- **Purpose:**
 - In partnership with the Department of Safety, the Division of Real Estate is advancing a Purchase and Sale Agreement for \$1,300,000 to acquire a property located as 4280 Kearney Street, known as Tooley Hall.

- As contracts for the current community corrections facility providers wind down, the city is working to identify potential community corrections sites.
- Zoning specifications and land use restrictions around community corrections facilities limit the number of locations and facilities we can consider for this purpose.
- Tooley Hall is currently zoned and in use as a community corrections site. Acquiring this facility will allow the city to secure it for this continued use and seek a new provider for community correction services.
