ORDINANCE NO. _____
SERIES OF 2017

COUNCIL BILL NO. CB16-1125
COMMITTEE OF REFERENCE:
Land Use, Transportation & Infrastructure

A BILL

For an ordinance changing the zoning classification for 1154, 1156, 1160, 1164, and 1166 South Lincoln Street.

WHEREAS, the City Council has determined, based on evidence and testimony presented at the public hearing, that the map amendment set forth below conforms with applicable City laws, is consistent with the City’s adopted plans, furthers the public health, safety and general welfare of the City, will result in regulations and restrictions that are uniform within the U-RH-2.5 with waivers district, is justified by one of the circumstances set forth in Section 12.4.10.8 of the Denver Zoning Code, and is consistent with the neighborhood context and the stated purpose and intent of the proposed zone district;

WHEREAS, as of the date of this map amendment, the standard U-RH-2.5 zone district is a “Protected District” as defined in Section 13.3 of the Denver Zoning Code, and Zone Lot 1 as shown on Platt Park North – Phase II Site Development Plan, Denver County Reception Number 2013138769, zoned R-MU-20 with waivers and conditions, is a Controlled District per Former Chapter 59. Rezoning to a Protected District will introduce additional standards on surrounding Controlled Districts, including bulk planes and maximum height standards found in Former Chapter 59 Sec. 59-96;

WHEREAS, the subject U-RH-2.5 with waivers rezoning will ensure that the existing Structures located to the north of the rezoning area on Zone Lot 1 are not rendered nonconforming as a result of bulk plane standards introduced through the rezoning. Additional standards are found in D.R.M.C., Sec. 59-2(c), stating that, “for purposes of applying the limitations on bulk planes and building heights in section 59-96 of the Former Chapter 59, the ‘protected districts’ identified therein shall also include the zone districts defined as ‘protected districts’ in section 13-3 of the Denver Zoning Code;”

WHEREAS, the specific intent of the waiver, in Section 3, below, is to maintain the conforming status of the existing Structures located to the north of the rezoning area on Zone Lot 1 by waiving the Protected District bulk plane standard on the northern boundary of the rezoning area. However, the maximum height standard in Former Chapter 59, Sec. 59-96 apply along the

1 northern boundary of the rezoning area and all Protected District standards apply to the remaining
2 boundaries of the rezoning area, and;
