### **W I T N E S S E T H**

**WHEREAS**, the City owns and operates Denver International Airport ("**DEN**"); and

**WHEREAS**, the Airline will commence regular passenger service between Charles de Gaulle Airport ("**CDG**") and **DEN**, on or about April 9, 2018; and

**WHEREAS**, the City's Air Service Incentive Program is intended to support new air service to **DEN**, in part through marketing new passenger service; and

**WHEREAS**, the City wishes to obtain professional services to specifically promote public and industry awareness and use of **DEN** facilities and Airline's new regular passenger services between **CDG** and **DEN**; and

**WHEREAS**, the Airline is ready, willing and able to provide the professional services required by the City, and to perform the services called for hereunder subject to the conditions hereinafter set out;

**NOW, THEREFORE**, for and in consideration of the premises and other good and valuable consideration, the parties hereto agree as follows:

1. **LINE OF AUTHORITY:** The Chief Executive Officer of the Airport (the "**CEO**"), or her designee or successor in function authorizes and directs all work performed under this Agreement. Until otherwise notified by the CEO, the Airport's Director of Air Service Development ("**Director**") is designated as the authorized representative of the CEO through whom services performed under this Agreement shall be directed and coordinated. The Director may designate a Project Manager, if applicable, under this Agreement. Administrative reports, memoranda, correspondence and other submittals required of the Airline shall be processed in accordance with the Director's directions.

2. **SCOPE OF SERVICES:** All work performed under this Agreement shall be done in a manner consistent with the spirit and intent of the Air Service Incentive Program, as explained

in the attached **Exhibit A**. The Airline shall provide to the City a comprehensive marketing strategy in writing (attached hereto as **Exhibit B** “**Scope of Services**”), and that upon approval of the Scope of Services by the City, and approval by the City of the amount or amounts to be paid by the City for the publications, events, materials, advertising campaigns, marketing programs, and advertisements, the Airline will promptly undertake, perform and furnish the services hereinafter described in this Agreement including the following tasks:

- A. Initiation and implementation of promotional events, advertising campaigns and marketing programs directed toward promoting public and industry awareness of the new services offered by Airline at DEN, in a manner consistent with advertising norms and customs in the United States.
- B. Development of support materials promoting the benefits of DEN to targeted travelers in specific markets selected by Airline, highlighting Denver and DEN as the international gateway to the Rocky Mountain region; and, highlighting the characteristics making DEN the gateway of choice for the region for an increasing number of passengers.

Nothing in this Agreement shall preclude the Airline from undertaking any advertising, marketing, or promotional program that it, in its sole discretion, deems appropriate. It is agreed, however, that if the particular advertising, marketing or promotional activity is not approved by the City pursuant to this Agreement, it will not be included in the Airline's invoices to the City.

3. **NATURE OF SERVICES TO BE PERFORMED:** The Airline shall consult with and receive the approval of the City in the development of the campaign, promotional events, advertising, and marketing program consistent with the requirements of this Agreement, and agrees to diligently and professionally perform all the work described herein, and provide services consistent with the following:

A. **Publications:** The Airline agrees that when printed materials are used, the name “Denver International Airport” or “DEN,” with or without its logo, shall appear prominently on the material.

(1) **Collateral.** The Airline may produce and distribute brochures promoting the benefits of DEN to targeted travelers in specific markets selected by the Airline, highlighting Denver and DEN as the international gateway to the Rocky Mountain region; and, highlighting the characteristics making DEN the gateway of choice for the region for an increasing number of passengers.

(2) **Direct Mail.** The Airline may produce and distribute a direct mail piece for distribution in Denver to announce the Airline's new non-stop service at DEN.

(3) **Press Kits.** The Airline may create a press kit to be distributed to the media featuring the Airline's new service at DEN.

B. Promotional Events: The Airline agrees that when special events, promotions or receptions are selected as the promotional vehicle, the CEO shall be involved in approving targeted audiences.

C. Advertising Campaign: The Airline agrees that for any advertising created for this purpose, the name “Denver International Airport” or “DEN” shall appear prominently in any such advertising. The Airline will produce and implement an advertising campaign related to the new service planned at DEN. This campaign should include, but is not limited to, print and media costs associated with advertising projects which promote DEN and the Airline’s new service both to the traveling public and to trade members of the airline industry.

D. Placement of Advertising: The Airline shall place no advertisement created pursuant to this Agreement in any media without the prior written approval by the CEO of the content and placement of the advertisement. Nothing in this Agreement shall preclude the Airline from undertaking any advertising, marketing, or promotional program that it, in its sole discretion, deems appropriate. It is agreed, however, that if the particular advertising, marketing or promotional activity is not approved by the City pursuant to this Agreement, it will not be included in the Airline’s invoices to the City.

E. Use of Funds: All funds provided under this Agreement must go directly toward production of materials and/or placement of marketing for the DEN to CDG service. Funds provided under this Agreement may be used for other advertising, special events, promotional items, or marketing activities only with the prior written approval of the CEO. However, under no circumstances shall funds provided under this Agreement be used to offset any other Airline cost.

#### 4. **COMPENSATION AND FEES:**

A. Compensation for Services: The City agrees to pay to the Airline, and the Airline agrees to accept as its sole compensation for its complete costs incurred and services rendered hereunder, amounts approved in advance pursuant to this Agreement, to reimburse the Airline for certain costs incurred in undertaking the development of the campaign or promotional event, placing and publishing advertising, and developing a marketing program, consistent with the requirements of this Agreement. All such sums shall be paid subject to these provisions and to the refund and surety provisions of Section 8 of this Agreement.

B. Pro rata Compensation: In the event the frequency of service is adjusted by Airline during the Term of the Agreement, the compensation stated herein will be adjusted accordingly, provided the service is not discontinued or reduced to less than fifty percent (50%) of the amount of scheduled service provided in Paragraph 6A of this Agreement.

C. Invoices: The Airline shall submit invoices for payment, which shall be stated in U.S. dollars, and which shall include the following items:

- (1) The date and nature of the services rendered.

- (2) Adequate documentation to support the invoice, including documentation of the content of any advertisements placed and published pursuant to this Agreement, and currency exchange rate calculation for any services paid in foreign currency, which calculation shall be based on USD/the relevant foreign currency mid-rate for the date of the transaction, and
- (3) The signature of an authorized officer of the Airline, certifying that the invoice has been examined and has been found to be correct.

The Airline shall promptly provide on request from the City additional supporting documentation in connection with any invoice submitted by the Airline for payment under this Agreement.

5. **PAYMENT FOR PARTIAL SERVICES:** If the Agreement is terminated without cause pursuant to paragraph 8A, the Airline's total compensation shall be limited to the sum of invoices which have already been submitted, audited and approved at the time of termination, plus the reasonable value of those costs and services which have been incurred and rendered prior to termination, but have not been approved for payment at the time of termination. The reasonable value of any such subsequent billed cost or service shall be determined in the sole discretion of the CEO of Aviation. If upon termination any amounts are due and owing to Airline under this Agreement, Airline agrees that the City shall be entitled to offset amounts due and owing to Airline under this Agreement against any amounts due and owing from Airline for landing fees under the Landing Fees Incentive Agreement.

6. **MAXIMUM CONTRACT LIABILITY:**

A. Any other provisions of this Agreement notwithstanding, in no event shall the City be liable for payment under this Agreement for any amount in excess of **Five Hundred Seventy Thousand United States Dollars and No Cents (US\$570,000.00)**, based upon the number of flights operated per week, which amounts are prorated amounts of the total marketing incentive available for weekly service of two days per week.

The current published schedule is two (2) departures per week, which amounts to a total of one hundred and four (104) flights over a twelve (12) month period. The Airline shall not decrease the frequency of service to less than fifty percent (50%) of the initial amount of published service, the calculation of which will be averaged over the course of two, consecutive twelve-month periods. If the Airline does not provide non-stop service between CDG and DEN at a minimum of fifty percent (50%) of the frequency set forth in this Paragraph 6.A for a period of twenty-four (24) consecutive months immediately following the commencement of service, then the incentives shall terminate.

B. Payment under this Agreement shall be paid from the City's Airport System Capital Improvement and Replacement Fund. The City has no obligation to make payments from any other source, nor to issue additional revenue bonds to satisfy such costs. The City is not under any

obligation to make any future encumbrances or appropriations for this Agreement nor is the City under any obligation to amend this Agreement to increase the Maximum Contract Liability above.

7. **TERM:** The term of this Agreement shall commence on January 1, 2018, and shall terminate on April 8, 2020, unless sooner terminated as provided for herein.

8. **TERMINATION; REFUND OF PAYMENTS:**

A. Termination: Either party may cancel and terminate this Agreement without cause by giving not less than thirty (30) days prior written notice to the other party, and may cancel and terminate this Agreement with cause by giving not less than ten (10) days prior written notice to the other party. Any such notice shall state the effective date of such cancellation and termination. If the CEO elects to cancel or terminate the Agreement, immediately upon receipt of the notice, the Airline shall cease all further work, take all reasonable and necessary steps or procedures to curtail and hold additional cost occurrence to a minimum, and commence an orderly termination of the Agreement.

B. Refund of Payments: If the City or the Airline terminates this Agreement for cause, including but not limited to if the Airline does not provide non-stop service between CDG and DEN at a minimum of fifty percent (50%) of the frequency set forth in Paragraph 6A, above, for a period of twenty-four (24) consecutive months immediately following the commencement of service, then all amounts paid to the Airline by the City under this Agreement shall be refunded to the City within 30 days of the date of the notice of termination. This provision shall survive the termination of this Agreement or expiration of the Term.

9. **OWNERSHIP OF WORK PRODUCT:** Each party agrees that it has no ownership interest in and will not infringe or interfere with any trademark, servicemark, symbol, logo, trade dress or intellectual property of the other party, but may use such upon the express written permission of the party owning the protected property. It is understood and agreed that all drawings, promotion media and other documents which are created by the Airline shall remain the property of the Airline, and the City may use such drawings, promotion media or other documents with the express written permission of the Airline; however, the Airline shall not be held liable for damage resulting from any use of said documents other than the original intended use.

10. **ADVERTISING AND PUBLIC DISCLOSURES:** The Airline shall not include any reference to this Agreement or to work performed hereunder in any of its advertising or public relations materials without first obtaining the written approval of the CEO of Aviation. Any oral presentation or written materials related to Denver International Airport shall include only presentation materials, work product, designs, renderings and technical data that have been accepted by the City. The CEO shall be notified at least seven (7) days in advance of the date and time of any such presentations. Nothing herein, however, shall preclude the transmittal of any information to officials of the City, including without limitation, the Mayor, the CEO of Aviation, any member or members of City Council, and the Auditor.

11. **COORDINATION AND LIAISON:** The Airline agrees that during the term of this Agreement it shall fully coordinate all services with the Director.

12. **STATUS OF AIRLINE:** The Airline acknowledges and agrees that it has executed an Airport Use and Facilities Lease Agreement (the "Existing Agreement") at least 60 days prior to the commencement of the service and that the Airline has become a Signatory Airline as defined in DEN's Rules and Regulations. This Agreement is expressly subject to all of the terms and conditions set forth in the Existing Agreement. It is further understood and agreed by and between the parties hereto that the status of the Airline shall be that of an independent contractor retained on a contractual basis to perform professional or technical services for limited periods of time as described in Section 2.11.3(C) of the Charter of the City, and it is not intended nor shall it be construed that the Airline, its employees or subcontractors are employees or officers of the City under Chapter 18 of the Revised Municipal Code or for any purpose whatsoever.

13. **AIRLINE'S INSURANCE:** The Airline agrees to insure its operations in accordance with the terms of the Existing Agreement.

14. **NO THIRD PARTY BENEFICIARIES:** The enforcement of the terms and conditions of this Agreement and all rights of action relating to such enforcement, shall be strictly reserved to the City and Airline, and nothing contained in this Agreement shall give or allow any such claim or right of action by any other or third person on such Agreement. It is the express intention of the City and the Airline that subconsultants and any other person other than the City or the Airline receiving any benefits from this Agreement shall be deemed to be incidental beneficiaries only.

15. **ASSIGNMENT:** The Airline covenants and agrees that it will not assign or transfer its rights hereunder. Any attempt by the Airline to assign or transfer its rights hereunder shall automatically terminate this Agreement and all rights of the Airline hereunder.

16. **EXAMINATION OF RECORDS:** The Airline agrees that, until the expiration of three (3) years after the final payment under this Agreement, the CEO and City Auditor or any of their duly authorized representatives shall have access to and the right to examine any directly pertinent books, documents, papers and records of the Airline involving transactions related to work performed under this Agreement. The Airline, upon request by either, shall make such books and records available for examination and copying in Denver.

17. **FEDERAL PROVISIONS:** This Agreement is subject and subordinate to the terms, reservations, restrictions and conditions of any existing or future agreements between the City and the United States, the execution of which has been or may be required as a condition precedent to the transfer of federal rights or property to the City for airport purposes, and the expenditure of federal funds for the extension, expansion or development of Denver International Airport. The provisions of the attached Appendix No. 1 are incorporated herein by reference.
