- 5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**
 - a. Scope of Work**

This contract ammendment will provide additional design services to be paid out of the original 2008 Bond project budget for the redesign of the multi-purpose athletic fields from natural turf to synthetic turf fields. The additional design fees also include fees for a redesign of the park's electrical wiring distribution system and additional funds for construction observation. The change will also incorporate the reduction in fees from the original contract for design services related to the skate park plaza as it is no longer included in the consultant's scope of work. Based on the additional scope of work, the ammendment will increase the contract performance period to 12/31/11
 - b. Duration**

Construction through August 2011. Design contract through December 31, 2011.
 - c. Location**

Parkfield Lake Park, Phase 3
 - d. Affected Council District**

11
 - e. Benefits**

This design contract ammendment will result in improved design and construction documents and additional construction oversight resulting in a higher quality built park and improved facilities available for the community.
 - f. Costs**

\$23,050

6. Is there any controversy surrounding this ordinance, groups or individuals who may have concerns about it? Please explain.
