Dear Members of the Planning Board and Denver City Council,

We are writing as the Athmar Park Neighborhood Association Board to express our support for the Southwest Area Plan submitted by the City and County of Denver's Community Planning Department.

We applaud the equity-focused approach to community engagement and feel that the Plan's recommendations reflect the values of our fellow Athmar neighbors. We support the six themes that the plan thoroughly addresses: Diverse Cultural Hubs, Safe Communal Spaces, Integrated Industry, Housing Stability and Options, Improved Infrastructure, and Natural Resources.

As a neighborhood that hasn't had a neighborhood plan since 2000, we look forward to using the guidance in this plan to make informed decisions about our neighborhood.

We wholeheartedly support it and recommend that you support its adoption. With your approval of this area plan, we look forward to continuing to be involved as it is implemented.

Sincerely,

Athmar Park Neighborhood Association Board, RNO for Athmar Park
