

ORDINANCE/RESOLUTION REQUEST

Please email requests to the Mayor's Legislative Team

at [MileHighOrdinance@DenverGov.org](mailto: MileHighOrdinance@DenverGov.org) by 9 a.m. Friday. Contact the Mayor's Legislative team with questions

Date of Request: October 30, 2025

Please mark one: ☐ Bill Request or ☒ Resolution Request

Please mark one: The request directly impacts developments, projects, contracts, resolutions, or bills that involve property and impact within .5 miles of the South Platte River from Denver's northern to southern boundary? (Check map [HERE](#))

☐ Yes ☒ No

1. Type of Request:

☐ Contract/Grant Agreement ☐ Intergovernmental Agreement (IGA) ☐ Rezoning/Text Amendment

☐ Dedication/Vacation ☐ Appropriation/Supplemental ☐ DRMC Change

☒ Other: Purchase Order

2. **Title:** Amends a purchase order with Front Range Fire Apparatus by adding \$40,465.24 for a new total of \$9,656,105.24 for the onetime purchase of two model 2026 F550 Patrol Unit Vehicles and three model 2026 Oshkosh Striker Vehicles to support Denver Fire Department (DFD) operations at Denver International Airport (DEN), in Council District 11 (PO-00165256).

3. **Requesting Agency:** Department of Aviation

4. Contact Person:

Contact person with knowledge of proposed ordinance/resolution (e.g., subject matter expert)	Contact person for council members or mayor-council
Name: Kyle Lester, SVP of Maintenance	Name: Kevin Forgett, State and Local Legislative Advisor
Email: Kyle.Lester@flydenver.com	Email: Kevin.Forgett@flydenver.com

5. **General description or background of proposed request. Attach executive summary if more space needed:** Purchase Order PO-00165256 for two (2) model 2026 F550 Fire Patrol Unit Vehicles and three (3) model 2026 Oshkosh Striker Vehicles approved in the amount of \$9,615,640.00 will be increased in the amount of \$40,465.24 to the new total of \$9,656,105.24 to support Denver Fire Department (DFD) operations at Denver International Airport.

The 3 X Oshkosh Strikers that are being replaced Z-F-032, Z-F-033, Z-F-034 These units are front line fire response rigs for any airfield incidents. The additional multiple additions and deletions of the truck specifications are requested by Denver Fire Department (DFD) and approved by Denver International Airport fleet division results in for a total increase of \$40,465.24. The additions provide power to the team's extraction tools and tilt trays that slide out of an unused compartment to store additional emergency response equipment. The department also requested color coding of the gaseous bottles on the truck for easy identification and safety. The Bottles will also come equipped with a wrench set for easy change out where the tools will be dedicated to the asset.

This request supports Denver International Airport's Vision 100: Maintaining What We Have, Growing our Infrastructure. With passenger numbers growing each year along with more aircraft take-offs and landings, DEN needs to ensure our Fire Department are equipped with a service ready fleet to respond to any incident accordingly. Aging vehicle assets present challenges to DFD and DEN operations at times maintaining index of fire rigs as required by the FAA. As the trucks have aged, more maintenance is required along with parts that have limited availability. All DEN Denver Fire apparatuses have transitioned to a new PFAS-FREE fire fighting foam called F3 (Fluorine-Free Foam) All existing assets have been decontaminated of the previous AFFF (Aqueous Film Forming Foam) that contain PFAS. All replacement apparatus will also run the new F3 foam. All existing PFAS AFFF Foam is currently being disposed of.

6. **City Attorney assigned to this request (if applicable):** John Redmond

7. **City Council District:** Council District 11

8. ****For all contracts, fill out and submit accompanying Key Contract Terms worksheet****

To be completed by Mayor's Legislative Team:

Resolution/Bill Number: _____

Date Entered: _____

Key Contract Terms

Type of Contract: Purchase Order for Goods and Services over \$500K
