## **Biography - Commission**

Chris Nguyen is a business operations consultant, specializing in the private equity sector. He has executed projects focused on operations improvement, investment due diligence and management system deployment. With a background in Industrial Engineering, he has also spent a significant amount of time in manufacturing holding various roles ranging from operations management to initiative delivery and process engineering. Highlighting a passion for both problem solving and continuous improvement.

As both a 1<sup>st</sup> generation child of Vietnamese refugees and an Iowa born native, he holds a blended perspective on the American experience. This experience not only helps define him but aids him in acting as a bridge between the two worlds. Recently he sought to utilize this by participating in Convivir, a non-profit organization aimed at helping youth impacted by migration.
