# **CITY AND COUNTY OF DENVER**

# **DEPARTMENT OF FINANCE**

CASH RISK AND CAPITAL FUNDING 201 WEST COLFAX AVE. DENVER, COLORADO 80202 PHONE: (720) 913-5500

Michael B. Hancock

### **Executive Summary**

An ordinance to authorize the Manager of Finance to provide financing through a capital lease purchase transaction to acquire golf carts and equipment for the Parks and Recreation Department and Golf Enterprise totaling \$1,756,859.01.

The Department of Finance is seeking approval to fund the acquisition of golf carts and equipment (to be procured from various vendors) through a capital lease purchase transaction on behalf of the Golf Enterprise. The total cost of the carts and equipment to be financed will not exceed \$1,756,859.01.

The proposed financing structure will consist of a five-year capital lease between the City and Banc of America Public Capital Corp ("BofA"), who was selected via a competitive bid process. BofA submitted the lowest bid of 1.38% interest per annum to finance a total principal amount of \$1,756,859.01. The total amount of interest that the City would pay through 2018 at the 1.38% rate is \$50,630.09. The annual lease payments of approximately \$361,500 are subject to annual appropriation by City Council and will be repaid from the Golf Enterprise Fund. The City may prepay the lease at par without penalty 2 years after closing.

This lease financing agreement is part of a package that will entail a total of two (2) ordinances, and it is requested that they be presented as a single project. The ordinances are:

- 1) The above financing agreement, which entails the capital lease financing with BofA. Total principal and interest of \$1,807,489.10
- 2) Equipment procurement contract with C&M, the vendor for the golf carts and equipment that is being financed\*

This ordinance request is being submitted to comply with the City's Charter which requires Council approval of any agreement in excess of \$500,000.

\*Note a total of three (3) vendors will be supplying the various carts and equipment financed under this lease. However, only one (1) vendor contract exceeds the \$500,000 threshold which requires City Council approval. The remaining two (2) vendor contract amounts are \$27,251.00 (with L.L. Johnson Distributing Company) and \$61,202.04 (with Bobcat of the Rockies, LLC). The total cost of the carts and equipment to be financed of \$1,756,859.01 includes all three (3) vendors.

#### Description of the Equipment purchase:

The equipment will replace existing golf carts and equipment at various golf courses owned and maintained by the City (specifically at City Park, Overland, Wellshire, Willis, Evergreen and Kennedy) and will have a useful life of over 5 years.
