5. General description or background of proposed request. Attach executive summary if more space needed. The Department of Transportation and Infrastructure (DOTI) requests to extend the above contract two additional years as we work to procure a new contract. This On-Call agreement is one of five contracts procured together through competitive RFQ procurement and awarded at the same time.

The City and County of Denver DOTI Bridge Group is seeking to amend this on-call contract adding two years and two million dollars to provide bridge and structural construction services on an on-call, as-needed basis for various City projects.

Through a competitive RFQ procurement HALLMARK, INC., shall be awarded an on-call, as needed service contract with the City and County of Denver, for performing citywide bridge and structural construction services.

6. City Attorney assigned to this request (if applicable): Jill Ferguson

7. City Council District: Citywide

Scope of work:

This On-Call is key to the Denver Bridge Group because rehabilitation projects are performed by a specialized subset of contractors within the overall bridge contractor pool. This is critical to our workflow for rehabilitations and addressing bridge emergency repairs; both are needed as we attempt to achieve a state of good repair. The City owns 635 bridges with a replacement value of 1.5 billion dollars.

Public Works RFQ procurement for multiple on-call, as needed vendors to provide services performing bridge and structural construction services.

The City owns 635 bridges.

Was this contractor selected by competitive process? Yes, RFQ Procurement facilitated by Public Works. **If not, why not?**

Has this contractor provided these services to the City before? Yes No
