EXECUTIVE SUMMARY

The Denver 14th Street General Improvement District (GID), a Title 31 Special District, was created by Council and approved by the electors within the GID in response to the "14th Street Initiative", a public/private partnership between the Downtown Denver Partnership and the City and County of Denver to create Downtown's "Ambassador Street." The initiative began in 2005 and visualized 14th Street between Market and Colfax as both a thriving pedestrian promenade and a major gateway to Downtown for vehicular traffic. The plan contemplated streetscape enhancements and related public infrastructure improvements. Stakeholders, including private property owners, public officials and business organizations, participated in establishing the conceptual design for 14th Street. The City has provided \$10M of bond funding as part of the City's Better Denver Bond 14th Street Streetscape Project. The General Improvement District added \$4M of District funds for project construction. In addition the GID is to provide maintenance funds for the Project.

The Ordinance creating the GID and its companion ordinance creating the District Advisory Board provides that the District Advisory Board, after notice and a hearing, is to recommend to the Board of Directors, at least once a year, a proposed Work Plan and Budget, including Maintenance Charges and Capital Charges. This Resolution of the GID Board of Directors is to approve the 2013 Work Plan and Budget, including 2013 Capital Charges and 2013 Maintenance Charges.
