 - a. Scope of Work**

This Amendment is to document space changes resulting from Continental's move from Conc. A to Conc. B on February 28, 2010. Continental vacated all of its current leased space on Concourse A and took new Preferential Gates and support space on Concourse B. The purpose of the concourse relocation was to relocate Continental nearer to its Star Alliance partners (United and US Airways) and further align gate capacity with projected airline growth.

This Amendment also covers the reimbursement of Continental's relocation costs by the City. The reimbursement is estimated to be \$800,000 and will be fully recovered through Concourse B tenant charges.

These space changes will improve asset utilization across the airport by allowing Star Alliance partners to be on the same concourse.
