 - a. Scope of Work**

This ordinance will authorize Public Works to enter into a contract with Transwest to acquire three (3) aerial bucket trucks. A total of 4 aerial bucket trucks will be acquired however, no ordinance is required for the fourth hybrid aerial bucket truck because its being acquired from a different vendor, OJ Watson, and the cost of the vehicle is less than \$500,000. The total cost of the Transwest aerial bucket trucks is \$518,495. A companion lease purchase agreement with All American Investment Group (AAIG) will provide financing for all 4 vehicles whose combined cost is \$747,700. The vehicles are replacements that will be used to install signage throughout the City. If approved by council the anticipated closing date for the transaction will occur June 1, 2010.
