6. General description of proposed ordinance including contract scope of work if applicable: This contract is for On-Call Technical Professional Services. Task/work orders for each contractor will be assigned with rate information and work or project description and associated duration. DIA reserves the right to review staff members and their resumes for each specific need and make recommendations for filling staffing requirements. The on-call work includes, but is not limited to, the stated systems and/or job descriptions in the following general categories: I. Analytic Services; II. Project Management Services; III. Operations Systems Design and Implementation; IV. Infrastructure Services; and V. Voice and Data Network Services. This **first** amendment to the current agreement is needed so DIA can continue to use Reality Technologies' consultants for ongoing technical projects. This **first** amendment is to increase the contract liability by \$400,000 and extend the contract term to March 22, 2016.
