ii. The City determines that any warranty, representation, or statement made or furnished to the City by or on behalf of Borrower in connection with this Loan Agreement proves to have been false in any material respect when made or furnished;

iii. Borrower becomes delinquent to the City Loan or on any other contractual or tax obligations as due;

iv. Borrower fails to comply with any rule, regulation or provision referred to in the Loan Agreement;

v. Borrower fails to maintain a cash balance that is sufficient to cover sixty (60) days of Borrower's operating expenses; and

Borrower is generally unable to pay its debts as they become due, or shall make an assignment for the benefit of creditors; or Borrower applies for or consents to the appointment of any receiver, trustee or similar officer for it or for all or any substantial part of its property; or such a receiver, trustee or similar officer is appointed without the application or consent of Borrower, and such appointment continues undischarged for a period of ninety (90) days; or Borrower institutes (by petition, application, answer or otherwise) any bankruptcy, insolvency, reorganization, readjustment of debt, dissolution, liquidation or similar proceedings under the laws of any jurisdiction; or any such proceeding shall be instituted against Borrower; or Borrower terminates or dissolves.

After Borrower's receipt of the written notice, Borrower or a person on behalf of Borrower shall have ten (10) calendar days to cure any monetary default and thirty (30) calendar days to cure any nonmonetary default (collectively, the "Cure Period"). If a nonmonetary default is not a type which can be cured within the Cure Period, the City, at its reasonable discretion, may extend the cure period if Borrower provides the City with a reasonably detailed written plan of how Borrower will cure the nonmonetary default and Borrower, at all times within such additional time period, actively and diligently pursues such plan. C. Acceleration; Interest Upon Default; and Withholding Disbursements. Upon

the existence of a default and the failure to cure within the Cure Period, and without necessity of further notice, presentment, demand, protest, or notice of protest of any kind, all of which are expressly waived by Borrower, the City shall have the right to accelerate any outstanding obligations of Borrower, including any outstanding obligations of both the Cash Flow Portion and Performance Portion, which shall be immediately due and payable, including payments under the Promissory Note, and to enforce or assign its rights under the Collateral Assignment, including, but not limited to foreclosing on the property. Borrower agrees to pay a late fee of five percent (5%) of any installment not received on or before the day the installment is due. Upon default and if the default remains after the Cure Period, the principal shall draw interest at the rate of fifteen percent (15%) per annum. If any of the Loan funds have not been disbursed to Borrower, the City may suspend or terminate the Loan Agreement, in whole or in part, and withhold one hundred percent (100%) of any undisbursed funds.

D. Effect of Default on Eligibility for Further Funding. If Borrower is in default, the City may declare Borrower ineligible for any further participation in City funding, in addition to other remedies as provided by law.

EXHIBIT C
(Affirmative Marketing)

City and County of Denver
Affirmative Marketing Program

The City and County of Denver is committed to the goal of adequate housing for all its citizens and to affirmatively furthering fair housing opportunities. The City has developed written material explaining the City's Housing Programs for dissemination and will inform the public, owners, and potential tenants about Federal fair housing laws. These materials will display the "equal housing opportunity" slogan and logo. The City will also publicize its Housing programs through press releases, solicitations to property owners and written communications to fair housing groups and local lenders. The City will display the "equal housing opportunity" slogan on all such communications.

All contracts, grant agreements and/or loan agreements between the City or its agents and property owners executed in connection with the Housing Programs will:

- (1) prohibit discrimination in the rental of housing rehabilitated through the City's Housing programs on the basis of race, color, religion, sex, national origin, age, handicap, or household composition;
- (2) require compliance with all applicable fair housing and equal opportunity laws, and
- (3) include a copy of our Affirmative Marketing Program and require compliance with all procedures contained herein for the period of affordability of the term of the loan, whichever is greater.

In the City's Housing Loan Program, the objective of the Affirmative Marketing Program and a project's Affirmative Marketing Plan will be to increase the racial/ethnic diversity of the project's tenant population so that the tenant population is not made up exclusively of persons of one race/ethnicity.

In order to accomplish this, owners will be required to adopt a plan that will inform and solicit applications from persons in the housing market who are least likely to apply for the housing without special outreach. In general, persons who are not of the race/ethnicity of the majority of the residents of the neighborhood in which the property is located will be considered as persons least likely to apply.

The City will work with the project owner to identify which racial/ethnic groups in the population are least likely to apply for housing in each project without special outreach. The City will assist the owner in developing a project specific Affirmative Marketing Plan which includes special outreach efforts and the City will approve the Plan. The property manager or rental agent will be required to maintain records enabling the City to assess the results of the owner's actions to affirmatively market units. These records will include rental applications, all vacancy notices, and rental receipts. The City or its agent will review the owner's records and these records must be made available to

the City. Additionally, the City will require the owner to submit annual tenant reports that will include tenant characteristics including race/ethnicity. The project's Plan will identify specific actions the owner must take when becoming aware of an impending vacancy. In some cases the owner will also be required to advertise the vacancy in a general circulation newspaper.

Owners who rent exclusively to one segment of the population to the exclusion of applicants from other segments will be notified of potential noncompliance. The City will provide technical assistance to the owners in expanding outreach efforts. If necessary, specific corrective actions will be required.

Owners who discriminate or who fail to comply with the requirements of this Affirmative Marketing Program may be found in breach of contract or in default on their grant or loan agreement, and the City may take action to recover all funds made available to the owner by the City plus applicable penalties.

The City has adopted a policy to aggressively encourage landlords to rehabilitate units that are accessible to persons with physical disabilities.

AGREEMENT

For and in consideration of the mutual benefits accruing to the parties hereto, and the promises set forth, and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Definitions. Capitalized terms used herein and not otherwise defined herein shall have the meanings given such terms in the Junior Deeds of Trust. As used herein, the following terms shall have the meanings assigned to them:

"Senior Obligations" means each and every debt, liability and obligation of every type and description that the Owner may now or at any time hereafter owe to the Senior Lender in connection with the Senior Loan and the Taxable Loan, whether such debt, liability or obligation now exists or is hereafter assumed, created or incurred and whether it is or may be direct or indirect, due or to become due, or absolute or contingent.

"Junior Obligations" means each and every debt, liability and obligation of every type and description that the Borrower or Owner may now or at any time hereafter owe to the Junior Lender in connection with the Junior Deeds of Trust or the City Note, the Owner Cash Flow Note, or Owner Performance Note, whether such debt, liability or obligation now exists or is hereafter assumed, created or incurred and whether it is or may be direct or indirect, due or to become due, or absolute or contingent

2. Subordination. The Junior Lender and Borrower, each for themselves, agree that (regardless of any priority otherwise available to the Junior Lender or Borrower by law or by agreement) any security interest that the Junior Lender or Borrower might now hold in the Mortgaged Property, is fully subordinate to any security interest that the Senior Lender may now or hereafter hold in the Mortgaged Property up to the maximum amount (exclusive of fees, costs, or other amounts that may accrue pursuant to the terms of the Senior Loan Documents or otherwise allowable under the law) [COMBINED AMOUNT FOR BOTH TAX-EXEMPT and TAXABLE TAIL].

3. Collateral and Security Interest. Until all of the Senior Obligations have been paid in full, neither the Junior Lender nor Borrower shall demand, receive or accept, except as otherwise described in this Agreement (i) a pledge of any of the Mortgaged Property as security for the Junior Obligations, or (ii) a grant of any security interest or any other right or interest in any of the Mortgaged Property.

4. Payments Before Default Under Senior Loan Documents. Until the Junior Lender receives notice from the Senior Lender that a default has occurred in connection with the Senior Loan Documents as set forth in Section 8 herein, the Junior Lender shall be entitled to retain for its own account all payments made in connection with the Junior Obligations.

5. Waiver and Consent. The Senior Lender shall have no obligation to the Junior Lender or Borrower with respect to the Mortgaged Property or the Senior Obligations. The Senior Lender may in accordance with the Senior Deed of Trust (a) exercise collection rights, (b) take possession of, sell or dispose of, and otherwise deal with, the Mortgaged Property, (c) in the Senior Lender's, or its successors' or assigns', name or in the Owner's name, demand, sue for, collect or receive any money or property at any time payable or receivable on account of the Mortgaged Property; (d) prosecute, settle and receive proceeds on any insurance claims relating to the Mortgaged Property, and (e) exercise and enforce any right or remedy available to the Senior Lender with respect to the Mortgaged Property, whether available before or after the occurrence of any default; all without notice to or consent by anyone except as specifically required by law. The Senior Lender may apply the proceeds of the Mortgaged Property in any order the Senior Lender deems appropriate in its sole discretion, except as required by law. Senior Lender may amend any of the Senior Loan Documents without the consent of Junior Lender or Borrower provided such amendment does not: (i) shorten the term of the Senior Obligations, (ii) increase the principal balance of the Senior Obligations (except for protective advances), or (iii) increase the interest rate spread due on the Senior Obligations (except for any default interest), except fees paid to Senior Lender for any modification shall not be included in any calculations of interest rate spread for purposes of this subsection (iii).

6. No Action. Except to the extent that Junior Lender or Borrower obtains Senior Lender's permission pursuant to the following sentence, neither the Junior Lender nor Borrower will commence any action or proceeding with respect to the Mortgaged Property or against the Owner, will not take possession of, sell or dispose of, or otherwise deal with, the Mortgaged Property, and will not exercise or enforce any other right or remedy that may be available to the Junior Lender against the Owner or with respect to the Mortgaged Property upon Borrower's or Owner's default with respect to the Junior Obligations, without the Senior Lender's prior written consent, which shall not be unreasonably withheld or delayed.

7. Notice of Default to Senior Lender. Any notice provided to the Borrower or the Owner by the Junior Lender of any default under the Junior Deeds of Trust shall also be sent to Senior Lender.

8. Notice of Default to Junior Lender. Senior Lender shall deliver to the Junior Lender a default notice within ten business days in each case where Senior Lender has given a default notice to the Owner, except if such written default notice is a computer-generated default notice in which case the Owner shall deliver a copy thereof to the Junior Lender promptly upon receipt thereof from Senior Lender. The Junior Lender shall have the right, but not the obligation, to cure any default under the Senior Loan Documents within the same time, and the same manner, as the Owner pursuant to the Senior Loan Documents. All amounts paid by the Junior Lender to Senior Lender to cure a default under the Senior Loan Documents shall be deemed to have been advanced by the Junior Lender pursuant to, and shall be secured by the lien of, the Junior Deeds of Trust but shall in all respects be junior and subordinate to the Senior Loan and the Taxable Loan and Junior Lender shall not be entitled to subrogation in respect thereof.

9. No Representations or Warranties. Neither the Junior Lender nor the Senior Lender (i) makes any representation or warranty concerning the Mortgaged Property or the validity, perfection or (except as to the subordination effected hereby) priority of any security interest therein, or (ii) shall have any duty to preserve, protect, care for, insure, take possession of, collect, dispose of or otherwise realize upon any of the Mortgaged Property.

10. Binding Effect; Miscellaneous. This Agreement shall be binding upon the Junior Lender and its respective successors and assigns and shall inure to the benefit of the Senior Lender and its participants, successors and assigns, but neither the Owner nor any other secured party shall be entitled to rely on or enforce this Agreement. This Agreement cannot be waived or changed or ended, except by a writing signed by the party to be bound thereby. This Agreement shall be governed by and construed in accordance with the substantive laws of the State of Colorado. Each party consents to the personal jurisdiction of the state and federal courts located in the State of Colorado in connection with any controversy related to this Agreement, waives any argument that venue in any such forum is not convenient, and agrees that any litigation initiated by either of them in connection with this Agreement shall be venued in the City and County of Denver. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument.
