@DenverGov.org) by **3:00pm on Monday**. Contact the Mayor’s Legislative team with questions

Date of Request: 5/24/18

Please mark one: Bill Request or Resolution Request

1. Type of Request:

- Contract/Grant Agreement Intergovernmental Agreement (IGA) Rezoning/Text Amendment
- Dedication/Vacation Appropriation/Supplemental DRMC Change
- Other:

2. Title: (Start with *approves, amends, dedicates*, etc., include name of company or contractor and indicate the type of request: grant acceptance, contract execution, contract amendment, municipal code change, supplemental request, etc.)

Approves a contract with **Ames Construction, Inc** for the reconstruction project on Federal Boulevard from W. 7th Avenue to W Holden Place

3. Requesting Agency: Public Works

4. Contact Person:

Contact person with knowledge of proposed ordinance/resolution	Contact person to present item at Mayor-Council and Council
Name: Matt MacLachlan	Name: Sarah Stanek
Email: matthew.maclachlan@denvergov.org	Email: sarah.stanek@denvergov.org

5. General description or background of proposed request. Attach executive summary if more space needed: Work on this project involves the complete reconstruction of Federal Blvd. from W. 7th Ave. to W. Holden Place, including removal of all existing pavement and replacement with new concrete pavement, new raised landscaped medians, and the addition of a new third northbound lane. New sidewalks and curb ramps will also be constructed, as well as new traffic signals at W. 8th and W. 10th Avenues, and new trees on the east side of Federal Blvd. will be installed. Restriping of Federal Blvd. will be done on either end of the new widened stretch of roadway. The work also includes removals, installation of storm sewers, jacking of storm sewer, new outfall to Weir Gulch, retaining wall, curb and gutter, asphalt pavement and tie-in to side streets, irrigation systems for new landscaping, erosion control, traffic control, public involvement, and other related items. The Contractor will be required to prepare a Project Specific Regulated Asbestos Containing Soil Management Plan and provide a Certified Asbestos Building Inspector on-site during all excavation activities as specified in the Contract Documents.

6. City Attorney assigned to this request (if applicable): N/A

7. City Council District: 3

8. **For all contracts, fill out and submit accompanying Key Contract Terms worksheet**
