d. Maximum Contract Amount:

(1) Notwithstanding any other provision of the Agreement, the City's maximum payment obligation will not exceed **EIGHT HUNDRED SIXTY THOUSAND DOLLARS AND NO CENTS (\$860,000.00)** (the "Maximum Contract Amount"). The City is not obligated to execute an Agreement or any amendments for any further services, including any services performed by the Contractor beyond that specifically described in **Exhibit A**. Any services performed beyond those in **Exhibit A** are performed at the Contractor's risk and without authorization under the Agreement.

(2) The City's payment obligation, whether direct or contingent, extends only to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of the Agreement. The City does not by this Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. The Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

5. STATUS OF CONSULTANT: The Contractor is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the Contractor nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

6. TERMINATION:

a. The City has the right to terminate the Agreement with cause upon written notice effective immediately, and without cause upon thirty (30) days prior written notice to the Contractor. However, nothing gives the Contractor the right to perform services under the Agreement beyond the time when its services become unsatisfactory to the Executive Director.

b. Notwithstanding the preceding paragraph, the City may terminate the Agreement if the Contractor or any of its officers or employees are convicted, plead *nolo*

contendere, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of bribery, kick backs, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with the Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

c. Upon termination of the Agreement, with or without cause, the Contractor shall have no claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in the Agreement.

d. If the Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient. The Contractor shall deliver all documents in any form that were prepared under the Agreement and all other items, materials and documents that have been paid for by the City to the City. These documents and materials are the property of the City. The Contractor shall mark all copies of work product that are incomplete at the time of termination "DRAFT-INCOMPLETE".

7. **EXAMINATION OF RECORDS:** Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access, and the right to examine, copy and retain copies, at City's election in paper or electronic form, any pertinent books, documents, papers and records related to the Contractor's performance pursuant to this agreement, provision of any goods or services to the City, and any other transactions related to this Agreement. The Contractor shall cooperate with City representatives and City representatives shall be granted access to the forgoing documents and information during reasonable business hours and until the latter of three (3) years after the final payment under the Agreement or expiration of the applicable statute of limitations. When conducting an audit of this Agreement, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audits pursuant to this paragraph shall require the Contractor to make disclosures in violation of state or federal privacy laws. The Contractor shall at all time comply with D.R.M.C. 20-276.

8. WHEN RIGHTS AND REMEDIES NOT WAIVED: In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

9. INSURANCE:

a. General Conditions: The Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. The Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, or any extension thereof, during any warranty period, and for three (3) years after termination of the Agreement. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-"VIII or better. Each policy shall contain a valid provision or endorsement requiring notification to the City in the event any of the above-described policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, the Contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's contract number. If any policy is in excess of a deductible or self-insured retention, the City must be notified by the Contractor. The Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

b. Proof of Insurance: The Contractor shall provide a copy of this Agreement to its insurance agent or broker. The Contractor may not commence services or work relating to the Agreement prior to placement of coverages required under this Agreement. The Contractor certifies that the certificate of insurance attached as **Exhibit C**, preferably an ACORD certificate, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the Certificate. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of the Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

c. Additional Insureds: For Commercial General Liability, Auto Liability Professional Liability, and Excess Liability/Umbrella (if required) the Contractor and subcontractor's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

d. Waiver of Subrogation: For all coverages required under this Agreement, the Contractor's insurer shall waive subrogation rights against the City.

e. Subcontractors and Subconsultants: All subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) shall be subject to all of the requirements herein and shall procure and maintain the same coverages required of the Contractor. The Contractor shall include all such subcontractors as additional insured under its policies (with the exception of Workers' Compensation) or shall ensure that all such subcontractors and subconsultants maintain the required coverages. The Contractor agrees to provide proof of insurance for all such subcontractors and subconsultants upon request by the City.

f. Workers' Compensation/Employer's Liability Insurance: The Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims. The Contractor expressly represents to the City, as a material representation upon which the

City is relying in entering into this Agreement, that none of the Contractor's officers or employees who may be eligible under any statute or law to reject Workers' Compensation Insurance shall effect such rejection during any part of the term of this Agreement, and that any such rejections previously effected, have been revoked as of the date the Contractor executes this Agreement.

g. Commercial General Liability: The Contractor shall maintain a Commercial General Liability insurance policy with limits of \$1,000,000 for each occurrence, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$2,000,000 policy aggregate.

h. Business Automobile Liability: The Contractor shall maintain Business Automobile Liability with limits of \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement.

i. Cyber Liability: The Contractor shall maintain Cyber Liability coverage with limits of \$1,000,000 per occurrence and \$1,000,000 policy aggregate covering claims involving privacy violations, information theft, damage to or destruction of electronic information, intentional and/or unintentional release of private information, alteration of electronic information, extortion and network security.

j. Additional Provisions:

(i) For Commercial General Liability, the policy must provide the following:

- (a) That this Agreement is an Insured Contract under the policy;
- (b) Defense costs are outside the limits of liability;
- (c) A severability of interests, separation of insureds provision (no insured vs. insured exclusion); and
- (d) A provision that coverage is primary and non-contributory with other coverage or self-insurance maintained by the City.

(ii) For claims-made coverage:

- (a) The retroactive date must be on or before the contract date or the first date when any goods or services were provided to the City, whichever is earlier.

(b) The Contractor shall advise the City in the event any general aggregate or other aggregate limits are reduced below the required per occurrence limits. At their own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the Contractor will procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

This section will survive the termination of this Agreement.

d. **Software Programs; Security of Personal Information Access to Software Programs:** The Contractor will use the software programs designated by the City to collect, use, process, store, or generate all data and information, with or without Personal Information, received as a result of the Contractor's services under this Agreement. The Contractor will fully comply with all requirements and conditions associated with the use of said software programs as provided by the City. e. **Confidentiality; No Ownership by the Contractor:** Unless otherwise permitted expressly by applicable law, all Personal Information collected, used, processed, stored, or generated as the result of the services to be provided under this Agreement will be treated by the Contractor as highly confidential information. The Contractor will have no right, title, or interest in any Personal Information or any other data obtained or supplied by the Contractor in connection with the services to be provided under this Agreement. The City shall own all information, and other work product, with or without Personal Information, developed or obtained by the Contractor pursuant to this Agreement (“City Work Product”). The Contractor has an obligation to immediately alert the City if the Contractor’s security has been breached or if the Contractor is aware of any unauthorized disclosure of Personal Information. This Section will survive the termination of this Agreement.

f. **Contractor Use of Personal Information and City Work Product:** The Contractor will take all necessary precautions to safeguard the storage of Personal Information and City Work Product including without limitation: (i) keep and maintain Personal Information and City Work Product in strict confidence and in compliance with all applicable Data Protection Laws, and such other applicable laws, using such degree of care as is appropriate and consistent with its obligations as described in this Agreement and applicable law to avoid unauthorized access, use, disclosure, or loss; (ii) use and disclose Personal Information or City Work Product solely and exclusively for the purpose of providing the services hereunder, such use and disclosure being in accordance with this Agreement, and applicable law; (iii) not use, sell, rent, transfer, distribute, or otherwise disclose or make available Personal Information or City Work Product for the Contractor’s own purposes or for the benefit of anyone other than the City without the prior written consent of the City and the person to whom the Personal Information pertains; and (iv) not engage in “data mining” of Personal Information or City Work Product except as specifically and expressly required by law or authorized in writing by the City. This Section will survive the termination of this Agreement.

g. **Employees and Subcontractors:** The Contractor will ensure that, prior to being granted access to Personal Information or City Work Product, Contractor staff who perform work under this Agreement have all undergone and passed criminal background

screenings; have successfully completed annual instruction of a nature sufficient to enable them to effectively comply with all data protection provisions of this Agreement; and possess all qualifications appropriate to the nature of the employees' duties and the sensitivity of the data they will be handling. Only those Contractor staff who have a direct need for Personal Information, City Work Product, or Confidential Information shall have access to any information provided to the Contractor under this Agreement. Prior to allowing any Contractor staff to access or use any Personal Information, City Work Product, or Confidential Information, the Contractor shall require any such Contractor staff to review and agree to the usage and access terms outlined in this Agreement. The Contractor will inform its Contractor staff of the obligations under this Agreement, and all requirements and obligations of the Contractor under this Agreement shall survive the expiration or earlier termination of this Agreement. The Contractor shall not disclose Personal Information, City Work Product, or Confidential Information to subcontractors unless such subcontractors are bound by non-disclosure and confidentiality provisions at least as strict as those contained in this Agreement. Unless the Contractor provides its own security protection for the information it discloses to a third-party service provider, the Contractor shall require the third party service provider to implement and maintain reasonable security procedures and practices that are appropriate to the nature of the Personal Information, City Work Product, or Confidential Information disclosed and reasonably designed to protect Personal Information, City Work Product, or Confidential Information from unauthorized access, use, modification, disclosure, or destruction. This Section will survive the termination of this Agreement.

h. Loss of Personal Information or City Work Product: In the event of any act, error or omission, negligence, misconduct, or breach that compromises or is suspected to compromise the security, confidentiality, or integrity of Personal Information or City Work Product, the Contractor will, as applicable: (i) notify the affected individual and the City as soon as practicable but no later than twenty-four (24) hours of becoming aware of such occurrence; (ii) cooperate with the affected individual and the City in investigating the occurrence, including making available all relevant records, logs, files, data reporting, and other materials required to comply with applicable law or as otherwise required by the affected individual or the City; (iii) in the case of Personal Information and if required by

applicable law, at the affected individual's sole election: (A) notify the affected individuals in accordance with any legally required notification period; or, (B) reimburse the affected individual for any costs in notifying the affected individuals; (iv) in the case of Personal Information and if required by applicable law, provide third-party credit and identity monitoring services to each of the affected individuals for the period required to comply with applicable law; (v) perform or take any other actions required to comply with applicable law as a result of the occurrence; (vi) indemnify, defend, and hold harmless the City and the affected individual for any and all claims, including reasonable attorneys' fees, costs, and expenses incidental thereto, which may be suffered by, accrued against, charged to, or recoverable from the City or the affected individual in connection with the occurrence; (vii) be responsible for recovering lost data and information in the manner and on the schedule set forth by the City without charge to the affected individual, and (viii) provide to the City and the affected individual a detailed plan within ten (10) calendar days of the occurrence describing the measures the Contractor will undertake to prevent a future occurrence. Notification to affected individuals, as described above, will comply with applicable law, be written in plain terms in English and in any other language or languages specified by the affected individual, and contain, at a minimum: (i) name and contact information of the Contractor's representative; (ii) a description of the nature of the loss; (iii) a list of the types of data involved; (iv) the known or approximate date of the loss; (v) how such loss may affect the affected individual; (vi) what steps the Contractor has taken to protect the affected individual; (vii) what steps the affected individual can take to protect himself or herself; (viii) contact information for major credit card reporting agencies; and (ix) information regarding the credit and identity monitoring services to be provided by the Contractor. This Section will survive the termination of this Agreement.

i. Data Retention and Destruction: Using appropriate and reliable storage media, the Contractor will regularly backup all City Work Product and Personal Information used in connection with this Agreement and retain such backup copies consistent with the Contractor's data retention policies. Upon termination of this Agreement, at the City's election, the Contractor will either securely destroy or transmit to City the City Work Product in an industry standard format. Upon the City's request, the Contractor will supply City a certificate indicating the records disposed of, the date

disposed of, and the method of disposition used. With respect to City Work Product controlled exclusively by the Contractor, the Contractor will immediately preserve the state of the Personal Information or City Work Product at the time of the request and place a “hold” on Personal Information or City Work Product destruction or disposal under its usual records retention policies of records that include Personal Information or City Work Product, in response to an oral or written request from City indicating that those records may be relevant to litigation that City reasonably anticipates. Oral requests by the City for a hold on record destruction will be reduced to writing and supplied to the Contractor for its records as soon as reasonably practicable under the circumstances. The City will promptly coordinate with the Contractor regarding the preservation and disposition of these records. The Contractor shall continue to preserve the records until further notice by City. This Section will survive the termination of this Agreement.

j. No Other Databases: The Contractor will not establish or maintain a separate database containing Personal Information or City Work Product to provide the services under this Agreement. This Section will survive the termination of this Agreement.

k. Data Transfer Upon Termination: Upon termination or expiration of this Agreement and the City’s request, the Contractor will ensure that all Personal Information and City Work Product is securely transferred to the City, or a party designated by the City, within thirty (30) calendar days. The Contractor will ensure that the data will be provided in an industry standard format. The Contractor will provide the City with no less than ninety (90) calendar days’ notice of impending cessation of its business or that of any Contractor subcontractor and any contingency plans in the event of notice of such cessation. In connection with any cessation of the Contractor’s business with its customers, the Contractor shall implement its contingency and/or exit plans and take all reasonable actions to provide for an effective and efficient transition of service with minimal disruption to the City. The Contractor will work closely with its successor to ensure a successful transition to the new service or equipment, with minimal downtime and effect on the City, all such work to be coordinated and performed in advance of the formal, final transition date mutually agreed upon by the Contractor and the City. This Section will survive the termination of this Agreement.

I. Personal Information Protection: If the Contractor receives Personal Information under this Agreement, the Contractor shall implement and maintain reasonable written security procedures and practices that are appropriate to the nature of the Personal Information and the nature and size of the Contractor's business and its operations. The Contractor shall be a "Third-Party Service Provider" as defined in C.R.S § 24-73-103(1)(i), and shall maintain security procedures and practices consistent with C.R.S §§ 24-73-101 et seq. Unless the Contractor agrees to provide its own security protections for the information it discloses, the Contractor shall require all its subcontractors, employees, agents, and assigns to implement and maintain reasonable written security procedures and practices that are appropriate to the nature of the Personal Information disclosed and reasonably designed to help protect Personal Information subject to this Agreement from unauthorized access, use, modification, disclosure, or destruction. The Contractor and its subcontractors, employees, agents, and assigns that maintain electronic or paper documents that contain Personal Information under this Agreement shall develop a written policy for the destruction of such records by shredding, erasing, or otherwise modifying Personal Information to make it unreadable or indecipherable when the records are no longer needed.

10. DEFENSE AND INDEMNIFICATION:

a. The Contractor hereby agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement ("Claims"), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of the Contractor or its subcontractors either passive or active, irrespective of fault, including City's concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

b. The Contractor's duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. The Contractor's duty to defend and indemnify City shall arise even

if City is the only party sued by claimant and/or claimant alleges that City's negligence or willful misconduct was the sole cause of claimant's damages.

c. The Contractor will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City's exclusive remedy.

d. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

e. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

11. TAXES, CHARGES AND PENALTIES: The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor shall promptly pay when due, all taxes, bills, debts and obligations it incurs performing the services under the Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property.

12. ASSIGNMENT; SUBCONTRACTING: The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without obtaining the Executive Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void, and will be cause for termination of this Agreement by the City. The Executive Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any sub-consultant, subcontractor or assign.

13. **INUREMENT:** The rights and obligations of the parties to the Agreement inure to the benefit of and shall be binding upon the parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.

14. **NO THIRD PARTY BENEFICIARY:** Enforcement of the terms of the Agreement and all rights of action relating to enforcement are strictly reserved to the parties. Nothing contained in the Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to the Agreement is an incidental beneficiary only.

15. **NO AUTHORITY TO BIND CITY TO CONTRACTS:** The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

16. **SEVERABILITY:** Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the parties can be fulfilled.

17. **CONFLICT OF INTEREST:**

a. No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement. The Contractor shall not hire, or contract for services with, any employee or officer of the City that would be in violation of the City's Code of Ethics, D.R.M.C. §2-51, et seq. or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

b. The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement if it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

However, these substitutions will not become effective until actual receipt of written notification.

19. NO EMPLOYMENT OF ILLEGAL ALIENS TO PERFORM WORK UNDER THE AGREEMENT:

a. This Agreement is subject to Division 5 of Article IV of Chapter 20 of the Denver Revised Municipal Code, and any amendments (the "Certification Ordinance").

b. The Contractor certifies that:

(1) At the time of its execution of this Agreement, it does not knowingly employ or contract with an illegal alien who will perform work under this Agreement.

(2) It will participate in the E-Verify Program, as defined in § 8-17.5-101(3.7), C.R.S., to confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.

c. The Contractor also agrees and represents that:

(1) It shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

(2) It shall not enter into a contract with a subconsultant or subcontractor that fails to certify to the Contractor that it shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

(3) It has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement, through participation in either the E-Verify Program.

(4) It is prohibited from using either the E-Verify Program procedures to undertake pre-employment screening of job applicants while performing its obligations under the Agreement, and it is required to comply with any and all federal requirements related to use of the E-Verify Program including, by way of example, all program requirements related to employee notification and preservation of employee rights.

(5) If it obtains actual knowledge that a subconsultant or subcontractor performing work under the Agreement knowingly employs or contracts with an illegal alien, it will notify such subconsultant or subcontractor and the City within three (3) days. The Contractor shall also terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with the illegal alien, unless during such three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with an illegal alien.

(6) It will comply with any reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S., or the City Auditor, under authority of D.R.M.C. 20-90.3.

d. The Contractor is liable for any violations as provided in the Certification Ordinance. If the Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential

damages to the City. Any such termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying the Contractor from submitting bids or proposals for future contracts with the City.

20. DISPUTES: All disputes between the City and the Contractor arising out of or regarding the Agreement will be resolved by administrative hearing pursuant to the procedure established by D.R.M.C. § 56-106(b)-(f). For the purposes of that administrative procedure, the City official rendering a final determination shall be the Executive Director as defined in this Agreement.

21. GOVERNING LAW; VENUE: The Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, which are expressly incorporated into the Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to the Agreement will be in the District Court of the State of Colorado, Second Judicial District (Denver District Court).

22. NO DISCRIMINATION IN EMPLOYMENT: In connection with the performance of work under the Agreement, the Contractor may not refuse to hire, discharge, promote or demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, gender identity or gender expression, marital status, or physical or mental disability. The Contractor shall insert the foregoing provision in all subcontracts.

23. COMPLIANCE WITH ALL LAWS: The Contractor shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations and codes of the United States, the State of Colorado; and with the Charter, ordinances, rules, regulations and Executive Orders of the City and County of Denver.

24. LEGAL AUTHORITY: The Contractor represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into the Agreement. Each person signing and executing the Agreement on behalf of the Contractor represents and warrants that he has been fully authorized by the

Contractor to execute the Agreement on behalf of the Contractor and to validly and legally bind the Contractor to all the terms, performances and provisions of the Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate the Agreement if there is a dispute as to the legal authority of either the Contractor or the person signing the Agreement to enter into the Agreement.

25. NO CONSTRUCTION AGAINST DRAFTING PARTY: The parties and their respective counsel have had the opportunity to review the Agreement, and the Agreement will not be construed against any party merely because any provisions of the Agreement were prepared by a particular party.

26. ORDER OF PRECEDENCE: In the event of any conflicts between the language of the Agreement and the exhibits, the language of the Agreement controls.

27. INTELLECTUAL PROPERTY RIGHTS: The City and the Contractor intend that all property rights to any and all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information created by the Contractor and paid for by the City pursuant to this Agreement, in preliminary or final form and on any media whatsoever (collectively, “Materials”), shall belong to the City. The Contractor shall disclose all such items to the City and shall assign such rights over to the City upon completion of the Project. To the extent permitted by the U.S. Copyright Act, 17 USC § 101, *et seq.*, the Materials are a “work made for hire” and all ownership of copyright in the Materials shall vest in the City at the time the Materials are created. To the extent that the Materials are not a “work made for hire,” the Contractor (by this Agreement) sells, assigns and transfers all right, title and interest in and to the Materials to the City, including the right to secure copyright, patent, trademark, and other intellectual property rights throughout the world and to have and to hold such rights in perpetuity.

28. SURVIVAL OF CERTAIN PROVISIONS: The terms of the Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of the Agreement survive the Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Contractor’s obligations to provide insurance and to indemnify the City will survive for a period

equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

29. ADVERTISING AND PUBLIC DISCLOSURE: The Contractor shall not include any reference to the Agreement or to services performed pursuant to the Agreement in any of the Contractor's advertising or public relations materials without first obtaining the written approval of the Executive Director. Any oral presentation or written materials related to services performed under the Agreement will be limited to services that have been accepted by the City. The Contractor shall notify the Executive Director in advance of the date and time of any presentation. Nothing in this provision precludes the transmittal of any information to City officials.

30. CONFIDENTIAL INFORMATION:

a. City Information: The Contractor acknowledges and accepts that, in performance of all work under the terms of this Agreement, the Contractor may have access to Proprietary Data or confidential information that may be owned or controlled by the City, and that the disclosure of such Proprietary Data or information may be damaging to the City or third parties. The Contractor agrees that all Proprietary Data, confidential information or any other data or information provided or otherwise disclosed by the City to the Contractor shall be held in confidence and used only in the performance of its obligations under this Agreement. The Contractor shall exercise the same standard of care to protect such Proprietary Data and information as a reasonably prudent consultant would to protect its own proprietary or confidential data. "Proprietary Data" shall mean any materials or information which may be designated or marked "Proprietary" or "Confidential", or which would not be documents subject to disclosure pursuant to the Colorado Open Records Act or City ordinance, and provided or made available to the Contractor by the City. Such Proprietary Data may be in hardcopy, printed, digital or electronic format.

31. CITY EXECUTION OF AGREEMENT: The Agreement will not be effective or binding on the City until it has been fully executed by all required signatories of the City and County of Denver, and if required by Charter, approved by the City Council.

32. AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS: The Agreement is the complete integration of all understandings between the parties as to the subject matter of the Agreement. No prior, contemporaneous or subsequent addition, deletion, or other

modification has any force or effect, unless embodied in the Agreement in writing. No oral representation by any officer or employee of the City at variance with the terms of the Agreement or any written amendment to the Agreement will have any force or effect or bind the City.

33. USE, POSSESSION OR SALE OF ALCOHOL OR DRUGS: The Contractor shall cooperate and comply with the provisions of Executive Order 94 and its Attachment A concerning the use, possession or sale of alcohol or drugs. Violation of these provisions or refusal to cooperate with implementation of the policy can result in contract personnel being barred from City facilities and from participating in City operations.

34. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS: The Contractor consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature under the Agreement, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

ACTIVITY DESCRIPTION***Description of Activity and Program Requirements and Responsibilities***

The Colorado Restaurant Foundation (CRF), established in 1987, is a 501(c)3 non-profit organization governed by a board of directors made up of restaurants, industry experts, K-12 and post-secondary hospitality educators. CRF functions as the philanthropic foundation of the Colorado Restaurant Association. The CRF has executed an Angel Relief Fund and has distributed over \$2,000,000 in relief support to restaurant workers in 2020.

Description of Activity: The purpose of this contract agreement is to provide a not to exceed award for up to \$860,000 as set forth in Exhibit B-Budget through the DEDO in response to the COVID-19 outbreak. Contractor will administer program under Angel Relief Fund to disburse CRF relief grants up to a maximum of \$1,000 per individual to Denver residents who have worked in a restaurant or hotel since January 2020 and for the purpose of mitigation of negative economic impacts due to the COVID 19 pandemic. At DEDO’s discretion, the program may be modified, including the maximum grant award amount allowed per recipient.

Eligibility Requirements:

- a. Use of the Funds shall be restricted to residents of Denver.
- b. Recipients must have been previously employed in a restaurant or hotel for at least ninety days and lost or reduced such employment due to the COVID-19 pandemic.
- c. No recipient shall receive more than a total of \$1,000 in CRF Angel relief grant funds during the 2021 calendar year.
- d. Applicants shall, as part of the screening process, be asked to disclose the intended use of the grant funds and priority shall be given to requests for basic pressing needs including housing, utilities, food, health care, transportation, and childcare.
- e. Assistance shall be provided regardless of the immigration status of the applicant.

Contractor will develop, administer and deliver relief support to qualifying restaurant and hotel workers who can demonstrate they reside in Denver. Funding also covers administrative support to CRF for the management, consultation and technical support of this program.

At DEDO’s discretion, modifications to eligibility requirements or modifications to any services that require line item budget changes, which do not increase the total funding to the Contractor and do not modify the total maximum administration fee, may be made without a formal budget modification process.

Implementation Plan and Timeline:

The following table outlines the implementation plan and timelines for this contract:

Task	Projected Beginning & End Dates
Develop program parameters in consultation with DEDO and launch application.	January 2021 through December 2021
Issue payments to restaurant and hotel workers within ten business days from application approval.	January 2021 through December 2021

Reporting

Contractor shall provide a report in a format acceptable to the City describing the amount of Funds distributed on a monthly basis and over the life of the program until all Funds provided under the contract are expended.

Such reports shall include the number of grants made to Denver residents, a breakdown by City Council District, amount of payments, payment dates, and place of last employment on a monthly basis.

Regardless of when the executed contract was received by the Contractor, Contractor is responsible for submitting a report from the start date of the contract; even if no activity was conducted or expensed. Contractor should report "No Activity" or outline those activities reimbursed with grant funds. If the Contractor completes the project and all money is drawn, a final report will be submitted indicating "final report" and no further reports are required.

Contractor shall not gather or collect personal identifiable information from any applicant or recipient except as necessary to implement the program described herein. CRF shall securely dispose of any such information it gathers as soon as practicable once it is no longer required for program purposes and shall not provide such information to the City or any other party pursuant to the contract.

Contractor will email the report to the Business Development unit.

Fee and Payment Schedule

The maximum budget for this contract is \$860,000 to fund the Denver Hotel and Restaurant Relief Fund inclusive of (i) grants disbursed to grant recipients and (ii) fees to Contractor as further described herein and as set forth in the Fee Schedule below.

An initial transfer of \$250,000 is expected to be made at the onset of the project, which shall be disbursed as grants to eligible individuals as identified by Contractor. DEDO may change the amount of this initial payment in its sole discretion.

After a minimum of \$200,000 has been granted to eligible individuals as identified by CRF and disbursed by CRF, with the appropriate supporting documentation provided by CRF as set forth in the applicable Scope of Work, CRF may then periodically request additional grant funds, as mutually agreed upon based on the program needs, to be disbursed as grants to eligible individuals. A minimum of 50% of any grant funds received through subsequent grant fund transfers shall be disbursed by CRF, with the appropriate supporting documentation provided by CRF as set forth in the applicable Scope of Work, prior to requesting additional grant fund transfers.

CRF may invoice against the administrative support fee periodically. The support fee may not be used as part of the advanced funds and must be invoiced as a separate line item equal to up to 6% of the grant amounts disbursed under the agreement. The total administrative fee not to exceed \$48,679.25.

In the event any funds remain in the Contractor’s account upon the expiration or earlier termination of this Agreement, the Contractor shall (i) promptly distribute any funds already designated for grant recipients to such recipients and (ii) promptly return to DEDO any funds remaining in the Contractor’s account after such distributions, including all interest earned on such funds while in the Contractor’s account.

The parties may mutually agree to adjust the payment schedule in the event actual work performed warrants an adjustment, but in no event shall total funds received by CRF exceed the Maximum Contract Amount or the “Total” set forth in the Fee Schedule.
