No. However, if the Department of Finance does not receive the information from the School District and/or the Special Districts before December 15th, we will need to late file on Friday December 16th, in order to meet the December 22nd statutory deadline.

Please note that the final numbers for the City Mill Levies will not be available until the first week of December, and that the School District 1 and Special Districts legally have until December 15th to provide the City with their numbers. December 15th is also the last possible regular filing date by which the City can still enact the resolutions by the December 22nd statutory deadline, unless we late file the next day.
