f. Costs:

7. Is there any controversy surrounding this ordinance? (Groups or individuals who may have concerns about it?) Please explain.

There may be some controversy due to the nature of the service provided with some councilmembers, although many are supportive. I think the one of the communities where one of the providers is located will be relieved to have outreach so that the staff can meet clients where they are in terms of they are in terms of location as well as in their disease .
